

This is a digital copy of a book that was preserved for generations on library shelves before it was carefully scanned by Google as part of a project to make the world's books discoverable online.

It has survived long enough for the copyright to expire and the book to enter the public domain. A public domain book is one that was never subject to copyright or whose legal copyright term has expired. Whether a book is in the public domain may vary country to country. Public domain books are our gateways to the past, representing a wealth of history, culture and knowledge that's often difficult to discover.

Marks, notations and other marginalia present in the original volume will appear in this file - a reminder of this book's long journey from the publisher to a library and finally to you.

### Usage guidelines

Google is proud to partner with libraries to digitize public domain materials and make them widely accessible. Public domain books belong to the public and we are merely their custodians. Nevertheless, this work is expensive, so in order to keep providing this resource, we have taken steps to prevent abuse by commercial parties, including placing technical restrictions on automated querying.

We also ask that you:

- + *Make non-commercial use of the files* We designed Google Book Search for use by individuals, and we request that you use these files for personal, non-commercial purposes.
- + *Refrain from automated querying* Do not send automated queries of any sort to Google's system: If you are conducting research on machine translation, optical character recognition or other areas where access to a large amount of text is helpful, please contact us. We encourage the use of public domain materials for these purposes and may be able to help.
- + *Maintain attribution* The Google "watermark" you see on each file is essential for informing people about this project and helping them find additional materials through Google Book Search. Please do not remove it.
- + *Keep it legal* Whatever your use, remember that you are responsible for ensuring that what you are doing is legal. Do not assume that just because we believe a book is in the public domain for users in the United States, that the work is also in the public domain for users in other countries. Whether a book is still in copyright varies from country to country, and we can't offer guidance on whether any specific use of any specific book is allowed. Please do not assume that a book's appearance in Google Book Search means it can be used in any manner anywhere in the world. Copyright infringement liability can be quite severe.

## PREFATORY.

---

**I**N the years 1888-1892 William A. Taylor, of Columbus, collected the data for a book of reference which he copy-righted under the name of the OHIO STATESMEN' AND HUNDRED YEAR BOOK, and of which the state ordered printed an edition of 7,500 copies for free distribution. A revision under the name of OHIO STATESMEN AND ANNALS OF PROGRESS in two volumes was undertaken by Mr. Taylor in 1896-1898 which was bought,—both manuscript and copyright—by the State of Ohio in March, 1898, and an edition of 9,500 copies ordered printed for free distribution.

The present volume has been compiled (under the provisions of S. B. No. 355. O. L. vol. 94, p. 303) as an enlargement and revision of the edition of 1892, and is based on official records found in Acts of Congress, Congressional Records, Journals of the Territorial Government and of the General Assembly of Ohio, and official records and publications of the state, verified wherever possible by comparison with the best obtainable writings of men who helped to make the early history of the state and territory. The name HUNDRED YEAR BOOK which was discarded in the issue of 1898-99, has been retained in this edition because it has become a familiar name by which to express the general idea of the book and also for the reason that it is the specific name used in the copyright purchased in 1898 and in the law directing this edition to be issued. To similar publications on the part of the states of Michigan, Indiana, Massachusetts and Pennsylvania the editor is indebted for much valuable assistance in deciding upon the ground plan of this compilation, although the abundant data which crowd the history of Ohio in her first century of statehood are but inadequately represented in the contents of this book. An effort has been made to use the space at the writer's command to the best advantage, but, after all is done, it is a matter of regret that much has, of necessity, been omitted that would be acceptable to those into whose hands the book will fall. It has been a labor *con amore*.

## THE DECLARATION OF THE INDEPENDENCE OF THE UNITED STATES OF AMERICA.

IN CONFEDERATE CONGRESS, JULY 4TH, 1776.

THE UNANIMOUS DECLARATION OF THE THIRTEEN STATES OF AMERICA.

WHEN in the course of human events it becomes necessary for one people to dissolve the political bands which have connected them with another, and to assume among the Powers of the earth, the separate and equal station to which the Laws of Nature and of Nature's God entitle them, a decent respect to the opinions of mankind requires that they should declare the causes which impel them to the separation.

We hold these truths to be self evident, that all men are created equal, that they are endowed by their Creator with certain inalienable Rights, that among these are Life, Liberty and the pursuit of Happiness. That to secure these rights Governments are instituted among men, deriving their just powers from the consent of the governed. That whenever any Form of Government becomes destructive of these ends, it is the Right of the People to alter or abolish it, and to institute new government, laying its foundation on such principles and organizing its powers in such form, as to them shall seem most likely to effect their Safety and Happiness. Prudence, indeed, will dictate that Governments long established should not be changed for light and transient causes; and accordingly all experience hath shown, that mankind are more disposed to suffer, while evils are sufferable, than to right themselves by abolishing the forms to which they are accustomed. But when a long train of usages and usurpations, pursuing invariably the same Object evinces a design to reduce them under absolute Despotism, it is their right, it is their duty, to throw off such Government, and to provide new Guards for their future security. Such has been the patient sufferance of these colonies; and such is now the necessity which constrains them to alter their former Systems of Government. The history of the present King of Great Britain is a history of repeated injuries and usurpations, all having in direct object the establishment of an absolute Tyranny over these States. To prove this, let Facts be submitted to a candid world.

He has refused his Assent to Laws, the most wholesome and necessary for the public good.

He has forbidden his Governors to pass Laws of immediate and pressing importance, unless suspended in their operation till his Assent should be obtained; and when so suspended, he has utterly neglected to attend to them.

---

*The Declaration of Independence.*

---

He has refused to pass other Laws for the accommodation of large districts of people, unless those people would relinquish the right of Representation in the Legislature, a right inestimable to them and formidable to tyrants only.

He has called together legislative bodies at places unusual, uncomfortable, and distant from the depository of their Public Records, for the sole purpose of fatiguing them into compliance with his measures.

He has dissolved Representative Houses repeatedly, for opposing with manly firmness his invasions on the rights of the people.

He has refused for a long time after such dissolutions, to cause others to be elected; whereby the Legislative Powers, incapable of Annihilation, have returned to the people at large for their exercise; the State remaining in the mean time exposed to all the dangers of invasion from without, and convulsions within.

He has endeavored to prevent the population of these States; for that purpose obstructing the Laws for Naturalization of Foreigners; refusing to pass others to encourage their migration hither, and raising the conditions of new Appropriations of Lands.

He has obstructed the Administration of Justice, by refusing his Assent to Laws for establishing Judiciary Powers.

He has made Judges dependent on his will alone, for the tenure of their offices, and the amount and payment of their salaries.

He has erected a multitude of New Offices, and sent hither swarms of Officers to harass our people and eat out their substance.

He has kept among us, in times of peace, Standing Armies without the Consent of our legislature.

He has affected to render the Military independent of and superior to the civil power.

He has combined with others to subject us to a jurisdiction foreign to our constitution, and unacknowledged by our laws; giving his Assent to their Acts of pretended Legislation:

For quartering large bodies of armed troops among us:

For protecting them by a mock trial, from punishment for any Murders which they should commit on the Inhabitants of these States:

For cutting off our trade with all parts of the world:

For imposing taxes on us without our consent:

For depriving us in many cases, of the benefits of Trial by Jury:

For transporting us beyond Seas to be tried for pretended offenses:

For abolishing the free System of English Laws in a neighboring Province, establishing therein an Arbitrary government, and enlarging its Boundaries so as to render it at once an example and fit instrument for introducing the same absolute rule into these Colonies:

For taking away our Charters, abolishing our most valuable Laws, and altering fundamentally the Forms of our Governments:

---

*The Declaration of Independence.*

---

For suspending our own Legislatures, and declaring themselves invested with Power to legislate for us in all cases whatsoever.

He has abdicated Government here, by declaring us out of his protection and waging War against us.

He has plundered our seas, ravaged our Coasts, burnt our towns and destroyed the lives of our people.

He is at this time transporting large armies of mercenaries to complete the works of death, desolation and tyranny, already begun with circumstances of Cruelty & perfidy scarcely paralleled in the most barbarous ages, and totally unworthy the Head of a civilized nation.

He has constrained our fellow Citizens taken Captive on the high Seas to bear arms against their Country, to become the executioners of their friends and Brethren, or to fall themselves by their hands.

He has excited domestic insurrection amongst us, and has endeavoured to bring on the inhabitants of our frontiers, the merciless Indian Savages, whose known rule of warfare, is an undistinguished destruction of all ages, sexes and conditions.

In every stage of these Oppressions We have Petitioned for Redress in the most humble terms: Our repeated Petitions have been answered by repeated injury. A Prince, whose character is thus marked by every act which may define a Tyrant, is unfit to be the ruler of a free people.

Nor have We been wanting in attention to our British brethren. We have warned them from time to time of attempts by their legislature to extend an unwarrantable jurisdiction over us. We have reminded them of the circumstances of our emigration and settlement here. We have appealed to their native justice and magnanimity, and we have conjured them by the ties of our common kindred to disavow these usurpations, which, would inevitable interrupt our connections and our correspondence. They too have been deaf to the voice of justice and of consanguinity. We must, therefore, acquiesce in the necessity, which denounces our Separation, and hold them, as we hold the rest of mankind, Enemies in War, in Peace Friends.

We, therefore, the Representatives of the United States of America, in General Congress assembled, appealing to the Supreme Judge of the world for the rectitude of our intentions, do, in the Name, and by Authority of the Good people of these Colonies, solmenly publish and declare, That these United Colonies are, and of Right ought to be Free and Independent States; and that they are Absolved from all Allegiance to the British Crown, and that all political connection between them and the State of Great Britain, is and ought to be totally dissolved; and that as Free and Independent States, they have full Power to levy War, conclude Peace, contract Alliances, establish Commerce, and to do all other Acts and Things which Independent States may of right do. And

*The Declaration of Independence.*

for the support of this Declaration, with a firm reliance on the Protection of Divine Providence, we mutually pledge to each other our Lives, our Fortunes and our sacred Honor.

NOTE.—In the fac-simile of the Declaration of Independence, as in the original, the whole instrument runs without a break, dashes being freely used to emphasize the several utterances, and to bind them together. In the above copy, the arrangement of paragraphs adopted in the old Congress, and inserted in its journal, and which is also found in the original draft of the Declaration in the handwriting of the author now in the custody of the State Department at Washington, has been followed with care, that the reader may have correct transcript. The spelling, capitalization, and punctuation is as in the authority referred to.

ACT OF CONFEDERATION OF THE UNITED STATES  
OF AMERICA.

JULY 9, 1778.

TO ALL TO WHOM THESE PRESENTS SHALL COME, WE, THE UNDERSIGNED,  
DELEGATES OF THE STATES AFFIXED TO OUR NAMES, SEND GREETING.

WHEREAS the Delegates of the United States of America in Congress assembled did on the 15th day of November in the year of our Lord One Thousand Seven Hundred and Seventy-seven, and in the Second Year of the Independence of America agree to certain articles of Confederation and perpetual Union between the States of Newhampshire, Massachusetts-bay, Rhodeisland and Providence Plantations, Connecticut, New York, New Jersey, Pennsylvania, Delaware, Maryland, Virginia, North Carolina, South Carolina and Georgia in the Words following viz:

“ARTICLES OF CONFEDERATION AND PERPETUAL UNION BETWEEN THE STATES OF NEWHAMPSHIRE, MASSACHUSETTS-BAY, RHODEISLAND AND PROVIDENCE PLANTATIONS, CONNECTICUT, NEW YORK, NEW JERSEY, PENNSYLVANIA, DELAWARE, MARYLAND, VIRGINIA, NORTH CAROLINA, SOUTH CAROLINA AND GEORGIA.”

ARTICLE I. The Stile of this confederacy shall be “The United States of America.”

ARTICLE II. Each state retains its Sovereignty, freedom and independence, and every Power, Jurisdiction and Right, which is not by this confederation expressly delegated to the United States in Congress assembled.

ARTICLE III. The said states hereby severally enter into a firm league of friendship with each other, for their common defence, the security of their Liberties, and their mutual and general welfare, binding themselves to assist each other, against all force offered to, or attacks made upon, them or any of them, on account of religion, sovereignty, trade, or any other pretence whatever.

ARTICLE IV. The better to secure and perpetuate mutual friendship and intercourse among the people of the different states in this union, the free inhabitants of each of these states, paupers, vagabonds and fugitives from Justice excepted, shall be entitled to all privileges and immunities of free citizens in the several states; and the people of each state shall have free ingress and regress to and from any other state, and shall enjoy therein all the privileges of trade and commerce, subject to the same duties, impositions and restrictions as the inhabitants thereof respectively, provided that such restrictions shall not extend so far as to

prevent the removal of property imported into the state, to any other state of which the Owner is an inhabitant; provided also that no imposition, duties or restriction shall be laid by any state, on the property of the united states, or either of them. If any Person is guilty of, or charged with treason, felony, or other high misdemeanor in any state, shall flee from Justice, and be found in any of the united states, he shall upon demand of the Governor or executive power, of the state from which he fled, be delivered up and removed to the state having jurisdiction of his offence.

Full faith and credit shall be given in each of these states to the records, acts and judicial proceedings of the courts and magistrates of every other state.

ARTICLE V. For the more convenient management of the general interest of the united states, delegates shall be annually appointed in such manner as the legislature of each state shall direct, to meet in Congress on the first Monday in November, in every year, with a power reserved to each state, to recal its delegates, or any of them, at any time within the year, and to send others in their stead, for the remainder of the year. No state shall be represented in Congress by less than two, nor more than seven members; and no person shall be capable of being a delegate for more than three years in any term of six years; nor shall any person, being a delegate, be capable of holding any office under the united states, for which he, or another for his benefit receives any salary, fees or emoluments of any kind.

Each state shall maintain its own delegates in a meeting of the states, and while they act as members of the committee of the states.

In determining questions in the united states, in Congress assembled, each state shall have one vote.

Freedom of speech and debate in Congress shall not be impeached or questioned in any Court, or place out of Congress, and the members of congress shall be protected in their persons from arrests and imprisonments, during the time of their going to and from, and attendance on congress, except for treason, felony, or breach of the peace.

ARTICLE VI. No state without the Consent of the united states in congress assembled, shall send any embassy to, or receive any embassy from, or enter into any conference, agreement, alliance or treaty with any King prince or state; nor shall any person holding any office of profit or trust under the united states, or any of them, accept of any present, emolument, office or title of any kind whatever from any king prince or foreign state; nor shall the united states in congress assembled, or any of them, grant any title of nobility.

No two or more states shall enter into any treaty, confederation or alliance whatever between them, without the consent of the united states

in congress assembled, specifying accurately the purposes for which the same is to be entered into, and how long it shall continue.

No state shall lay any imposts or duties, which may interfere with any stipulations in treaties, entered into by the united states in congress assembled with any king, prince, or state, in pursuance of any treaties already proposed by congress to the courts of France and Spain.

No vessels of war shall be kept up in time of peace by any state, except such number only, as shall be deemed necessary by the united states in congress assembled, for the defence of such state, or its trade: nor shall any body of forces be kept up by any state, in time of peace, except such number only, as in the judgement of the united states, in congress assembled, shall be deemed requisite to garrison the forts necessary for the defence of such state; but every state shall always keep up a well regulated and disciplined militia, sufficiently armed and accoutred, and shall provide and constantly have ready for use, in public stores, a due number of field pieces and tents, and a proper quantity of arms, ammunition and camp equipage.

No state shall engage in any war without the consent of the united states in congress assembled, unless such state be actually invaded by enemies, or shall have received certain advice of a resolution being formed by some nation of Indians to invade such state, and the danger is so imminent as not to admit of a delay, till the united states in congress assembled can be consulted: nor shall any state grant commissions to any ships or vessels of war, nor letters of marque or reprisal, except it be after a declaration of war by the united states in congress assembled, and then only against the kingdom or state and the subjects thereof, against which war has been so declared, and under such regulations as shall be established by the united states in congress assembled, unless such state be infested by pirates, in which case vessels of war may be fitted out for that occasion, and kept so long as the danger shall continue, or until the united states in congress assembled shall determine otherwise.

ARTICLE VII. When land forces are raised by any state for the common defence, all officers of or under the rank of colonel, shall be appointed by the legislature of each state respectively by whom such forces shall be raised, or in such manner as such state shall direct, and all vacancies shall be filled up by the state which first made the appointment.

ARTICLE VIII. All charges of war, and all other expences that shall be incurred for the common defence or general welfare, and allowed by the united states in congress assembled, shall be defrayed out of a common treasury, which shall be supplied by the several states, in proportion to the value of all land within each state, granted to or surveyed for any Person, as such land and the buildings and the improvements thereon

shall be estimated according to such mode as the united states in congress assembled, shall from time to time direct and appoint.

The taxes for paying that portion shall be laid and levied by the authority and direction of the legislatures of the several states within the time agreed upon by the united states in congress assembled.

ARTICLE IX. The united states in congress assembled, shall have the sole and exclusive right and power of determining on peace and war, except in the cases mentioned in the sixth article—of sending and receiving ambassadors—entering into treaties and alliances, provided that no treaty of commerce shall be made whereby the legislative power of the respective states shall be restrained from imposing such imposts and duties on foreigners, as their own people are subjected to, or from prohibiting the exportation or importation of any species of goods or commodities whatsoever—of establishing rules for deciding in all cases, what captures on land or water shall be legal, and in what manner prizes taken by land or naval forces in the service of the united states shall be divided or appropriated—of granting letters of marque and reprisal in times of peace—appointing courts for the trial of piracies and felonies committed on the high seas and establishing courts for receiving and determining finally appeals in all cases of captures, provided that no member of congress shall be appointed a judge of any of the said courts. The united states in congress assembled shall also be the last resort on appeal in all disputes and differences now subsisting or that hereafter may arise between two or more states concerning boundary, jurisdiction or any cause whatever; which authority shall always be exercised in the manner following. Whenever the legislative or executive authority or lawful agent of any state in controversy with another shall present a petition to congress stating the matter in question and praying for a hearing, notice thereof shall be given by congress to the legislative or executive authority of the other state in controversy, and a day assigned for the appearance of the parties by their lawful agents, who shall then be directed to appoint by joint consent, commissioners or judges to constitute a court for hearing and determining the matter in question: but if they cannot agree, congress shall name three persons out of each of the united states, and from the list of such persons each party shall alternately strike out one, the petitioners beginning, until the number shall be reduced to thirteen; and from that number not less than seven, nor more than nine names as congress shall direct, shall in the presence of congress be drawn out by lot, and the persons whose names shall be so drawn, or any five of them, shall be commissioners or judges, to hear and finally determine the controversy, so always as a major part of the judges who shall hear the cause shall agree in the determination: and if either party shall neglect to attend at the day appointed, without showing reasons,

which congress shall judge sufficient, or being present shall refuse to strike, the congress shall proceed to nominate three persons out of each state, and the secretary of congress shall strike in behalf of such party absent or refusing; and the judgement and sentence of the court to be appointed, in the manner before prescribed, shall be final and conclusive; and if any of the parties shall refuse to submit to the authority of such court, or to appear or defend their claim or cause, the court shall nevertheless proceed to pronounce sentence, or judgment, which shall in like manner be final and decisive, the judgment or sentence and other proceedings being in either case transmitted to congress, and lodged among the acts of congress for the security of the parties concerned: provided that every commissioner, before he sits in judgment, shall take an oath to be administered by one of the judges of the supreme or superior court of the state, where the cause shall be tried, "well and truly to hear and determine the matter in question, according to the best of his judgment, without favor, affection or hope of reward:" provided also that no state shall be deprived of territory for the benefit of the united states.

All controversies concerning the private right of soil claimed under different grants of two or more states, whose jurisdictions as they may respect such lands, and the states which passed such grants are adjusted, the said grants or either of them being at the same time claimed to have originated antecedent to such settlement of jurisdiction, shall on the petition of either party to the congress of the united states, be finally determined as near as may be in the same manner as is before prescribed for deciding disputes respecting territorial jurisdiction between different states.

The united states in congress assembled shall also have the sole and exclusive right of regulating the alloy and value of coin struck by their own authority, or by that of the respective states—fixing the standard of weights and measures throughout the united states—regulating the trade and managing all affairs with the Indians, not members of any of the states, provided that the legislative right of any state within its own limits be not infringed or violated—establishing and regulating post-offices from one state to another, throughout all the united states, and exacting such postage on the papers passing thro' the same as may be requisite to defray the expences of said office—appointing all officers of the land forces, in the service of the united states, excepting regimental officers—appointing all the officers of the naval forces, and commissioning all officers whatever in the service of the united states—making rules for the government and regulation of the said land and naval forces, and directing their operations.

The united states in congress assembled shall have authority to appoint a committee, to sit in the recess of congress, to be denominated

"A Committee of the States," and to consist of one delegate from each state; and to appoint such other committees and civil officers as may be necessary for managing the general affairs of the united states under their direction—to appoint one of their number to preside, provided that no person be allowed to serve in the office of president more than one year in any term of three years; to ascertain the necessary sums of Money to be raised for the service of the united states, and to appropriate and apply the same for defraying the public expences—to borrow money, or emit bills on the credit of the united states, transmitting every half year to the respective states an account of the sums of money so borrowed or emitted,—to build and equip a navy—to agree upon the number of land forces, and to make requisitions from each state for its quota, in proportion to the number of white inhabitants in such state; which requisitions shall be binding, and thereupon the legislature of each state shall appoint the regimental officers, raise the men and cloath, arm and equip them in a soldier like manner, at the expence of the united states; and the officers and men so cloathed, armed and equipped shall march to the place appointed, and within the time agreed upon by the united states in congress assembled: But if the united states in congress assembled shall, on consideration of circumstances judge proper that any state should not raise men, or should raise a smaller number than its quota, and that any other state should raise a greater number of men than its quota thereof, such extra number shall be raised, officered, cloathed, armed and equipped in the same manner as the quota of such state, unless the legislature of such state shall judge that such extra number cannot be safely spared out of the same, in which case they shall raise, officer, cloathe, arm and equip as many of such number as they judge can be safely spared. And the officers and men so cloathed, armed and equipped, shall march to the place appointed, and within the time agreed on by the united states in congress assembled.

The united states in congress assembled shall never engage in a war, nor grant letters of marque and reprisal in time of peace, nor enter into any treaties or alliances, nor coin money, nor regulate the value thereof, nor ascertain the sums and expences necessary for the defence and welfare of the united states, or any of them, nor emit bills, nor borrow money on the credit of the united states, nor appropriate money, nor agree upon the number of vessels of war, to be built or purchased, or the number of land or sea forces to be raised, nor appoint a commander-in-chief of the army or navy, unless nine states assent to the same: nor shall a question on any other point, except for adjourning from day to day, be determined unless by the votes of a majority of the united states in congress assembled.

---

*Act of Confederation.*

---

The congress of the united states shall have power to adjourn to any time within the year, and to any place within the united states, so that no period of adjournment be for a longer duration than the space of six months, and shall publish the Journal of their proceedings monthly, except such part thereof relating to treaties, alliances or military operations, as in their judgment may require secrecy; and the yeas and nays of the delegates of each state on any question shall be entered on the journal, when it is desired by any delegate; and the delegates of a state, or any of them, at his or their request shall be furnished with a transcript of the said Journal, except such parts as are above excepted, to lay before the legislatures of the several states.

ARTICLE X. The committee of the states, or any nine of them, shall be authorized to execute, in the recess of congress, such of the powers of congress as the united states in congress assembled, by the consent of nine states, shall from time to time think it expedient to vest them with; provided that no power be delegated to the said committee, for the exercise of which, by the articles of confederation, the voice of nine states in the congress of the united states assembled is requisite.

ARTICLE XI. Canada acceding to this confederation, and joining in the measures of the united states, shall be admitted into, and entitled to all the advantages of this union: but no other colony shall be admitted into the same, unless such admission be agreed to by nine states.

ARTICLE XII. All bills of credit emitted, monies borrowed and debts contracted by, or under the authority of congress, before the assembling of the united states, in pursuance of the present confederation, shall be deemed and considered as a charge against the united states, for payment and satisfaction whereof the said united states, and the public faith are hereby solemnly pledged.

ARTICLE XIII. Every state shall abide by the determination of the united states in congress assembled, on all questions which by this confederation are submitted to them. And the articles of this confederation shall be inviolably observed by every state, and the union shall be perpetual; nor shall any alteration at any time hereafter be made in any of them; unless such alteration be agreed to in a congress of the united states, and be afterward confirmed by the legislatures of every state.

AND WHEREAS, it hath pleased the Great Governor of the World to incline the hearts of the legislatures we respectively represent in congress, to approve of, and to authorize us to ratify the said articles of confederation and perpetual union. KNOW YE that we the undersigned delegates, by virtue of the power and authority to us given for that purpose, do by these presents, in the name and in behalf of our respective constituents, fully and entirely ratify and confirm each and every of the said articles of confederation and perpetual union, and all and singular the matter

and things therein contained: And we do further solemnly plight and engage the faith of our respective constituents, that they shall abide by the determination of the united states in congress assembled, on all questions, which by the said confederation are submitted to them. And that the articles thereof shall be inviolably observed by the states we respectively represent, and that the union shall be perpetual.

IN WITNESS whereof we have hereunto set our hands in congress.

NOTE. — Prior to the Declaration of Independence, and on the 12th day of the preceding month, a committee was appointed by the Continental Congress, "to prepare and digest the form of a confederation to be entered into between these colonies." The report of the committee was made on the 12th of July, and printed copies placed in the hands of members of the congress for their secret examination. For two years the articles were under discussion by the members of the several state legislatures to whom copies were sent by the new government, and on the 9th of July, 1778, the representatives in congress of the States of New Hampshire, Massachusetts Bay, Rhode Island and Providence Plantations, Connecticut, New York, Pennsylvania, Virginia and South Carolina, signed the form above which had been agreed upon. To those states whose delegates being absent or uncertain of their power, did not sign the form at this time, Congress addressed a request for action with all convenient dispatch. North Carolina ratified the Act on the 21st of July, and Georgia on the 24th of the same month, thus giving the assent of ten states to the instrument. The remaining ratifications, were given; by New Jersey, November 26, 1778; by Delaware, May 5, 1779; and by Maryland, March 1, 1781.

Congress assembled under the Act of Confederation, March 2, 1781, the day following the ratification of the act by Maryland.

WILLIAM MCKINLEY.

WILLIAM MCKINLEY, President, was born at Niles, Trumbull County, Ohio, January 29, 1843; was educated in the public schools, Poland Academy, Allegheny College; before attaining his majority he taught in the public schools; enlisted as a private in the Twenty-third Ohio Volunteer Infantry June 11, 1861; promoted to commissary-sergeant April 15, 1862, to second lieutenant September 23, 1862, to first lieutenant February 7, 1863, to captain July 25, 1864; served successively on the staffs of Generals R. B. Hayes, George Crook and Winfield S. Hancock and was brevetted major in the United States Volunteers by President Lincoln for gallantry in battle March 13, 1865; detailed for acting adjutant-general of the First Division, First Army Corps, on the staff of General S. S. Carroll; mustered out of service July 26, 1865; returning to civil life, he studied law in Mahoning County; took a course at the Albany (N. Y.) Law School, and in 1867 was admitted to the bar and settled at Canton, Ohio, which has since been his home; in 1869 he was elected prosecuting attorney of Stark County, and served a term in that office; in 1876 was elected a member of the National House of Representatives, and for fourteen years represented the congressional district of which his county was a part; as chairman of the Ways and Means Committee he reported the tariff law of 1890, but in November following was defeated for Congress in a gerrymandered district, although reducing the usual adverse majority from 3,000 to 300; in 1891 was elected governor of Ohio by a plurality of 21,511, and 1893 was re-elected by a plurality of 80,905; in 1884 was a delegate-at-large to the Republican national convention and supported James G. Blaine for president; was a member of the committee on resolutions and read the platform to the convention; in 1888 was also a delegate-at-large from Ohio, supporting John Sherman, and as chairman of the committee on resolutions again reported the platform; in 1892 was again a delegate-at-large from Ohio, and supported the nomination of Benjamin Harrison, and served as chairman of the convention. At that convention 182 votes were cast for him for president, although he had persistently refused to have his name considered. On June 18, 1896, he was nominated for president at St. Louis, receiving 661 out of 905 votes. He was elected president at the ensuing November election by a popular plurality of 600,000 votes, and received 271 electoral votes as against 176 for William J. Bryan, of Nebraska. He was again elected president in 1900.

## THE ORDINANCE OF 1787.

AN ORDINANCE FOR THE GOVERNMENT OF THE TERRITORY OF THE UNITED STATES NORTH WEST OF THE RIVER OHIO.

[Adopted by the Confederate Congress July 13th, 1787. The Constitution of the United States was adopted by the Congress the 28th of September following. The text from which this was printed was found in a volume of territorial laws printed in Cincinnati in the year 1796. By authority W. Maxwell, Jr., and known as "Maxwell's Code, 1796."]

**B**E it ordained by the United States in Congress assembled, That the said territory, for the purpose of temporary government, be one district; subject, however, to be divided into two districts, as future circumstances may, in the opinion of Congress, make it expedient.

*Be it ordained* by the authority aforesaid, that the estates both of resident and non-resident proprietors in the said territory, dying intestate, shall descend to, and be distributed among their children, and the descendants of a deceased child in equal parts; the descendants of a deceased child or grandchild, to take the share of their deceased parent in equal parts among them; and where there shall be no children or descendants, then in equal parts to the next of kin, in equal degree; and among collaterals, the children of a deceased brother or sister of the intestate shall have in equal parts among them their deceased parent's share; and there shall in no case be a distinction between kindred of the whole and half blood; saving in all cases to the widow of the intestate, her third part of the real estate for life, and one-third part of the personal estate; and this law relative to descents and dower, shall remain in full force until altered by the legislature of the district. And until the governor and judges shall adopt laws as herein-after mentioned, estates in the said territory may be devised or bequeathed by wills in writing, signed and sealed by him or her, in whom the estate may be (being of full age) and attested by three witnesses; and real estates may be conveyed by lease and release or bargain and sale signed, sealed and delivered by the person, being of full age, in whom the estate may be, and attested by two witnesses, provided such wills be duly proved, and such conveyances be acknowledged, or the execution thereof duly proved, and be recorded within one year after proper magistrates, courts, and registers shall be appointed for that purpose; and personal property may be transferred by delivery, saving, however, to the French and Canadian inhabitants, and other settlers of the Kaskaskies, Saint Vincents, and the neighboring villages, who have heretofore professed themselves citizens of Virginia, their laws and customs now in force among them, relative to the descent and conveyance of property.

*Be it ordained* by the authority aforesaid, that there shall be appointed from time to time, by Congress, a governor, whose commission shall

---

*Ordinance of 1787.*

---

continue in force for the term of three years, unless sooner revoked by Congress; he shall reside in the district, and have a freehold estate therein, in one thousand acres of land, while in the exercise of his office.

There shall be appointed from time to time, by Congress, a secretary, whose commission shall continue in force for four years, unless sooner revoked, he shall reside in the district, and have a freehold estate therein, in five hundred acres of land, while in the exercise of his office; it shall be his duty to keep and preserve the acts and laws passed by the legislature, and the public records of the district, and the proceedings of the governor in his executive department; and transmit authentic copies of such acts and proceedings, every six months, to the Secretary of Congress. There shall also be appointed a court to consist of three judges, any two of whom to form a court, who shall have a common-law jurisdiction, and reside in the district, and have each therein a freehold estate in five hundred acres of land, while in the exercise of their offices; and their commissions shall continue in force during good behavior.

The governor and judges, or a majority of them, shall adopt and publish in the district such laws of the original States, criminal and civil, as may be necessary, and best suited to the circumstances of the district, and report them to Congress, from time to time, which laws shall be in force in the district until the organization of the general assembly therein, unless disapproved of by Congress; but afterwards the legislature shall have authority to alter them as they shall think fit.

The governor, for the time being, shall be commander-in-chief of the militia, appoint and commission all officers in the same, below the rank of general officers; all general officers shall be appointed and commissioned by Congress.

Previous to the organization of the general assembly, the governor shall appoint such magistrates and other civil officers, in each county or township, as he shall find necessary for the preservation of the peace and good order in the same: After the general assembly shall be organized, the powers and duties of magistrates and other civil officers shall be regulated and defined by the said assembly; but all magistrates and other civil officers, not herein otherwise directed, shall, during the continuance of this temporary government, be appointed by the governor.

For the prevention of crimes and injuries, the laws to be adopted or made shall have force in all parts of the district, and for the execution of process, criminal and civil, the governor shall make proper divisions thereof—and he shall proceed from time to time, as circumstances may require, to lay out the parts of the district in which the Indian titles shall have been extinguished, into counties and townships, subject, however, to such alterations as may thereafter be made by the legislature.

So soon as there shall be five thousand free male inhabitants, of full age, in the district, upon giving proof thereof to the governor, they shall

---

*Ordinance of 1787.*

---

receive authority, with time and place, to elect representatives from their counties or townships, to represent them in the general assembly: *Provided*, That for every five hundred free male inhabitants there shall be one representative, and so on, progressively, with the number of free male inhabitants, shall the right of representation increase, until the number of representatives shall amount to twenty-five, after which the number and proportion of representatives shall be regulated by the legislature; *Provided*, That no person be eligible or qualified to act as a representative unless he shall have been a citizen of one of the United States three years, and be a resident in the district, or unless he shall have resided in the district three years, and in either case, shall likewise hold in his own right, in fee-simple, two hundred acres of land within the same:—*Provided also*, that a freehold in fifty acres of land in the district, having been a citizen of one of the States, and being resident in the district; or the like freehold and two years' residence in the district shall be necessary to qualify a man as an elector of a representative.

The representatives thus elected, shall serve for the term of two years, and in case of the death of a representative, or removal from office, the governor shall issue a writ to the county or township for which he was a member, to elect another in his stead, to serve for the residue of the term. The general assembly, or legislature, shall consist of the governor, legislative council, and a house of representatives. The legislative council shall consist of five members, to continue in office five years, unless sooner removed by Congress, any three of whom to be a quorum, and the members of the council shall be nominated and appointed in the following manner, to-wit: As soon as representatives shall be elected, the governor shall appoint a time and place for them to meet together, and, when met, they shall nominate ten persons, resident in the district, and each possessed of a freehold in five hundred acres of land, and return their names to Congress; five of whom Congress shall appoint and commission to serve as aforesaid; and whenever a vacancy shall happen in the council, by death or removal from office, the house of representatives shall nominate two persons, qualified as aforesaid, for each vacancy, and return their names to Congress; one of whom Congress shall appoint and commission for the residue of the term; and every five years, four months at least before the expiration of the time of service of the members of the council, the said house shall nominate ten persons, qualified as aforesaid, and return their names to Congress, five of whom Congress shall appoint and commission to serve as members of the council five years, unless sooner removed. And the governor, legislative council, and house of representatives, shall have authority to make laws in all cases for good government of the district, not repugnant to the principles and articles in this ordinance established and declared. And all bills

---

*Ordinance of 1787.*

---

having passed by a majority in the house, and by a majority in the council, shall be referred to the governor for his assent; but no bills or legislative act whatever, shall be of any force without his assent. The governor shall have power to convene, prorogue and dissolve the general assembly when, in his opinion, it shall be expedient.

The governor, judges, legislative council, secretary, and such other officers as Congress shall appoint in the district, shall take an oath or affirmation of fidelity, and of office, the governor before the President of Congress, and all other officers before the governor. As soon as a legislature shall be formed in the district, the council and house, assembled in one room, shall have authority by joint ballot, to elect a delegate to Congress, who shall have a seat in Congress, with a right of debating, but not of voting, during this temporary government.

And for extending the fundamental principles of civil and religious liberty, which forms the basis whereon these republics, their laws and constitutions are erected; to fix and establish those principles as the basis of all laws, constitutions and governments, which forever hereafter shall be formed in the said territory;—to provide also for the establishment of States, and permanent government therein, and for their admission to a share in the Federal councils on an equal footing with the original States, at as early periods as may be consistent with the general interest.

*It is hereby ordained* and declared, by the authority aforesaid, that the following articles shall be considered as articles of compact between the original States and the people and States in the said territory, and forever remain unalterable, unless by common consent, to-wit:

ARTICLE I. No person, demeaning himself in a peaceable and orderly manner, shall ever be molested on account of his mode of worship or religious sentiments in the said territory.

ARTICLE II. The inhabitants of the said territory shall always be entitled to the benefits of the writs of *habeas corpus*, and of the trial by jury; of a proportionate representation of the people in the legislature, and of judicial proceedings according to the course of the common law; all persons shall be bailable unless for capital offenses where the proof shall be evident or the presumption great; all fines shall be moderate, and no cruel or unusual punishment shall be inflicted; no man shall be deprived of his liberty or property but by the judgment of his peers, or the law of the land; and should the public exigencies make it necessary for the common preservation to take any person's property, or to demand his particular services, full compensation shall be made for the same;—and in the just preservation of rights and property it is understood and declared, that no law ought ever to be made, or have force in the said territory, that shall in any manner whatever interfere with,

---

Ordinance of 1787.

---

or affect private contracts or engagements, *bona fide* and without fraud previously formed.

ARTICLE III. Religion, morality and knowledge, being necessary to good government and the happiness of mankind, schools and the means of education shall forever be encouraged. The utmost good faith shall always be observed towards the Indians; their lands and property shall never be taken from them without their consent; and in their property, rights and liberty, they never shall be invaded or disturbed, unless in just and lawful wars authorized by Congress; but laws founded in justice and humanity shall from time to time be made for preventing wrongs being done to them, and for preserving peace and friendship with them.

ARTICLE IV. The said territory, and the States which may be formed therein shall forever remain a part of this confederacy of the United States of America, subject to the Articles of Confederation, and to such alterations therein as shall be constitutionally made; and to all the acts and ordinances of the United States in Congress assembled, conformable thereto. The inhabitants and settlers in the said territory, shall be subject to pay a part of the Federal debts, contracted or to be contracted, and a proportional part of the expenses of government, to be apportioned on them by Congress, according to the same common rule and measure by which apportionments thereof shall be made on the other states; and the taxes for paying their proportion, shall be laid and levied by the authority and direction of the legislatures of the district or districts, or new states as in the original states, within the time agreed upon by the United States in Congress assembled. The legislatures of those districts, or new States, shall never interfere with the primary disposal of the soil by the United States in Congress assembled, nor with any regulations Congress may find necessary for securing the title in such soil to the *bona fide* purchasers. No tax shall be imposed on lands the property of the United States; and in no case shall non-resident proprietors be taxed higher than residents. The navigable waters leading into the Mississippi and Saint Lawrence, and carrying places between the same shall be common highways, and forever free, as well to the inhabitants of the said Territory as to the citizens of the United States, and those of any other states that may be admitted into the confederacy, without any tax, impost, or duty therefor.

ARTICLE V. There shall be formed in the said Territory, not less than three nor more than five states; and the boundaries of the states, as soon as Virginia shall alter her act of cession and consent to the same, shall become fixed and established as follows, to-wit: The western State, in the said Territory, shall be bounded by the Mississippi, the Ohio, and the Wabash Rivers; a direct line drawn from the Wabash and Post Vincents, due north, to the territorial line between the United States and

*Ordinance of 1787.*

Canada; and by the said territorial line to the Lake of the Woods and Mississippi. The middle State shall be bounded by the said direct line, the Wabash from Post Vincents to the Ohio; by the Ohio, by a direct line drawn due north from the mouth of the Great Miami to the said territorial line, and by said territorial line. The eastern State shall be bounded by the last-mentioned direct line, the Ohio, Pennsylvania, and the said territorial line: Provided, however, and it is further understood and declared, that the boundaries of these three States shall be subject so far to be altered, that if Congress shall hereafter find it expedient, they shall have authority to form one or two States in that part of the said territory which lies north of an east and west line drawn through the southerly bend or extreme of lake Michigan: and whenever any of the said states shall have sixty thousand free inhabitants therein, such State shall be admitted by its delegates into the Congress of the United States, on an equal footing with the original states, in all respects whatsoever; and shall be at liberty to form a permanent constitution and State government: *provided*, the constitution and government so to be formed, shall be republican, and in conformity to the principles contained in these articles and so far as it can be consistent with the general interest of the confederacy, such admission shall be allowed at an earlier period, and when there may be a less number of free inhabitants in the State than sixty thousand.

ARTICLE VI. There shall be neither slavery nor involuntary servitude in the said territory, otherwise than in the punishment of crimes whereof the party shall have been duly convicted: *provided*, always, that any person escaping into the same, from whom labor or service is lawfully claimed in any one of the original States, such fugitive may be lawfully reclaimed and conveyed to the person claiming his or her labor or services as aforesaid.

*Be it ordained* by the authority aforesaid, that the resolutions of the 23d of April, 1784, relative to the subject of this ordinance, be, and the same are hereby repealed and declared null and void.

DONE by the United States in Congress assembled, the 13th day of July, in the year of our Lord 1787, and of their sovereignty and independence the 12th.

CHA. THOMSON, *Secy.*

WHO WAS THE AUTHOR OF THE ORDINANCE OF 1787? — "There has been some diversity of opinion, as to the individual to whom the honor of the paternity of that document rightfully belongs. Some have claimed it for Mr. Jefferson, though he did not claim it himself. The honor of drafting that instrument, on which the constitutions of all the northwestern states are founded, belongs of right to Nathan Dane, a revolutionary patriot of Massachusetts. He was its author, — he reported it to Congress and persevered in explaining, and impressing it on their attention till they became satisfied of its merits and adopted it by a unanimous vote. Mr. Jefferson being in France at the time." — Burnett's Notes on the *North-Western Territory*, pp. 37-8.

RUTHERFORD BIRCHARD HAYES.

RUTHERFORD BIRCHARD HAYES, nineteenth president of the United States, was born at Delaware, Ohio, October 4, 1822; graduated at Kenyon College, Ohio, in 1842, and at Harvard Law School in 1845; began the practice of law at Fremont, Ohio; removed to Cincinnati in 1849; was city solicitor from 1858 to 1861; was appointed, June 27, 1861, major Twenty-third Ohio Volunteers, of which W. S. Rosecrans was the first colonel and Stanley Matthews (afterwards justice U. S. Supreme Court) lieutenant-colonel. He was promoted lieutenant-colonel October 24, 1861, from which date he commanded the Twenty-third until December, 1862. In the brilliant action of South Mountain (1862) he received a severe wound in the left arm which compelled him to leave the field. After the battle of Antietam the regiment was returned to West Virginia, where, November 30, 1862, he rejoined it as colonel, having been promoted October 24. He was commissioned brigadier-general of volunteers, to date from the battle of Cedar Creek, at the close of which he received news of his election to Congress from the second district of Ohio; was made brevet major-general for gallant services, and resigned from the army June 1, 1865. In December he took his seat in Congress; was re-elected in 1866, but left his seat in 1867, having been nominated for governor of Ohio, to which office he was elected in October, and re-elected in 1869. In 1872 he suffered his first defeat for Congress. In 1875 he reluctantly consented to allow his name to be used once more as a candidate for governor, and was elected for a third time, an honor never before conferred on a citizen of Ohio. On June 16, 1876, he was nominated at Cincinnati for president of the United States, on the Republican ticket, on the seventh ballot, receiving 384 votes, to 351 for J. G. Blaine and 21 for B. H. Bristow. The ensuing canvass, which was bitter and exciting, was closed by a disputed election, the electoral votes of Florida, South Carolina, and Louisiana, and one of those of Oregon being claimed by both parties. The Presidential Electoral Commission announced, March 2, 1877, that he had been duly elected president of the United States. The inauguration ceremonies took place on March 5. During the four years of his office the affairs of the government were conducted in a manner that will command the favorable judgment of history. Died at Fremont, Ohio, January 17, 1893.

the Constitution of the United States and of this State, and also an oath of office.

## BRIBERY AT ELECTIONS.

SEC. 2. Any elector who shall receive any gift or reward for his vote, in meat, drink, money, or otherwise, shall suffer such punishment as the law shall direct; and any person who shall, directly or indirectly, give, promise, or bestow any such reward to be elected, shall thereby be rendered incapable for two years to serve in the office for which he was elected, and be subject to such other punishment as shall be directed by law.

on the east by the Pennsylvania line; on the south by the Ohio River to the mouth of the Great Miami River; on the west by the line drawn due north from the mouth of the Great Miami aforesaid; and on the north by an east and west line drawn through the southerly extreme of Lake Michigan, running east, after intersecting the due north line aforesaid from the mouth of the Great Miami, until it shall intersect Lake Erie or the territorial line, and thence with the same, through Lake Erie, to the Pennsylvania line aforesaid; provided, always, and it is hereby fully understood and declared by this convention, that if the southerly bend or extreme of Lake Michigan should extend so far south that a line drawn due east from it should not intersect Lake Erie, or if it should intersect the said Lake Erie east of the mouth of the Miami River of the lake, then and in that case with the assent of the Congress of the United States, the northern boundary of this State shall be established by, and extend to, a direct line running from the southern extremity of Lake Michigan to the most northerly cape of the Miami Bay, after intersecting the due north line from the mouth of the Great Miami River as aforesaid, thence northeast to the territorial line, and, by the said territorial line, to the Pennsylvania line.

## ARTICLE VIII.

## BILL OF RIGHTS.

That the general great and essential principles of liberty and free government may be recognized and forever unalterably established, we declare —

SECTION 1. That all men are born equally free and independent, and have certain natural inherent and unalienable rights, amongst which are the enjoying and defending life and liberty, acquiring, possessing, and protecting property, and pursuing and obtaining happiness and safety; and every free republican government being founded on their sole authority, and organized for the great purpose of protecting their rights and liberties, and securing their independence — to effect these ends, they have at all times a complete power to alter, reform or abolish their government whenever they may deem it necessary.

SEC. 2. There shall be neither slavery nor involuntary servitude in this State, otherwise than for the punishment of crimes, whereof the party shall have been duly convicted; nor shall any male person arrived at the age of twenty-one years or female person arrived at the age of eighteen years, be held to serve any person as a servant, under the pretense of indenture or otherwise, unless such person shall enter into such indenture while in a state of perfect freedom, and on condition of a *bona fide* consideration received, or to be received for their service, except as before excepted. Nor shall any indenture of any negro or mulatto hereafter made and executed out of the State, or, if made in the State where

---

*The First Constitution of Ohio.*

---

the term of servitude exceeds one year, be of the least validity, except those given in the case of apprenticeships.

SEC. 3. That all men have a natural and indefeasible right to worship Almighty God according to the dictates of conscience; that no human authority can, in any case whatever, control or interfere with the rights of conscience; that no man shall be compelled to attend, erect, or support any place of worship, or to maintain any ministry against his consent; and that no preference shall ever be given by law to any religious society or mode of worship, and no religious test shall be required as a qualification to any office of trust or profit. But religion, morality, and knowledge being essentially necessary to good government and the happiness of mankind, schools and the means of instruction shall forever be encouraged by legislative provision not inconsistent with the rights of conscience.

SEC. 4. Private property ought, and shall ever be held inviolate, but always subservient to the public welfare, provided a compensation in money be made to the owner.

SEC. 5. That the people shall be secure in their persons, houses, papers and possessions from unwarrantable searches and seizures and that general warrants, whereby an officer may be commanded to search suspected places without probable evidence of the fact committed, or to seize any person or persons not named whose offenses are not particularly described, and without oath or affirmation, are dangerous to liberty, and shall not be granted.

SEC. 6. That the printing presses shall be open and free to every citizen who wishes to examine the proceedings of any branch of government, or the conduct of any public officer; and no law shall ever restrain the right thereof. Every citizen has an indisputable right to speak, write or print upon any subject as he thinks proper, being liable for the abuse of that liberty. In prosecutions for any publication respecting the official conduct of men in a public capacity, or where the matter published is proper for public information the truth thereof may always be given in evidence; and in all indictments for libels the jury shall have the right to determine the law and the facts under the direction of the court, as in other cases.

SEC. 7. That all courts shall be open, and every person, for an injury done him in his lands, goods, person, or reputation, shall have remedy by the due course of law, and right and justice administered without denial or delay.

SEC. 8. That the right of trial by jury shall be inviolate.

SEC. 9. That no power of suspending laws shall be exercised, unless by the Legislature.

---

*The First Constitution of Ohio.*

---

SEC. 10. That no person arrested or confined in jail shall be treated with unnecessary rigor or be put to answer any criminal charge but by presentment, indictment, or impeachment.

SEC. 11. That in all criminal prosecutions, the accused hath a right to be heard by himself and counsel; to demand the nature and cause of the accusations against him and to have a copy thereof; to meet the witnesses face to face; to have compulsory process for obtaining witnesses in his favor; and in prosecutions by indictment or presentment a speedy public trial by an impartial jury of the County or District in which the offense shall have been committed; and shall not be compelled to give evidence against himself, nor shall he be twice put in jeopardy for the same offense.

SEC. 12. That all persons shall be bailable by sufficient sureties, unless for capital offenses where the proof is evident or the presumption great; and the privilege of the writ of habeas corpus shall not be suspended, unless, when in case of rebellion or invasion, the public safety may require it.

SEC. 13. Excessive bail shall not be required; excessive fines shall not be imposed; nor cruel and unusual punishment inflicted.

SEC. 14. All penalties shall be proportioned to the nature of the offense. No wise Legislature will affix the same punishment to the crimes of theft, forgery, and the like, which they do to those of murder and treason. When the same undisguised severity is exerted against all offenses, the people are led to forget the real distinction in the crimes themselves, and to commit the most flagrant with as little compunction as they do the slightest offenses. For the same reasons, a multitude of sanguinary laws are both impolitic and unjust: the true design of all punishments being to reform, not to exterminate, mankind.

SEC. 15. The person of a debtor, where there is not strong presumption of fraud, shall not be continued in prison after delivering up his estate for the benefit of his creditor or creditors, in such manner as shall be prescribed by law.

SEC. 16. No *ex post facto* law, nor any law impairing the validity of contracts, shall ever be made; and no conviction shall work corruption of blood or forfeiture of estate.

SEC. 17. That no person shall be liable to be transported out of this State for any offense committed within the State.

SEC. 18. That a frequent recurrence to the fundamental principles of civil government is absolutely necessary to preserve the blessings of liberty.

SEC. 19. That the people have a right to assemble together in a peaceable manner to consult for their common good, to instruct their Representatives, and to apply to the Legislature for a redress of grievances.

---

*The First Constitution of Ohio.*

---

SEC. 20. That the people have a right to bear arms for the defence of themselves and the State; and as standing armies in time of peace are dangerous to liberty, they shall not be kept up; and that the military shall be kept under strict subordination to the civil power.

SEC. 21. That no person in this State, except such as are employed in the army or navy of the United States, or militia in actual service, shall be subject to corporal punishment under the military law.

SEC. 22. That no soldier, in time of peace, be quartered in any house without the consent of the owner; nor in time of war, but in the manner prescribed by law.

SEC. 23. That the levying of taxes by the poll is grievous and oppressive; therefore the Legislature shall never levy a poll tax for County or State purposes.

SEC. 24. That no hereditary emoluments, privileges, or honors shall ever be granted or conferred by this State.

SEC. 25. That no law shall be passed to prevent the poor in the several Counties and townships within this State from an equal participation in the schools, academies, colleges, and universities within this State which are endowed, in whole or in part, from the revenue arising from donations made by the United States for the support of schools and colleges; and the doors of the said schools, academies, and universities shall be open for the reception of scholars, students, and teachers of every grade without any distinction or preference whatever contrary to the intent for which said donations were made.

SEC. 26. That laws shall be passed by the Legislature which shall secure to each and every denomination of religious societies in each surveyed township which now is or may hereafter be formed in the State, an equal participation, according to their number of adherents, of the profits, arising from the land granted by Congress for the support of religion, agreeably to the ordinance or act of Congress making the appropriation.

SEC. 27. That every association of persons, when regularly formed, within this State, and having given themselves a name, may, on application to the Legislature, be entitled to receive letters of incorporation, to enable them to hold estates, real and personal, for the support of their schools, academies, colleges, universities, and for other purposes.

SEC. 28. To guard against the transgression of the high powers which we have delegated, we declare that all powers not hereby delegated remain with the people.

#### SCHEDULE.

SECTION 1. That no evils or inconveniences may arise from the change of a territorial government to a permanent State government, it is declared by this convention that all rights, suits, actions, prosecutions, claims, and contracts, both as it respects individuals and bodies corporate, shall continue as if no change had taken place in this government.

---

*The First Constitution of Ohio.*

---

SEC. 2. All fines, penalties, and forfeitures due and owing to the territory of the United States northwest of the River Ohio, shall inure to the use of the State. All bonds executed to the Governor, or any other officer in his official capacity in the territory, shall pass over to the Governor or the other officers of the State, and their successors in office, for the use of the State, or by him or them to be respectively assigned to the use of those concerned, as the case may be.

SEC. 3. The Governor, Secretary, and Judges, and all other officers under the territorial government, shall continue in the exercise of the duties of their respective departments until the said officers are superseded under the authority of this Constitution.

SEC. 4. All laws and parts of laws now in force in this territory, not inconsistent with this Constitution, shall continue and remain in full effect until repealed by the Legislature, except so much of the act entitled "an act regulating the admission and practice of attorneys and counselors-at-law," and of the act made amendatory thereto, as relates to the term of time which the applicant shall have studied law, his residence within the territory, and the term of time which he shall have practiced as an attorney-at-law before he can be admitted to the degree of a counselor-at-law.

SEC. 5. The Governor of the State shall make use of his private seal until a State seal be procured.

SEC. 6. The President of the convention shall issue writs of election to the Sheriffs of the several Counties, requiring them to proceed to the election of a Governor, members of the General Assembly, Sheriffs, and Coroners, at the respective election districts in each County, on the second Tuesday of January next; which election shall be conducted in the manner prescribed by the existing election laws of this territory; and the members of the General Assembly then elected shall continue to exercise the duties of their respective offices until the next annual or biennial election thereafter, as prescribed in this Constitution, and no longer.

SEC. 7. Until the first enumeration shall be made, as directed in the second section of the first article of this Constitution, the County of Hamilton shall be entitled to four Senators and eight Representatives; the County of Clermont, one Senator and two Representatives; the County of Adams, one Senator and three Representatives; the County of Ross, two Senators and four Representatives; the County of Fairfield, one Senator and two Representatives; the County of Washington, two Senators and three Representatives; the County of Belmont, one Senator and two Representatives; the County of Jefferson, two Senators and four Representatives; and the County of Trumbull, one Senator and two Representatives.

Done in convention, at Chillicothe, the twenty-ninth day of November, in the year of our Lord one thousand eight hundred and two, and of the independence of the United States of America, the twenty-seventh.

## NOTES ON THE CONSTITUTIONAL CONVENTION OF 1802.

---

**T**HE Constitutional Convention of 1802 forms a connecting link between the Territorial and State Government which seems to find its proper consideration at this point. The first session of the Second (and last) Territorial Legislature, was adjourned by Governor St. Clair in January, 1802, to meet in Cincinnati, November 29. The Congress, by an act of April 30, 1802, provided for the election of members of a convention which should:

First. Decide on the desirability of forming a state government, and

Second. Frame the constitution for the state should the convention decide the first question affirmatively.

This convention met in Chillicothe on Monday, November 1, four weeks prior to the time set for the convening of the Second Territorial Legislature in its second session, and *on the day appointed for the legislature to meet, promulgated the FIRST CONSTITUTION OF THE STATE OF OHIO.*

Many members of the territorial legislature were members of this first constitutional convention, and the following notes from the *Journal* of that convention are republished as matters of history.

## ROSS COUNTY.

Edward Tiffin, Nathaniel Massie, Thomas Worthington,  
Michael Baldwin, James Grubb.

## TRUMBULL COUNTY.

Samuel Huntington, David Abbot.

## FAIRFIELD COUNTY

Emanuel Carpenter, Henry Abrams.

## WASHINGTON COUNTY.

Rufus Putnam, Ephraim Cutler, John McIntire,  
Benjamin Ives Gilman.

Edward Tiffin was chosen president of the Convention.

William Goforth was elected president pro tempore.

Thomas Scott was elected secretary at \$3 per day.

William McFarland was elected assistant secretary, and ordered to attend the Committee on Preamble and First Article.

Adam Betz was elected door-keeper at \$1.50 per day.

Upon the question whether it would be expedient to form a constitution and state government for the people of the Territory, at this time, the question carried in the affirmative by a vote of 32 to 1. Mr. Cutler voted in the negative.

NOTE — "Although more than a fourth of the members comprising the body had expressed their opinion in very decided terms against the expediency of the measure, and against the manner of its accomplishment, yet the resolution was carried. \* \* \* Judge Cutler, an indomitable Whig, of Washington County, voting in the negative, solitary and alone. (Burnett's Notes on the Northwest Territory, p. 352-3.)

A resolution was adopted requesting the governor to prorogue the territorial legislature which had adjourned in January last, to meet in Cincinnati on the fourth Monday of the present month. But this was not done, as the members of the legislature, many of whom were in convention, manifested no disposition to interfere with the progress of the Territory toward statehood. (See Burnett quoted.)

Nathaniel Willis was elected printer to the Convention, on the terms of his proposition to print 700 copies of the Journal of Convention, and 1,000 copies of the constitution then being framed.

A resolution to submit the proposed constitution to the people is found on page 15 of the Journal. It was disagreed to by the vote of 27 to 7, and the constitution was not submitted to the people, but was put in operation by the act of the delegates to the convention in formally signing the instrument in their representative capacity.

A proposition to have the members of the Senate chosen **annually** instead of biennially was defeated by a vote of 15 to 18.

A proposition to insert a proviso in Section 19 of Article 1, **prohib-**iting any member of the Convention from holding any office **under the** constitution so framed, unless elective, for the term of one year **after its** adoption, was defeated — yeas, 3, nays, 31.

A proposition to strike out of the bill of rights that **part of the** second section relating to servitude of adult persons not **negroes or** mulattoes, was defeated by a vote of 12 to 21.

A proposition to strike out that part of the same section which **for-**bids slavery or involuntary servitude in this state, was defeated **over-**whelmingly, by a vote of yeas 2, nays 31.

Messrs. Paul and Reily, of Hamilton County, voted in favor of the proposition. (See Journal, p. 26; November 20, 1802.)

A proposition to amend the third section of the bill of rights by **striking** out the words, "no religious test shall be required," etc., and **inserting** words to the effect that no person who denies the being of a God, **or a** place of future rewards and punishments, shall hold office in the **civil** government, was lost — yeas, 3; nays, 30.

In considering Article 4, on the twenty-second of November, the Convention voted — yeas, 19; nays, 15 — to add these words to the **end** of the article:

"Provided, that all male negroes and mulattoes, now residing in **this** territory, shall be entitled to the right of suffrage, if they shall **within** twelve months make a record of their citizenship."

As this is one of the earliest records of an attempt to give the **right** of suffrage to the negro in America, the vote on that proposition is interesting. Those who voted aye were: Abbot, Byrd, Cutler, **Dar-**linton, Dunlavy, Gatch, Gilman, Goforth, Grubb, Kitchel, Morrow, **Paul,** Putnam, Reily, Sargent, Smith, Updegraff, Wells and Wilson — 19. Those who voted in the negative were: Abrams, Baldwin, Bair, **Browne,** Caldwell, Carpenter, Donaldson, Humphrey, Huntington, **Kirker,** McIntire, Massie, Milligan, Woods and Worthington — 15.

At the same time the Convention refused, by a vote of 17 to 16, to extend the right of suffrage to the male descendants of such negro **res-**idents.

A motion was made to add to the seventh article of the constitution a new section as follows:

"Section 7. No negro or mulatto shall ever be eligible to any **office,** civil or military, or give their oath in any court of justice against a white person, be subject to do military duty, or pay a poll tax in **this** state; provided always, and it is fully understood and declared, that **all** negroes and mulattoes, now in, or who may hereafter reside in this state,

---

*Notes on the Constitutional Convention of 1802.*

---

shall be entitled to all the privileges of citizens of this state, not excepted by this constitution."

This was agreed to by a vote of — yeas, 19; nays, 16 — as follows.

Yeas — Abrams, Baldwin, Bair, Byrd, Caldwell, Carpenter, Darlington, Donaldson, Grubb, Humphrey, Kirker, Massie, McIntire, Milligan, Morrow, Smith, Tiffin, Woods and Worthington — 19.

Nays — Abbot, Browne, Cutler, Gatch, Gilman, Goforth, Huntington, Kitchel, Paul, Putnam, Reily, Sargent, Updegraff, Wells and Wilson — 15.

On Friday, November 26, in considering Article IV, a motion was made to strike out the provision which had been inserted on the twenty-second, giving right of suffrage to negroes and mulattoes who would prove their residence within twelve months. On this motion the yeas and nays were taken and resulted, 17 to 17. There being a tie vote, the president of the Convention (Edward Tiffin, afterward governor of the State) voted in the affirmative, and the proposition was stricken from the first constitution of the state. The change of front was brought about by the vote of the president and of the Messrs. Darlington, Grubb and Smith, who had previously voted to add this provision to the constitution. On the other hand, Mr. Browne, who had voted against the proposition in the first instance, now voted to retain it as a part of the organic law of the state. (P. 34.) Mr. Donaldson, who had opposed the proposition on the twenty-second, refrained from voting on the question as now presented.

A proposition was made to strike out the fifth section of Article IV, relating to labor on roads, and its relation to an elector's qualifications, which was defeated by a vote of 13 to 21.

A provision in Article VII, Section 3, that "no new county shall be established by the legislature, which is not entitled by its numbers to a representative," was stricken out by a vote of 22 to 12.

An effort to make the minimum number of square miles in a county five hundred instead of four hundred was defeated, 11 to 23.

A motion to strike out the section (7) added to Article VII on the twenty-second, in relation to the bar to negroes in office, etc. was carried by a vote of 17 to 16.

On this vote, Messrs. Dunlavy (who had not voted on this proposition before), and Milligan (who had voted to incorporate it in the article), voted with the friends of the negro, and caused the amendment to be made. President Tiffin, who had voted for the incorporation of the section on the twenty-second, is not recorded on this later vote. The friends of the restriction tried to have it inserted in an amended form, but on a demand for the previous question were outgeneralled and defeated. (P. 36.)

---

*Notes on the Constitutional Convention of 1802.*

---

By a vote of 20 to 13, the convention inserted a provision in Section 2, Article VIII, prohibiting in this state the indenture of any negro or mulatto.

Early in the sitting of the convention the following message was adopted and ordered to be officially transmitted to the representatives of the United States:

TO THE PRESIDENT AND BOTH HOUSES OF CONGRESS:

The Convention of the State of Ohio, November 27, 1802, duly appreciating the importance of a free and independent state government and impressed with sentiments of gratitude to the Congress of the United States, for the prompt and decisive measures taken at their last session, to enable the people of the north-western territory, to immerge from their colonial government, and to assume a rank among the sister states, beg leave to take the earliest opportunity of announcing to you this important event: on this occasion the Convention cannot help expressing their unequivocal appropriation of the measures pursued by the present administration of the general government, and both Houses of Congress, in diminishing the public burthens, cultivating peace with all nations, and promoting the happiness and prosperity of our country.

## THE SECOND (PRESENT) CONSTITUTION OF THE STATE OF OHIO.

(DONE IN CONVENTION AT CINCINNATI, MARCH 10, 1851.)

As amended and in force July, 1901.

WE the people of the State of Ohio, grateful to Almighty God for our freedom, to secure its blessings and promote the common welfare, do establish this constitution.

### ARTICLE I.

#### BILL OF RIGHTS.

SECTION 1. All men are, by nature, free and independent, and have certain inalienable rights, among which are those of enjoying and defending life and liberty, acquiring, possessing and protecting property, and seeking and obtaining happiness and safety.

SEC. 2. All political power is inherent in the people. Government is instituted for their equal protection and benefit, and they have the right to alter, reform, or abolish the same, whenever they may deem it necessary; and no special privileges or immunities shall ever be granted that may not be altered, revoked, or repealed by the General Assembly.

SEC. 3. The people have the right to assemble together, in a peaceable manner, to consult for their common good; to instruct their representatives; and to petition the General Assembly for the redress of grievances.

SEC. 4. The people have the right to bear arms for their defense and security; but standing armies, in time of peace, are dangerous to liberty, and shall not be kept up; and the military shall be in strict subordination to the civil power.

SEC. 5. The right of trial by jury shall be inviolate.

SEC. 6. There shall be no slavery in this state, nor involuntary servitude unless for the punishment of crime.

SEC. 7. All men have a natural and indefeasible right to worship Almighty God according to the dictates of their own conscience. No person shall be compelled to attend, erect, or support any place of worship or maintain any form of worship, against his consent; and no preference shall be given, by law, to any religious society; nor shall any interference with the rights of conscience be permitted. No religious test shall be required as a qualification for office, nor shall any person be incompetent to be a witness on account of his religious belief; but nothing herein shall be construed to dispense with oaths and affirmations. Religion, morality, and knowledge, however, being essential to good government, it shall be the duty of the General Assembly to pass suitable laws.

to protect every religious denomination in the peaceable enjoyment of its own mode of public worship, and to encourage schools, and the means of instruction.

SEC. 8. The privilege of the writ of habeas corpus shall not be suspended, unless in cases of rebellion or invasion the public safety requires it.

SEC. 9. All persons shall be bailable by sufficient sureties, except for capital offenses where the proof is evident, or the presumption great. Excessive bail shall not be required; nor excessive fines imposed; nor cruel and unusual punishment inflicted.

SEC. 10. Except in cases of impeachment, and cases arising in the army and navy, or in the militia when in actual service in time of war or public danger, in cases of petit larceny and other inferior offenses, no person shall be held to answer for a capital, or otherwise infamous crime, unless on presentment or indictment of a grand jury. In any trial, in any court, the party accused shall be allowed to appear and defend in person and with counsel; to demand the nature and cause of the accusation against him, and to have a copy thereof; be the witnesses face to face, and to have compulsory process to procure the attendance of witnesses in his behalf, and a speedy public trial by an impartial jury of the county or district in which the offense is alleged to have been committed; nor shall any person be compelled, in any criminal case, to be a witness against himself, or be twice put in jeopardy for the same offense.

SEC. 11. Every citizen may freely speak, write and publish his sentiments on all subjects, being responsible for the abuse of the right; and no law shall be passed to restrain or abridge the liberty of speech, or of the press. In all criminal prosecutions for libel, the truth may be given in evidence to the jury, and if it shall appear to the jury that the matter as charged as libelous is true, and was published with good motives, and for justifiable ends, the party shall be acquitted.

SEC. 12. No person shall be transported out of the state, for any offense committed within the same; and no conviction shall work corruption of blood, or forfeiture of estate.

SEC. 13. No soldier shall, in time of peace, be quartered in any house, without the consent of the owner; nor, in time of war, except in the manner prescribed by law.

SEC. 14. The right of the people to be secure in their persons, houses, papers, and possessions, against unreasonable searches and seizures shall not be violated; and no warrant shall issue, but upon probable cause, supported by oath or affirmation, particularly describing the place to be searched and the person and things to be seized.

---

*The Second Constitution of the State of Ohio.*

---

SEC. 15. No person shall be imprisoned for debt in any civil action, on mesne or final process, unless in cases of fraud.

SEC. 16. All courts shall be open, and every person, for an injury done him in his land, goods, person, or reputation, shall have remedy by due course of law, and justice administered without denial or delay.

SEC. 17. No hereditary emoluments, honors, or privileges, shall ever be granted or conferred by this state.

SEC. 18. No power of suspending laws shall ever be exercised, except by the General Assembly.

SEC. 19. Private property shall ever be held inviolate, but subservient to the public welfare. When taken in time of war, or other public exigency, imperatively requiring its immediate seizure, or for the purpose of making or repairing roads, which shall be open to the public, without charge, a compensation shall be made to the owner, in money, and in all other cases where private property shall be taken for public use, a compensation therefor shall first be made in money, or first secured by a deposit of money, and such compensation shall be assessed by a jury, without deduction for benefits to any property of the owner.

SEC. 20. This enumeration of rights shall not be construed to impair or deny others retained by the people; and all powers, not herein delegated, remain with the people.

## ARTICLE II.

SEC. 7. The mode of organizing the house of representatives, at the commencement of each regular session, shall be prescribed by law.

SEC. 8. Each house, except as otherwise provided in this constitution, shall choose its own officers, may determine its own rules of proceeding, punish its members for disorderly conduct; and with the concurrence of two-thirds expel a member, but not the second time for the same cause; and shall have all other powers necessary to provide for its safety, and the undisturbed transaction of its business.

SEC. 11. All vacancies which may happen in either house shall, for the unexpired term, be filled by election, as shall be directed by law.

SEC. 12. Senators and Representatives, during the session of the General Assembly, and in going to and returning from the same, shall be privileged from arrest in all cases except treason, felony, or breach of the peace; and for any speech or debate, in either house, they shall not be questioned elsewhere.

SEC. 13. The proceedings of both houses shall be public, except in cases which, in the opinion of two-thirds of those present, require secrecy.

SEC. 14. Neither house shall, without the consent of the other, adjourn for more than two days, Sundays excluded; nor to any other place than that in which the two houses shall be in session.

SEC. 15. Bills may originate in either house; but may be altered, amended, or rejected in the other.

SEC. 21. The General Assembly shall determine, by law, before what authority, and in what manner, the trial of contested elections shall be conducted.

SEC. 22. No money shall be drawn from the treasury except in pursuance of a specific appropriation, made by law; and no appropriation shall be made for a longer period than two years.

SEC. 23. The House of Representatives shall have the sole power of impeachment, but a majority of the members elected must concur therein. Impeachments shall be tried by the Senate; and the senators, when sitting for that purpose, shall be upon oath or affirmation to do justice according to law and evidence. No person shall be convicted without the concurrence of two-thirds of the senators.

SEC. 24. The governor, judges, and all state officers may be impeached for any misdemeanor in office; but judgment shall not extend further than the removal from office, and disqualification to hold any office, under the authority of this state. The party impeached, whether convicted or not, shall be liable to indictment, trial and judgment, according to law.

SEC. 25. All regular sessions of the General Assembly shall commence on the first Monday of January biennially. The first session, under this constitution, shall commence on the first Monday of January, one thousand eight hundred and fifty-two.

SEC. 28. The General Assembly shall have no power to pass retro-active laws, or laws impairing the obligation of contracts; but may, by general laws, authorize courts to carry into effect, upon such terms as shall be just and equitable, the manifest intention of parties and officers by curing omissions, defects and errors in instruments and proceedings arising out of their want of conformity with the laws of this state.

SEC. 29. No extra compensation shall be made to any officer, public agent, or contractor after the service shall have been rendered or the contract entered into; nor shall any money be paid on any claim, the subject matter of which shall not have been provided for by pre-existing law, unless such compensation or claim be allowed by two-thirds of the members elected to each branch of the General Assembly.

SEC. 30. No new county shall contain less than four hundred square miles of territory, nor shall any county be reduced below that amount; and all laws creating new counties, changing county lines, or removing county seats, shall, before taking effect, be submitted to the electors of the several counties to be affected thereby, at the next general election after the passage thereof, and be adopted by a majority of all the electors voting at such election, in each of the said counties; but any county now or hereafter containing one hundred thousand inhabitants, may be divided whenever a majority of the voters residing in each of the proposed divisions shall approve of the law passed for that purpose.

In case the General Assembly shall increase the number of such judges, the first term of each of such additional judges shall be such, that in each year after their first election, an equal number of judges of the supreme court shall be elected, except in elections to fill vacancies; and whenever the number of such judges shall be increased, the General Assembly may authorize such court to organize divisions thereof, not exceeding three, each division to consist of an equal number of judges; for the adjudication of cases, a majority of each division shall constitute a quorum, and such an assignment of the cases to each division may be made as such court may deem expedient, but whenever all the judges of either division hearing a case shall not concur as to the judgment to be rendered therein, or whenever a case shall involve the constitutionality of an act of the General Assembly or of an act of congress, it shall be reserved to the whole court for adjudication. He shall, by virtue of his office, be clerk of all other **courts** of record held therein; but, the General Assembly may provide, **by law**, for the election of a clerk, with a like term of office, for each or any **other** of the courts of record, and may authorize the judge of the probate court to perform the duties of clerk for his court, under such regulations **as may** be directed by law. ## INTRODUCTORY.

---

A REFERENCE to the Ordinance of 1787, which is reproduced in Part One of this volume, will discover to the reader that the legislative function of the territorial government in its first stage of development, and until there should be five thousand free male inhabitants of full age in the district, was lodged in the Governor of the Territory and the judges of the General (or Territorial) Court, or, any two of the Judges and the Governor.

The power of this legislative body is specifically declared in these words of the third paragraph of the Ordinance:

"The governor and judges, or a majority of them, shall adopt and publish in the district, such laws OF THE ORIGINAL STATES, criminal and civil, as may be necessary and best suited to the circumstance, of the district, and report them to Congress from time to time, which laws shall be in force in the district until the organization of the general assembly therein, unless disapproved of by Congress; but afterward the legislature shall have authority to alter them as they shall think fit."

## THE FIRST LEGISLATIVE COUNCIL OF THE NORTHWEST TERRITORY.

---

THE Ordinance was adopted by the Congress, July 13, 1787, and the first officers for the territory northwest of the River Ohio were elected by the same body, in October. They were: Governor, Major General Arthur St. Clair, elected October 5 (Pennsylvania); Secretary, Major Winthrop Sargent, elected October 5; Judges, General Samuel Holden Parsons, elected October 17 (Connecticut); General James Mitchell Varnum, elected October 17 (Rhode Island); Colonel John Armstrong, elected October 17 (Pennsylvania); Lieutenant Colonel Return Jonathan Meigs, Jr., elected February 19, 1788.

Colonel Armstrong declined the post tendered to him by the Congress and did not come to Ohio. Judge Meigs was elected to fill the vacancy.

Although these officers were appointed in the fall and winter of 1787-8, there was no settlement of the new country until the arrival of the *Mayflower* with a party of forty-six New England emigrants, at the mouth of the Muskingum river, on the seventh day of April, 1788. In the absence of the constituted authority, Colonel Return Jonathan Meigs, father of the judge of that name, drew up a code of rules on a sheet of ordinary foolscap, which he published by tacking them to the trunk of a large oak tree on the site of the infant settlement. This was the first legislation in the territory, and it is said that the code was rigidly adhered to by the pioneers of that country. The late General Manning F. Force, in an historical sketch in "Bench and Bar of Ohio" (1897), is authority for the statement that "history has recorded no infraction of these regulations which were read and approved by all."

Governor St. Clair, who had been occupied since his appointment in continuous efforts to conciliate the Indians of the territory, and in preparing for the needs of the infant settlement, arrived at Marietta with his official family on Wednesday, July 9, and on Tuesday, July 15, in public ceremonies held in the three-months-old town of Marietta, entered upon the discharge of his official duties. The Ordinance of 1787 was read to the settlers by Secretary Winthrop Sargent, after which the commissions of the Governor, Secretary and the Judges were publicly read, and the Governor addressed the people briefly.

The territorial government thus set up consisted of the following officers who were present and participated in the ceremony: Governor, Arthur St. Clair; Secretary, Winthrop Sargent; Judges, Parsons and Varnum.

---

*The First Legislative Council of the Northwest Territory (1788).*

---

This group of officers comprised the *First Legislative Council of the Northwest Territory*, and during the summer and fall of the year published at Marietta laws on the following subjects:

- (1788), July 25 — Regulating and establishing the Militia.
- (1788), August 23 — Establishing General Courts of Quarter Sessions, Common Pleas, and for the appointment of Sheriffs.
- (1788), August 30 — Establishing a Court of Probate.
- (1788), August 30 — Fixing the terms of the General Court.
- (1788), September 2 — Prescribing the forms of oaths of office.
- (1788), September 6 — Respecting crimes and punishments.
- (1788), November 23 — Regulating marriages (Age for male 17, female 14, with consent of fathers of parties).
- (1788), November 23 — Fixing monthly fines for failure of recruit in militia to provide himself with the proper equipment.
- (1788), December 21 — Creating the office of Coroner.
- (1788), December 28 — Limiting the times of civil actions and for instituting criminal prosecutions.

Each of the above laws was undersigned by Messrs. St. Clair, Parsons and Varnum, on the dates given, the signature of Judge John Cleves Symmes appearing on the law of August 30, — Establishing a Court of Probate — but on no other. His arrival in the colony is thus fixed at a much earlier day than that given in most authorities.—(Territorial Laws.)

Governor St. Clair withheld his approval to a proposed law relating to estates held in common; he also, on July 30, called the attention of the judges to the provision of the ordinance which empowered them to "adopt" the laws of the older states, and expressed it as his opinion that they were overstepping their authority in forming new laws in any case; "And when we do," he adds, "the necessity of the case only can be our justification." This opinion of the Governor was fully borne out, when, at a later period, the council found it wise to repeal by wholesale laws of their own making which had no foundation in the code of the older states, and adopt others which conformed to this requirement in their stead. — (St. Clair Papers).

Judge Varnum died in 1789.

## THE SECOND LEGISLATIVE COUNCIL.

(1789.)

---

THE ratification of the Constitution of the United States by a sufficient number of states having occurred during the latter part of the year 1784, and President Washington having assumed the reigns of government thereunder, it was construed to be the duty of the Executive to appoint such officers whose commissions, having been issued by the Congress under the old form of government, were held to have expired with that government. In pursuance of this conception of his duty, the President, in a letter dated New York, August 18, 1789, nominated for the officers of the Northwest Territory: Arthur St. Clair for Governor, and Messrs. Samuel Holden Parsons, John Cleves Symmes, and William Barton (vice Varnum deceased), Judges. The nominations were confirmed by the Senate of the United States, but Mr. Barton declining the appointment, the President nominated Mr. George Turner, who was confirmed on the eighth day of September.

There is no public record of the acts of the council during the year 1789. In November of this year, Judge Parsons, who was the Chief Justice of the court, was drowned in a ford in the Muskingum valley, while returning to the seat of government from a treaty council with the Indians of the Western Reserve.

### THE THIRD LEGISLATIVE COUNCIL.

(1790)

---

**T**HE year 1790 was marked by the sitting of the Council in the farther west, at the town of Vincennes (more generally known at that day by the name of "au Post"). Winthrop Sargent, Secretary and acting Governor, sat with Messds. Symmes and Turner, Governor St. Clair being absent in the eastern states, and no successor sitting in the room of Judge Parsons, who had been succeeded by General Rufus Putnam, Jr., of Marietta. This council, in its meeting at Vincennes, published the following laws, which were afterwards disapproved and ordered to be repealed by the Congress, as having no foundation in the older laws to which the territorial council was confined by the Ordinance of 1787.

July 19 — An act prohibiting the giving or selling of intoxicating liquors to Indians.

July 26 — An act restricting the sale of intoxicating liquors to soldiers, and to prevent the pawning or selling of arms, ammunition, clothing and accoutrements.

August 4 — An act suppressing gambling and making void all contracts and payments made in consequence thereof.

Removing to the town of Cincinnati, the council passed, in November, — Governor St. Clair having resumed his attendance with the body, and Secretary Winthrop retiring, — the following laws:

November 4 — An act to alter the terms of the General Court.

November 5 — An act to augment the terms of the County Courts.

November 6 — An act to authorize the Courts of Quarter Sessions to divide the counties into townships, and to appoint constables, overseers of the poor, and township clerks.

## THE LAWS OF 1791.

---

THE body to which has been given in this volume the designation of the Third Legislative Council, was permitted to serve with no change in its official membership, except that in the absence of the Governor his seat was occupied by the Secretary as Acting Governor, from the appointment of Judge Putnam in the winter of 1790 to 1796, when Judge Putnam resigned his seat on the bench and in the council to accept the office of Surveyor General of the United States to which he had been appointed by President Washington.

Messrs. St. Clair, Symmes and Turner affixed their signatures to the following laws in the year 1791, and caused the same to be published at Cincinnati:

June 22 — An act supplementary to the act of September 6, 1798, respecting crimes.

June 22 — An act for the punishment of persons who deface publications set up by authority.

June 22 — An act creating the office of clerk of the legislature.

June 22 — An act making the records of the courts of the United States evidence in the courts of this territory. •

June 29 — An act regulating the enclosures of ground; and on

July 2 — An act to amend the militia laws of 1788 as to days of muster, and fines for disobedience.

## THE LAWS OF 1792.

---

**T**HE session of the council for the year 1792 seems to have been held in Cincinnati prior to the first day of August, and including that day, Messrs. Winthrop Sargent (acting Governor), Symmes and Putnam signing and publishing the following bills:

August 1 — Granting licenses to merchants, traders, and tavern-keepers.

August 1 — An act creating the office of Treasurer General and of county treasurers.

August 1 — An act directing the manner of raising money to defray the expenses of the several counties.

August 1 — An act supplementary to the law of November 23, 1788, regulating marriages.

August 1 — An act to regulate the admission of attorneys.

August 1 — An act to empower the judge of the Probate Court to appoint guardians to minors.

August 1 — An act prescribing forms of writs and mode of procedure in civil cases.

August 1 — An act establishing the fees of judges of the Probate Court, of the Common Pleas Court, clerk of the Common Pleas, Probate, Orphans' and Sessions' Courts, of the Court of Quarter Sessions, General or Supreme Court, clerk of the same, attorneys, attorneys for the United States, witnesses, constables, coroners, sheriffs, criers, jailers, grand jurors, etc.

These laws are found in a published volume of the date of 1792, Philadelphia, and certified by Winthrop Sargent, Secretary.

## THE LAWS OF 1795.

---

**T**HE council sitting in 1795, in the town of Cincinnati, devoted the months of June, July and August to a careful revision of the code laws then in use in the territory, and by an act of repeal (See law of July 14 in list below) eliminated those laws to which, as exceeding the authority of the council, the Congress had objected, at the same time putting into operation new laws in their stead, which, by a careful citation of the authority of some one of the original states, attested the propriety of such act by council.

The sitting members of the council at this time were Governor St. Clair and Judges Symmes and Turner, who certified, and caused to be published at Cincinnati, on the dates mentioned in each case, the following, which, being printed by William Maxwell, printer of Cincinnati, came to be known as,—“THE MAXWELL CODE.”

## THE FOURTH LEGISLATIVE COUNCIL.

(1797.)

---

**I**N December, 1796, Judge Putnam, who had been appointed a brigadier general by President Washington in May, 1792, while a member of the territorial court, was again honored by the President and nominated for surveyor general of the United States. This appointment led to the resignation of Judge Putnam, who was succeeded on the bench by Joseph Gilman of Point Harmar.

This council has left no record of new legislation in this year.

## THE FIFTH LEGISLATIVE COUNCIL.

(1798.)

---

**J**UDGE TURNER, who had served the territory with distinguished zeal since his appointment (September 8, 1879) to succeed to the chair made vacant by the death of Chief Justice Parsons, resigned in the winter of 1797-8 and was succeeded by Return Jonathan Meigs, Jr., of Marietta. The council, as thus formed, met in Cincinnati April 23, 1798, and on the first day of May published the following new laws for the territory:

This was the last legislative act of the Territorial Council.

## THE FIRST SESSION OF THE FIRST TERRITORIAL LEGISLATURE.

---

**I**N the year 1798, Governor St. Clair, having by personal visits to the several settlements, become satisfied of the presence of the necessary five thousand white male inhabitants in the territory, issued his proclamation to the people calling for the election of representatives to a general assembly to be convened at Cincinnati on the fourth day of February, 1799. This general assembly, under the ordinance of 1787, must consist of a House of Representatives, together with a Legislative Council of five members to be appointed by the President of the United States, from a list of ten names to be submitted to him by the House of Representatives when so elected. The representatives were chosen in accordance with the proclamation of the Governor, and on assembling at Cincinnati on the day named in the proclamation, February 4, nominated the members of council, and adjourned to meet in Cincinnati on the sixteenth of the following September, in order that the President would have an opportunity to act. Of the ten names submitted for his inspection and approval, the President nominated to the United States Senate as members of the Territorial Council (or upper house) : Jacob Burnet and James Findlay of Cincinnati ; Henry Vanderburgh, of Vincennes ; Robert Oliver, of Marietta, and David Vance, of Vanceville.

 Smith, John, of Hamilton County (Cincinnati).  
 Tiffin, Edward, of Ross County (Chillicothe).  
 Viscar, Jacob, of Wayne County (Detroit).  
 Worthington, Thomas, of Ross County (Chillicothe).

The two houses having met and organized by the election of their officers, on the sixteenth of September, on the following day Governor St. Clair addressed the legislature in eloquent terms, congratulating the body and the Territory on the new form of legislative government in which the people now had a direct voice in the conduct of affairs. Jacob Burnet, a member of the council, writing after the lapse of a half century, says in his "Notes on the Northwest Territory" (Cincinnati, 1847): "He laid before them a full and faithful view of the condition and the wants of the Territory, and recommended to their attention such measures as he believed were proper to advance the prosperity and happiness of the people" (p. 300).

Governor St. Clair had been in active discharge of the duties of the chief executive of the Territory continuously since he had supervised the dispatch of the first settlers to the then unsettled west in 1788; he had joined the first colony at Marietta within three months of its arrival (July, 1788), and had been one of the legislators for the colonies up to the time of the meeting of this first territorial assembly; out of the experience of over eleven pioneer years, the governor spoke to the legislators of the work before them, as no better equipped man could speak, for there was no man of better equipment for the duty. Of Governor St. Clair's influence at this time Mr. Burnet says (p. 378): "And it may be said with great truth, that at the time he addressed the First Territorial Legislature in 1799, he possessed as great, if not a greater share of the confidence and respect of the people of the Territory than any other individual residing in it."

*The First Session of the First Territorial Legislature.*

---

This being the first session of any representative legislative body in the Territory, the transition from the first to the second grade of government involved a general revision of the laws in force; new laws to meet the changed conditions; new officers and new duties for those already established; and a plan must be conceived by which to meet the increased expenditures of a semi-independent government. Many of the members being inexperienced in legislative matters, the active work of the session fell on a few of the men who had been most closely identified with the previous history of the settlements.

On the third of October the two houses in joint session elected William Henry Harrison as delegate from the Territory in the Congress of the United States, his election being contested by Arthur St. Clair, Jr., who was beaten by one vote. Captain Harrison was secretary of the Territory at the time of his election, Mr. St. Clair, son of the Governor, being its attorney. Mr. Harrison resigned his position as secretary and at once proceeded to his duties in the Congress.

It is hard to present the history of this session of the legislature in the limits allowed in a publication of this nature. The existing laws were a poor apology for a code; the Ordinance of 1787 formed a broad and liberal basis for the government which has since grown up under its provisions, but there was much legislation needed to supplement and make practical its several declarations. The governor and the judges had selected or made laws, from time to time, neglecting many important interests, and imperfectly providing for others which were touched upon; one of the statutes of Virginia had been adopted which put in operation the English common law and certain English statutes of a date prior to the fourth year of the reign of James I; statutes from the original states had been called upon to supply, in whole or in part, contributions to the code of statute law in the Territory, and there fell upon the legislature at this first session the duty of "repealing, amending, enacting and supplementing," in such manner as appealed to the best judgment of the pioneers who composed the body, until on their adjournment on the nineteenth day of December, 1799, there had been laid the foundation for much of the subsequent public law in the Territory and in those states which have been carved out of it.

Following is a summary of the acts of this assembly:

The above was taken from the printed laws of the territorial legislature, as printed by Carpenter & Findlay at Cincinnati, 1800. The book is now in possession of the Supreme Court Library in Columbus. The clerk of the House certifies in this book that Solomon Sibley was appointed a committee to superintend the printing of the laws of the session, on December 5. Mr. Sibley certifies, May 7 following, that he has carefully compared the printed laws with the original enrolled bills, and finds them to agree. The act bears the signatures of Edward Tiffin, Speaker of the House of Representatives, H. Vanderburgh, President of the Council, and are approved by Ar. St. Clair, Governor.

## THE SECOND SESSION OF THE FIRST TERRITORIAL LEGISLATURE.

(CHILLICOTHE, NOVEMBER 3, 1800.)

**I**T was in connection with the work of this first session of the legislature, that the signs of approaching disagreement with the governor made their appearance. Governor St. Clair assumed that he was a branch of the assembly and that he had an absolute right to veto the acts of the two houses. He claimed the right, as governor, to lay out and change the boundaries of counties under the Ordinance of 1787, regardless of the expressions from the legislature and was no doubt sincere in his efforts to perform that which he looked upon as his sworn duty. The result of his action was, however, to bring about a strained relation which only grew in force as time went on. Judge Burnet says, in the book already quoted: "The effect of the construction he gave of his own power may be seen in the fact that of thirty bills passed by the two houses during the first session, and sent to him for his approval, he refused assent to *eleven*; some of which were supposed to be of much importance, and all of them calculated, more or less, to advance the public interest. Some of them he rejected because they related to the establishment of new counties; others because he thought they were unnecessary or inexpedient. Thus, more than a third of the fruits of the labor of that entire session was lost by the exercise of the arbitrary discretion of one man." (p. 376.)

In this connection it may be well to add that the governor was not sustained in his position when he submitted to the Senate of the United States his report of new counties laid out after the legislature of the Territory had come into existence. It was held that the governor of the Territory had exhausted his authority when he had once laid out the whole territory into counties (which Governor St. Clair had done early in his administration) and that subsequent rearrangements or divisions vested solely in the territorial legislature. This decision was not reached in time to prevent a recurrence of the differences between the governor and the legislature at its second session in 1800, but was gratifying to those members who had been engaged on the legislative side of the question during the first two sessions.

The legislature stood prorogued to meet in Cincinnati on the first Monday in November, 1800. By reference to an act of the Congress of the United States, May 7, of that year (See Part One), it will be noticed that after the adjournment of the first session of the legislature, the Northwest Territory was divided by a line running due north from the

mouth of the Kentucky River, into an eastern part which retained the old name and government, and a western part which was given the name of THE TERRITORY OF INDIANA, and a new government of the first grade established therein, the officers of which were to be appointed by the President. This act of Congress was acquiesced in by the Governor and legislature of the Territory with great reluctance, and was regarded by the best men in the Territory to be an unwarranted assumption of legislative power on the part of the Congress. President Vanderburg of the council was thus legislated out of office and became a citizen of the new territory. Representatives Shadrack Bond, of St. Clair County John Edgar, of Randolph County, and John Small, of Knox County, also lost their seats in the House of Representatives for the same reason, and the constituents of these gentlemen were summarily deprived of a voice and a membership in that local territorial government, for which they had but recently voted. The seat of government for the new territory was fixed by Congress at Vincennes, and the same act named the village of Chillicothe, instead of the already established capital at Cincinnati, as the seat of government for the old territory. It was charged that this act of Congress was urged by two or three ardent and aggressive spirits who hoped to bring about an early state government in Ohio, and were already planning to accomplish the removal of Governor St. Clair and his administration.

Pursuant to the call issued by the Governor under the new order, the members of the legislature met in Chillicothe on the third day of November, 1800. This was almost exactly one hundred years ago, it being an interesting fact that the editor writes these lines on the twenty-sixth day of October, 1900. The council met in the house of Joseph Tiffin, the council chamber in the new capitol not being ready for occupancy. As there is no record to the contrary, it is probable that the representatives were better provided for. The composition of the legislature at this second session was as follows:

## IN THE COUNCIL.

Jacob Burnet, of Hamilton County (Cincinnati).  
Robert Oliver, of Washington County (Marietta).  
David Vance, of Jefferson County (Vanceville).  
James Findlay, of Hamilton County (Cincinnati).

Mr. Vanderburg, of Vincennes, having for reasons already given, lost his seat in the council, Mr. Oliver was elected president of that body. Mr. William C. Schenck (secretary of the Territory) acting as secretary to the council, and William Rutledge being elected door-keeper. To fill the vacancy in council, the Governor requested the House of Representatives to nominate to the President of the United States two names

from which to make a selection, and on the ninth of November the names of Solomon Sibley, of Detroit, and Samuel Findlay (Finley?), of Cincinnati, were chosen. The seat remained vacant until the session of 1801, owing to the time necessarily consumed in forwarding the nominations to the national capitol and in returning the appointment to the Territory.

## IN THE HOUSE OF REPRESENTATIVES.

The following members were present or took their seats at a later day:

Benham, Robert, of Hamilton County.  
Chobert de Joncaire, Charles F, of Wayne County (Detroit).  
Darlington, Joseph, of Adams County.  
Fearing, Paul, of Washington County.  
Findlay, Samuel, of Ross County.  
Goforth, William, of Hamilton County.  
Kimberly, Zenas, of Jefferson County.  
Langham, Elias, of Ross County (Contested seat).  
Ludlow, John, of Hamilton County (Vice Cadwell, removed from the Territory).  
Lytle, William, of Hamilton County.  
McMillan, William, of Hamilton County.  
Martin Isaac, of Hamilton County.  
Massie, Nathaniel, of Adams County (Seated November 10).  
Meigs, Return J., Jr., of Washington County.  
Pritchard, James, of Jefferson County.  
Sibley, Solomon, of Wayne County (Detroit).  
Smith, John, of Hamilton County.  
Tiffin, Edward, of Ross County.  
Visgar, Jacob, of Wayne County (Detroit).  
Worthington, Thomas, of Ross County.

Edward Tiffin was elected Speaker of the House.

One of the first duties devolving on the legislature was the election of a delegate to Congress to succeed Captain William Henry Harrison, who had resigned to accept the appointment as governor of the territory of Indiana, and also to elect a delegate for the long term beginning on the fifth day of March, 1801. On the sixth day of November the two houses met in joint session in accordance with a previous resolution to that effect, and elected as delegates to Congress: William McMillan, of Hamilton County, for the unexpired term ending March 4, 1801, and Paul Fearing, of Washington County, for the term ending on the fourth day of March, 1803.

As will be noticed, the selections were made from the members of the House of Representatives.

---

*The Second Session of the First Territorial Legislature.*

---

Mr. McMillan at once resigned from the House and proceeded to his new duties.

The work of legislation was begun with mutual expressions of regard between the Governor and the members of the assembly, notwithstanding the differences of the preceding winter. On November 5, the Governor visited the joint assembly and delivered an annual message of kindly tone in which he spoke of the near approach of the end of his term of office and of their own. He mentioned the efforts of his adversaries only to remark: "The remorse of their own consciences will one day be punishment sufficient. Their acts may, however, succeed. Be that as it may, this I am certain, that, be my successor who he may, he can never have the interests of the people of this Territory more truly at heart than I have had for them, nor labor more assiduously for their good than I have done; and I am not conscious that any one act of my administration has been influenced by any other motive, than a sincere desire to promote their welfare and happiness."

To this the assembly drafted its formal reply and asked the Governor to fix an hour when he could receive the committee and hear the same. On receiving an intimation of his convenience, the committee formally waited on him in the executive chamber at 10 o'clock a. m., Monday, November 17, and afterward returned to their respective houses bearing with them the formal reply of his excellency to their address. This second communication from St. Clair is a feeling response to the expressions of confidence in which the House had clothed its message to him.

Governor St. Clair, in a message to the House December 2, 1800, calls to their attention the fact that, as his term of office expires in one week from that day, it will be necessary that the session must end on that day, and therefore any business of importance to be transacted should not be too long postponed. He says in this case, the Secretary of the Territory can not supply to the Assembly the place of a Governor.

French inhabitants of the County of Wayne presented to the House, December 4, a petition in French language which was referred to Messrs. Kimberly and Visger for translation. (p. 95.) This committee reported later in the day that the petition was for a redress of certain grievances, and it was referred to the Committee on Propositions and Grievances.

A proposition was submitted that the assembly should hold its sessions in rotation as follows: The first session to be held in the town of Marietta, the second in the town of Cincinnati, and the third in the town of Chillicothe. This was agreed to by the House, 10 to 8.

A motion to hold the sessions in Cincinnati was lost, 4 to 14. The bill was finally defeated by striking out the enacting clause, on a vote not given. (p. 109.)

Adjourned by the Governor, December 9, 1800. (S. J. p. 77.)

*The First Session of the Second Territorial General Assembly.*

---

The House organized on the twenty-fourth of November by the election of the following officers: Edward Tiffin, Speaker; John Reilly, Clerk.

The seats of Messrs. Scheiffelin and McDougall, of Wayne County, were contested, but they were declared to be entitled to their seats.

The finances of the Territory were in such condition that the governor, who had been reappointed during the adjournment of the assembly, in his address at a joint session of the two houses called to be held in "Mr. Gregg's Hall" for the purpose said: "The Territory is in debt in the sum of \$5,419 beyond the whole revenue for the present year. A new emission of bills (of credit) must be made, even to meet the expenses of the present session. A wretched expedient, it is true, because the bills suffer a depreciation in the hands they pass through, and the public pays the full interest."

During this session of the General Assembly, a bill was passed transferring the seat of government to Cincinnati, from which city it had been removed by a provision in the territorial act of 1800, and as an expression of feeling on the part of the local inhabitants, a number of the members of the legislature, and also the governor, were set upon in Chillicothe on the twenty-fifth and twenty-sixth of December. The matter was made a subject for official investigation.

At 12 o'clock noon, on January twenty-third, the Council attended the chamber of the House of Representatives in a body where the joint assembly was addressed by Governor St. Clair, and adjourned by him to meet in second session in Cincinnati on the fourth Monday of the following November. (1802). It should be noted here, that this proposed second session of the second and last territorial legislature was never held. The reason is given in the following interesting extract from the memoirs of a member of the Council speaking of the first constitutional convention:

"As the territorial legislature was in existence, and stood adjourned to meet at Cincinnati on the fourth Monday in November, three weeks after the opening of the convention, a resolution was passed, directing their president to request the governor to dissolve or prorogue that body. Such a precaution was altogether unnecessary, as no disposition existed among the members, either to embarrass, or in any way interfere with the movements of the convention. That such a disposition did not exist was verified by the fact that the day for the meeting of the legislature came and passed; the members remaining at home as by common consent. No attempt was made by the governor, or by any of the members, to convene that body, till its existence was terminated, and it was succeeded by the General Assembly under the State Constitution." (Notes on the Northwestern Territory, 1847, by Judge Jacob Burnett, a member of the Territorial Council.)

The salaries of the governor and territorial judges were paid by the general government until the adoption of the Constitution of Ohio, but the other expenses of the local government were paid by the Territory. This bill appropriates the sum of twelve thousand dollars for what is called a contingent fund, and then provides for its disbursement in detail. Some of the items are interesting as conveying information as to the nature and amount of the territorial expenses a hundred years ago.

The governor is allowed fifty dollars for postage "upon letters of a public nature."

## THE QUESTION OF THE BOUNDARY OF THE STATE.

---

**T**HE question of boundary, though not expressly referred to the convention (The Constitutional Convention of 1802) was one of greater importance than would appear at first view. It is generally known to those who have consulted the maps of the western country extant; at the time the Ordinance of 1787 was passed, that Lake Michigan was represented as being very far north of the position which it has since been ascertained to occupy. On a map in the Department of State (at Washington) which was before the committee of Congress who formed the ordinance for the government of the Territory, the southern boundary of that lake was laid down as being near the forty-second degree of north latitude, and there was a pencil line passing through the southern bend of the lake, to the Canada line, which intersected the strait between the River Raisin and the town of Detroit. The line was manifestly intended by the committee, and by Congress, to be the northern boundary of this state; and that map, and the line marked on it, should have been taken as conclusive evidence of the boundary, without reference to the actual position of the southern extreme of the lake.

When the Convention was in session in 1802, it was the prevailing opinion that the old maps were correct; and that the line, as defined in the ordinance, would terminate at some point on the strait far above the Maumee Bay; but, while that subject was under discussion, a man who had hunted many years on Lake Michigan and was well acquainted with its position, happened to be in Chillicothe, and in conversation with some of the members, mentioned to them that the lake extended much farther south than was generally supposed; and that a map he had seen placed its southern bend many miles north of its true position. His statement produced some apprehension and excitement on the subject, and induced the convention to change the line prescribed in the act of Congress, so far as to provide, that if it should be found to strike Lake Erie below the Maumee River, as the hunter informed them it would, then the boundary of the state should be a line drawn from the point where the prescribed line intersected the west boundary of the state, direct to the most northern cape of the Maumee Bay. That provision saved to the State of Ohio the valuable ports and harbors on the Maumee River and bay, which were the prize contended for in the "Michigan war of Governor Lucas." Yet some of the members (of the Convention) hesitated in making the provision, lest it might cause delay; but fortunately it was adopted and its object is now secure." (Burnett's "Notes on the Northwestern Territory," 1847, p. 360.) (See also the language of the Acts of Congress, 1800, 1802-1812, quoted in Part I of this publication.—

## THE GENERAL ASSEMBLY OF THE STATE OF OHIO.

(1803-1901.)

---

THE third legislative body to come into power in the territory comprised in the present state was the General Assembly of the State of Ohio, which, following the adoption of the State Constitution and the admission of the state into the Union of States, was organized for its first session, on the first day of March, 1803.

The legislative body thus inaugurated has been an enormous factor for good in the onward and forward progress of Ohio during the past hundred years. *No group of men have served the state with so little personal gain as have her legislators.* No body of public men has done so much to encourage morality, industry and patriotism. The wonder of it is, — *not* that legislators have occasionally made personal mistakes, — but that in no matter what strait or dilemma, Ohio has always had in her service, practically without compensation, so many men who were not only patriots, but men who exhibited the wisdom and had the courage to handle the affairs of state with honor to themselves, to their constituents and the name of an Ohioan. When the enormous power of a General Assembly is fairly understood, the more honor is found to be due those men who, since the first settler landed on the western bank of the Ohio, in 1788, have never used that power as a body, except to advance the state in dignity and in prosperity, and in evidences of fealty in every hour of danger to the general government. More or less acquaintance with members of recent assemblies, and a quite studious attention to the records of the past century in Ohio, gives point to these observations.

## INTRODUCTORY.

---

**T**O the Executive Department of the State is committed the active administration of public affairs. Called into existence by the legislative department, it is subject to the limitations fixed by law, and to the interpretations of the law by the judiciary of the state.

Beginning with the appointment of Governor Arthur St. Clair, by the Congress in October, 1787, this department (of that territory which is now the state of Ohio) has been graced and dignified by the services of some of the most honored names in the history of the American Republic.

## THE GOVERNOR.

### SKETCH OF THE GOVERNOR.

**G**EORGE K. NASH, the present Governor of Ohio, (see part I facing page 7) was born in Medina County, August 14, 1842. His early life was spent on the farm where his parents settled after emigrating from Massachusetts. His early education was obtained at the district schools of his township, where he prepared for college, entering Oberlin at the age of twenty. During his sophomore year at this institution the great struggle between the North and South had reached a crisis, and like many of the patriotic youth of his time, he felt it his duty to respond to the call to arms. Accordingly he enlisted as a private in the 150th O. N. G., serving with his characteristic integrity and thoroughness until discharged. Immediately after the close of the war, he began the study of law, and in 1867 was admitted to the Bar.

Since that time his career as a lawyer has been one of steady advancement and increasing renown. In 1870 he was elected Prosecuting Attorney of Franklin County and at the end of the term was chosen to succeed himself. In 1877 he was the Republican candidate for Attorney General, and though defeated with his party, he made a gallant fight. In 1879 he again ran for the same office and was elected. Four years later he was re-elected, thus holding the important and honorable position of Attorney General for a period of four years. Further and higher honors awaited him. In 1883, Governor Foster, who while Chief Executive during Attorney General Nash's two terms had been his warm friend and supporter, appointed him a member of the Supreme Court Commission, which body was created to aid the Supreme Court in completing unfinished work. This commission sat for two years and when its work was finished, Judge Nash, as he then became known, returned to the practice of the law.

Although taking a great interest in politics and doing much work for his party in various capacities, the duties of his profession consumed by far the greater portion of his time. In the campaign of 1899 he became a candidate for nomination for Governor, and at the convention held in Columbus in the following June was successful, being nominated on the second ballot by 461 votes out of a total of 820 cast. The following November, after a spirited and interesting campaign, he was elected Governor by a plurality of 49,000 votes.

### THE OFFICE OF GOVERNOR.

The Constitution of Ohio provides that "The supreme executive power of the state shall be vested in the Governor."

---

*The Governor.*

---

He is elected by the people for a term of two years. He must be an elector and not hold any other office under the authority of the State or the United States. In case of death, removal or other disability, the Lieutenant Governor shall execute the office of Governor. The Governor must see that the laws are faithfully executed and may request of the executive officials reports of their respective departments. He may convene the General Assembly upon extraordinary occasions.

At every session of the General Assembly he must report the condition of the state by message, recommending therein such legislation as may to him seem proper. He may convene the General Assembly upon extraordinary occasions. He may adjourn it in case of disagreement upon this subject between the two branches thereof.

The Governor is Commander-in-Chief of the army and navy and custodian of the Great Seal of the State.

He may grant reprieves, commutations and pardons.

Such briefly, are the constitutional provisions relating to the Chief Executive. It will be observed that the customary veto power is withheld.

In addition to the powers conferred and duties imposed upon the Governor by the Constitution, are those which the General Assembly has seen fit to provide by statute, and it is through these that the greater portion of the actual duties of this office arise, and most of the appointive powers of the Governor. As Commander-in-Chief of the army and navy, it seems appropriate that he should appoint the Adjutant General, and the sixteen other members of his military staff.

There are certain state officers not created by the Constitution whose chief incumbents are named by the Governor and by and with the advice and consent of the Senate appointed. Such are the Commissioner of Insurance, Commissioner of Railroads and Telegraphs, Commissioner of Labor Statistics, Inspector of Workshops and Factories, Chief Mine Inspector, State Fire Marshal, Chief Examiner of Stationary Engineers, State Pension Claim Agent, and Chief Engineer of Public Works.

There are numerous commissions, such as the Canal Commission, Shiloh Battlefield Commission, and Fish and Game Commission, containing from two to seven members each, with terms varying from one to five years, have been created by law. Here vacancies are constantly occurring to be filled by the Governor, who is frequently called upon when the General Assembly provides for some new commission, to appoint an entire board.

The Governor is ex-officio the President of the State Board of Charities, composed of six members, who are appointed for a term of three years. This Board exercises a general supervision of the State institutions, and is of valuable aid to the Governor in overseeing the numerous large state properties. There are thirteen benevolent, two penal and

*The Governor.*

two corrective institutions in this state. Each of these is managed by a board of trustees, composed of six members appointed by the Governor by and with the advice and consent of the senate for a term of five years.

Recurring to the duties of this office, we find the Governor, of necessity, a busy man. The actual duties of the office occupy much of his time, while the constant and pressing demands made by the general public leave him few spare moments. He must examine, pass upon and issue requisition papers, investigate applications for pardons, commutations and reprieves, certify under the Great Seal of the State as to the official character of numerous state and county officials; upon application commission notaries public and commissioners of deeds, and, with few exceptions, commission all elective officers, both civil and military. He must attend board meetings, counsel heads of departments, maintain a general supervision of all the great state institutions, examine, approve and sign numerous state papers, preside at public meetings, answer requests for all and any information, hear and dispose of complaints against individuals and institutions, and keep a constant watch over the affairs of state. All of this entails the keeping of numerous records, the assorting and filing of many papers and constant attention to a large correspondence. To aid him in his work the Governor has a Private Secretary, three clerks and a messenger.

## THE LIEUTENANT-GOVERNOR.

**J**OHN A. CALDWELL was born in Fair Haven, Preble county, Ohio, April 1, 1852. He received a common school education in his native village, supplemented by a course in mathematics and Latin. He graduated from the Cincinnati Law School in 1876, and taught school during the fall and winter of 1877, and in the spring of 1878 entered upon the practice of law in Cincinnati. Mr. Caldwell was elected prosecuting attorney in 1881 and again re-elected in 1883. In 1885, Judge Fitzgerald, a man of great popularity, defeated Mr. Caldwell for police judge of Cincinnati, but in 1887 he, in turn, defeated Judge Fitzgerald for the same office. Before he completed his term as police judge, he was elected to represent the Second Ohio district in Congress. He was re-elected in 1890 and 1892.

As congressman from the Second district, he was conspicuous as an advocate of all measures to protect the workingmen, and afford justice and relief to the soldiers. He strongly advocated the eight-hour bill, under the provision of which government contractors are prevented from forcing their men to work more than eight hours. He is the author of the bill to prevent the desecration of the American flag, and also of the Anti-Lottery bill. He made the favorable report that secured the enactment of the Car Coupler law, requiring all railroad companies to adopt safety couplers on all trains engaged in interstate commerce. He successfully

*The Lieutenant-Governor.*

advocated the reclassification of the various postal employes, under which all railway postal clerks and letter-carriers are now working. He took a firm stand against the employment of convict labor on government contracts, and was the author of a bill to require all prison-made goods, of whatever character, to be stamped, so as to show where and in what prison they were manufactured. While Judge Caldwell was serving his third term in Congress he was unanimously elected Chairman of the Congressional Campaign Committee.

When it became necessary to Republican success in Cincinnati that the party select as its candidate for mayor the strongest possible man before the people, Judge Caldwell was nominated to head the municipal ticket, and he patriotically put aside his congressional career, and was elected mayor of Cincinnati.

The Washington correspondent of the *Ohio State Journal*, writing of the Lieutenant-Governor, says, "He should have remained in Congress where he was establishing a career of usefulness and ability."

The office of Lieutenant-Governor was created by the second Constitution of Ohio (1851) by which he is made the President of the Senate, (at the nominal salary of \$800 per annum) with power to vote in that body only in the event of a tie. In case of the death, resignation, or disability of the Governor, he becomes his successor for the remainder of their mutual term, or until his successor is elected and qualified.

## THE PRIVATE SECRETARY TO THE GOVERNOR.

**F**REDERICK N. SINKS, Private Secretary to Governor Nash, was born in Columbus, August 24th, 1872. His early education was obtained at the public schools of that city. Later he attended preparatory schools, where he fitted himself for college, entering Yale University in the year 1890, and being graduated there from in 1894.

Soon after he entered the Law School of the Ohio State University, completing his course in June, '98, when he was admitted to the bar.

While pursuing his legal studies, and subsequent thereto, he was under the tuition of Governor Nash, being associated with him in his law office.

During this time a warm personal friendship grew up between them, which resulted in the appointment of Mr. Sinks as Secretary. In June, 1899, Mr. Sinks married Miss Katharine Thurman, of Columbus.

## PRIVATE SECRETARY TO THE GOVERNOR.

The duties of the private secretary to the Governor are, as the name implies, of a personal rather than a public character. The official compensation of \$800.00 per annum is but a partial compensation for the importance of the position. The following list of private secretaries is apparently incomplete, as no sufficient record exists prior to 1867 of the gentlemen who acted in this capacity.

## THE ADJUTANT-GENERAL.

THE department of the Adjutant-General is, as its name implies, the headquarters of the National Guard of Ohio, of which the Governor is *ex-officio* Commander-in-Chief. Under the law, the Adjutant-General is appointed by the Governor for a term of two years, ranks as Brigadier-General, and is, by virtue of his office, the Inspector-General and Chief of Staff. He is Superintendent of the State Capitol building and grounds, under a comparatively recent law by which the office of Superintendent was abolished and merged into the office of the Adjutant-General. In time of peace, the Adjutant-General also performs the duties of the Quartermaster-General, unless otherwise ordered by the Commander-in-Chief.

## THE ARCHÆOLOGICAL AND HISTORICAL SOCIETY.

### A BRIEF HISTORY.

**D**URING the year 1875, an archæological society was formed at General Brinkerhoff's home, in Mansfield, Ohio. The society, through the efforts of General Brinkerhoff, received an appropriation from the Legislature of two thousand five hundred dollars, to be expended in making an exhibit at the Centennial Exposition at Philadelphia. Prof. John T. Short, of the Ohio State University, was secretary of the society, and it flourished under his secretaryship until his untimely death, when the society became dormant and practically inoperative. Governor Hoadly, who took an active interest in all matters pertaining to the archæology and history of the State, upon his accession to office conferred with Mr. A. A. Graham and suggested a revival of the old society. A meeting for the purpose of carrying into effect this suggestion was convened at the Secretary of State's office, on the twelfth day of February, 1885, and it was decided to extend to all persons in the State interested in the formation of such a society, an invitation to meet on the twelfth day of March following, at Columbus, Ohio. In response to the circulars sent out, some sixty gentlemen from all parts of Ohio, representing the various departments of scholarship, convened on the day specified in the Library Room of the State Capitol. The meeting having been called to order by Hon. S. S. Rickley, the Hon. Allen G. Thurman was made President, and Mr. A. A. Graham elected Secretary. This convention continued in session for two days, and resulted in perfecting an organization known as *The Ohio State Archæological and Historical Society*, which was duly incorporated on the 13th day of March, 1885. The articles of incorporation succinctly set forth the purposes and aims of the society, as follows:

1. The name of such corporation shall be *The Ohio State Archæological and Historical Society*.

2. Said corporation shall be located and its principal business transacted at the City of Columbus, County of Franklin, and State of Ohio.

3. Said society is formed for the purpose of promoting a knowledge of Archæology and History, especially of Ohio, by establishing and maintaining a library of books, manuscripts, maps, charts, etc., properly pertaining thereto; a museum of prehistoric relics and natural or other curiosities or specimens of art or nature promotive of the objects of the Association—said library and museum to be open to the public on reas-

onable terms—and by courses of lectures and publication of books, papers and documents touching the subjects so specified, with power to receive and hold gifts and devises of real and personal estate for the benefit of such Society, and generally to exercise all the powers legally and properly pertaining thereto.

4. Said Society has no capital stock.

The Articles of Incorporation were signed by twenty-eight persons.

## THE ATTORNEY-GENERAL.

**J**OHAN M. SHEETS was born near Columbus Grove, Putnam county, Ohio, May 26, 1854. His father was a Pennsylvanian, of German ancestry; his mother a New England Yankee. He was educated in the public schools, and at the age of twenty began teaching. Afterwards he attended the Union school at Columbus Grove, and in the fall of 1876 entered the freshman class in Baldwin University, at Berea, Ohio. He completed a four-years' course in three, besides taking a number of elective studies. Mathematics being his special forte, he took every branch taught in the University, save one.

In the fall of 1879 he entered the law department of the University of Michigan, and graduated in March, 1881. On April 5 following, he was admitted to the bar by the Supreme Court of Ohio, and opened an office in Ottawa, where he now resides, and where he soon acquired and now enjoys, an extensive practice.

In 1893, as the candidate of the Republican party, he was elected judge of the Common Pleas Court in the sub-judicial district composed of the counties of Fulton, Henry, and Putnam, being the first Republican ever elected in that sub-division. On account of the fact that the district was so overwhelmingly Democratic, no Republican would accept

the nomination previous to this time, but Mr. Sheets, with his characteristic courage, accepted the nomination, and as an evidence of his popularity among the people of the counties composing the sub-division, he was elected by over 1700 majority; he was renominated in 1898, and although the Democratic majority on the general ticket was 2086, Judge Sheets came within thirty votes of being again elected.

On assuming the office of judge, he found the court very greatly overcrowded with business, so much so, indeed, that several unsuccessful attempts had been made to secure legislation authorizing an additional judge in said sub-division; but Judge Sheets developed an unusual capacity for the despatch of business, and in a short time, the docket was cleared. His business methods were very popular, and his services on the bench were in demand. He has received very many high compliments, from both the bench and the bar, as well as from the press of his district, on his ability as a judge, and on his conspicuous business methods.

While a student at the University of Michigan, he became acquainted with Miss Mary E. Scott, also a student at the same University, to whom he was married March 22, 1882, and has a family of five daughters.

John M. Sheets, as boy and man, always enjoyed the confidence and esteem of his associates, and this was never more striking than in his student days at Ann Arbor; and as an instance, his acquaintanceship with Hon. H. M. Daugherty is conspicuous. They first met as students at the University, and their relations developed a close personal friendship which has ever since continued. They were students in the same class, and graduated at the same time, and it was a pleasant surprise to both when they met in the same class for examination for admission to the bar, where they were both admitted to the practice of the law.

At the Republican State Convention at Columbus, held June 1 and 2, 1899, after a spirited contest, he was, on the third ballot, nominated the candidate for attorney general; his nomination before the call of the roll of the counties was completed, being made unanimous by acclamation. Judge Sheets has always been an active, aggressive Republican, never hiding his light under a bushel, but withal, a liberal and fair opponent.

## THE AUDITOR OF STATE.

**W**ALTER D. GUILBERT was born in Guernsey County, Ohio, of French-Irish ancestors, and was reared on a farm. His great-grandfather on the maternal side settled in Maryland about 1750 and played an active part in the Revolutionary War. He was wounded several times, and at the battle of Brandywine only escaped capture by the thoughtfulness of his comrades, who carried the wounded man to a swamp and securely hid him until the British had withdrawn. The father of Mr. Guilbert came to this country from France when a youth and settled in Guernsey County.

The subject of this sketch was educated in the public schools and at Wenona Academy, Illinois. He was twice elected Auditor of Noble County, Ohio, and proved himself a most capable official. In 1888 he became chief clerk in the Auditor of State's office, continuing in that position until 1896, when he succeeded to the important office of Auditor of State, having been nominated by the Republican party and elected in the fall of 1895. In his career as a public officer, Mr. Guilbert is a genial, patient and painstaking official, combining with these virtues an earnest intention to perform his duties in such a manner as to insure the best results for the people of Ohio. It is no flattery to say that his manner of transacting the business of his department has made him one of the most popular men who ever occupied a position in the

state capitol. He was renominated unanimously in 1899 and elected by an increased plurality for a second term on which he entered in January 1900. Mr. Guilbert has been active in the affairs of his party having served as chairman of his county committee for a number of years, and as a member of the state executive committee. He was also a delegate to the national republican convention in 1888.

Mr. Guilbert was married February 5, 1868, to Miss Mary L. Jordon, of Noble County. They have a family of three children, two sons and one daughter. He is connected with a number of secret and social organizations, being a Mason, a Knight Templar, a member of the Mystic Shrine, of the I. O. O. F., of the K. of P., and I. O. R. M.

#### DUTIES OF THE AUDITOR.

The Auditor of State is elected every four years, and is the chief accounting officer of the State. No money can be paid into or out of the State Treasury except upon his warrant. He is custodian of all field notes, maps, records, documents, papers and implements of every description relating to or used in the survey of the public lands within the State, and is required by law to keep a record of deeds executed by the Governor. He is required to prepare all forms and instructions for county officers, and county officials are required, by law, to use such blanks and obey such instructions. He is required to audit all requisitions, vouchers and claims against the State, and pass upon the validity and correctness of the same before issuing his warrant on the State Treasury for payment. He is required to direct suit to be brought against delinquent revenue officials, and look after and see to the collection of all claims in favor of the State. He may remit illegal taxes or penalties and direct that tax duplicates be corrected.

The work in the office has been greatly increased since the present auditor went into office as chief clerk in 1888 by reason of the determination to add to the revenues of the State by traffic and excise taxes, which should meet the growing needs of the State Government, and forever prevent an increase in the common burden of taxation upon private individuals and small property holders. The work of putting various revenue acts in operation fell upon this department as follows:

In 1889 the liquor traffic tax act giving the state a portion of the tax was passed and put in operation. In 1896 this act was amended increasing the tax, which now yields as the state's portion over one million dollars annually.

In 1893 what is known as the Nichols law, taxing express, telegraph and telephone companies, was passed and put in operation, which yields to the state and counties annually more than \$30,000,000.

In 1894 an act levying an excise tax on gross receipts of express companies was passed and put in operation, which brings into the State Treasury about \$12,000 annually.

In 1894 an act taxing sleeping car companies was passed and put in operation, which brings into the State Treasury \$5,500 annually.

In 1896 a law was passed taxing freight line companies, which brings into the state \$8,000 annually.

In 1896 an act levying an excise tax on the gross receipts of all public corporations (electric light, gas, natural gas, pipe line, water works, street railroads, railroads and messenger or signal companies), which yielded last year for state purposes the sum of \$569,539.

## THE STATE BOARD OF ARBITRATION.

**O**RGANIZED May 29, 1893, under an act of the previous session of the General Assembly of Ohio, Governor McKinley having appointed as members of such board, the Hon. John Little (R.), ex-member of Congress, from Greene County, the Hon. Selwyn N. Owen, ex-Chief Justice of the Supreme Court of Ohio, and Joseph Bishop, a representative of the Trades Unions, both of the latter from Franklin county. Mr. Owen was elected Chairman of the Board, and Mr. Bishop Secretary, and these officers have served uninterruptedly by reappointment and re-election. Mr. Little died October 18, 1900, and in his stead the Governor appointed the Hon. R. G. Richards, of Steubenville, a former Lieutenant-Governor of Ohio. There have been no other changes in the board since its creation in 1893.

### 1. OBJECT AND DUTIES OF THE BOARD.

The State Board of Arbitration and Conciliation is charged with the duty, upon due application or notification, of endeavoring to effect amicable and just settlements of controversies or differences, actual or threatened, between employers and employees in the state. This is to be done by pointing out and advising, after due inquiry and investigation, what, in its judgment, if anything, ought to be done or submitted to by either or both parties to adjust their disputes; of investigating, where thought advisable, or required, the cause, or causes of the controversy, and ascertaining which party thereto is mainly responsible or blameworthy for the continuance of the same.

### 2. HOW ACTION OF THE BOARD MAY BE INVOKED.

Every such controversy or difference *not involving questions which may be the subject of a suit or action in any court of the state*, may be brought before the Board; *provided*, the employer involved employs not less than twenty-five persons in the same general line of business in the state.

The aid of the Board may be invoked in two ways:

*First*—The parties immediately concerned, that is, the employer or employees, or both conjointly, may file with the Board an application which must contain a concise statement of the grievances complained of, and a promise to continue on in business, or at work (as the case may be), in the same manner as at the time of the application, without any lockout or strike, until the decision of the Board, if it shall be made within ten days of the date of filing said application.

A joint application may contain a stipulation making the decision of the Board to an extent agreed upon by the parties, binding and enforceable as a rule of court.

An application must be signed by the employer or by a majority of the employees in the department of business affected (and in no case by less than thirteen), or by both such employer and a majority of employees jointly, or by the duly authorized agent of either or both parties.

*Second*—A mayor or probate judge when made to appear to him that a strike or lockout is seriously threatened, or has taken place in his vicinity, is required by

---

*The State Board of Arbitration.*

---

the law to notify the Board of the fact, giving the name and location of the employer, the nature of the trouble, and the number of employees involved, so far as he can. When such fact is thus or otherwise duly made known to the board it becomes its duty to open communication with the employer and employees involved, with a view of adjustment by mediation, conciliation or arbitration.

3. WHEN ACTION OF THE BOARD TO CEASE.

Should petitioners filing an application cease, at any stage of the proceedings, to keep the promise made in their application, the Board will proceed no further in the case without the written consent of the adverse party.

4. SECRETARY TO PUBLISH NOTICE OF HEARING.

On filing any such application the Secretary of the Board will give public notice of the time and place of the hearing thereof. But at the request of both parties joining in the application, this public notice may, at the discretion of the board, be omitted.

5. PRESENCE OF OPERATIVES AND OTHERS, ALSO BOOKS AND THEIR CUSTODIANS, ENFORCED AT THE PUBLIC EXPENSE.

Operatives in the department of business affected, and persons who keep the record of wages in such department and others, may be subpoenaed and examined under oath by the Board, which may compel the production of books and papers containing such records. All parties to any such controversy or difference are entitled to be heard. Proceedings before the Board are conducted at the public expense.

6. NO COMPULSION EXERCISED, WHEN INVESTIGATION AND PUBLICATION REQUIRED.

The Board exercises no compulsory authority to induce adherence to its recommendation, but when mediation fails to bring about an adjustment it is required to render and make public its decision in the case. And when neither a settlement nor an arbitration is had, because of the opposition thereto of one party, the Board is required at the request of the other party to make an investigation and publish its conclusions.

7. ACTION OF LOCAL BOARD — ADVICE OF STATE BOARD MAY BE INVOKED.

The parties to any such controversy or difference may submit the matter in dispute to a local board of arbitration and conciliation consisting of three persons mutually agreed upon, or chosen by each party selecting one, and the two thus chosen selecting the third. The jurisdiction of such local board as to the matter submitted to it is exclusive, but it is entitled to ask and receive the advice and assistance of the State Board.

8. CREATION OF BOARD PRESUPPOSES THAT MEN WILL BE FAIR AND JUST.

It may be permissible to add that the act of the General Assembly is based upon the reasonable hypothesis that men will be fair and just in their dealings and relations with each other when they fully understand what is fair and just in any given case. As occasion arises for the interposition of the Board, its principal duty will be to bring to the attention and appreciation of both employer and employees, as best it may, such facts and considerations as will aid them to comprehend what is reasonable, fair and just in respect of their differences.

## THE BOARD OF STATE CHARITIES.

---

**T**HE Ohio Board of State Charities is composed of six members appointed by the Governor. The law requires that the membership shall be equally divided between the two leading political parties, and fixes the term of office at three years. The members receive no compensation for their services, but their actual expenses incurred in the discharge of their duties are paid by the State. The Board appoints its own secretary, who is not a member of the Board. It is required to hold quarterly meetings, but special meetings may be held at any time.

It was first established by an act of the legislature passed in 1867, Massachusetts being the only state to precede Ohio in the enactment of such a law. Its organization at that time was due to the efforts of a member of the House of Representatives from Cuyahoga County, Hon. D. A. Dangler, who had the support of the then Governor, Jacob D. Cox. The motive that actuated Mr. Dangler in the introduction of his measure is defined by him as follows: "I availed myself of the opportunity, as a member of the Ohio Legislature, of visiting the state institutions for the purpose of familiarizing myself, as far as possible, with their arrangement. It was after such a visit that I became impressed that the citizens of the great state of Ohio should have a more perfect knowledge of the management of these institutions than was gained by the annual visits of their representatives in the Legislature." In a speech advocating the passage of the bill introduced by him, Mr. Dangler said:

"My objects are, by the agency of a common center and common head, to crystallize those various suggestions tending towards reformation and economy in the present system of management and extend their application to all alike by the same agency; to extract from the systems in use in the European states and countries, such ideas as may be applicable to our peculiar wants and requirements; through the introduction of statistics and analytical records, to assist in the diminution of crime, suffering and sickness, by pointing out the causes, occasion and the source; by the adoption of similar rules and regulations for institutions of a like character, to render their management uniform, harmonious and effective, and by a common standard of qualification for the various offices, prevent the appointment of any but those fully qualified to discharge the various duties with honesty and efficiency."

In 1872 the Board was abolished, but it was again organized in 1876 under the old law with the additional provision for a salaried secretary. On April 15, 1880, the law was so amended as to provide for a Board of six members, instead of five, the original number.

*The Board of State Charities.*

The Board is required to submit an annual report to the Legislature, setting forth the conditions of the institutions coming under its supervision, together with any suggestions or recommendations it may have to offer relative to their management. Its work is not executive, but is entirely supervisory over the whole system of public charitable and correctional institutions of the state, including those maintained by municipalities and counties. It has authority to require such reports from all institutions supported in whole, or in part, by public funds, as it may deem necessary. All of these institutions now make annual, and some of them quarterly reports to the office of the Board. One of the most important duties devolving upon it is that requiring the submission of all plans for state institutions, jails, children's homes, work-houses and infirmaries to the Board for criticism and approval. The Governor of the State is *ex officio* president of the Board, and may, at any time, order an investigation by the Board, or a committee of its members, of any institution over which it has supervisory power.

The Secretary of the Board, in addition to other duties, visits and inspects all the institutions coming under its supervision.

Since its organization in 1867 it has had three secretaries: Rev. Albert G. Byers, M. D., 1867 to 1890; John G. Doren, December, 1890, to April, 1892; Joseph Perkins Byers, son of the first Secretary, since April, 1892.

The present Secretary was born in Columbus, September 23, 1868. He attended the public schools and was graduated from the high school in 1887. Almost immediately thereafter he entered the office of the Board of State Charities as an assistant to his father, which position he retained until April, 1892, when he was made Secretary of the Board.

The Board held its first meeting in Columbus on April 30, 1886, and organized by electing Dr. W. H. Cretcher President, and appointing Dr. G. C. Ashmun, the health officer of Cleveland, as Secretary.

---

*The State Board of Health.*

---

Dr. Ashmun resigned this position in June, 1886, and Dr. Guy Case, of Cleveland, was appointed as his successor. Dr. Case tendered his resignation July 27, 1886, and Dr. C. O. Probst, of Columbus, was appointed Secretary on the same date. Dr. Probst has continuously filled the position since that time, and is the present Secretary.

The Board first directed its efforts to building up a complete health organization for the entire State. In 1886 the larger cities and a very few villages were the only municipalities that had availed themselves of the provisions of an act permitting them to establish a local board of health.

In furtherance of its work in this direction the Board began, in 1897, a systematic examination of the streams of Ohio. Each main stream, with its tributaries, has been carefully examined from source to outlet with a view to determining the source and character of its pollution. Monthly chemical and bacteriological examinations of the waters of these streams, taken at various places on each stream, have been made, and careful gagings and measurements to determine their rates of flow at different seasons of the year. This work is about completed.

An act of 1900 authorized the Board to establish a Laboratory "for the examination of public water supplies, the diagnosis of diphtheria, typhoid fever, hydrophobia, glanders, etc., and for the examination of food suspected to be the cause of disease."

The Laboratory has been placed at the disposal of all local boards of health, and much good has already resulted from its establishment.

The Board is frequently called upon to examine the sanitary condition of public institutions and school buildings, to investigate the causes of outbreaks of epidemic diseases, and to assist the local authorities in the abatement of nuisances injurious to health.

Beginning with a Secretary, the working force of the Board has been gradually increased until it now embraces a chief clerk, two stenographers, an engineer, a chemist and a bacteriologist.

The immense growth of public sentiment in the last ten years in favor of improved sanitary conditions and more stringent measures for the prevention of disease has been due in no small part to the progressive character of the work of the State Board of Health; and we may confidently hope that this enlightened sentiment will gradually lead to a more generous support of health measures whereby the sum of human happiness and average duration of life may be materially increased.

The State Board of Health secured legislation from time to time, gradually extending the powers and duties of local boards of health, and making provision for their establishment throughout the State.

---

*The State Board of Health.*

---

In 1893 the townships, which up to that time had had practically no protection in health matters, were required to establish boards of health, so that provision is now made for a board of health in every city, village and township, a grand total of 2112 such boards.

The State Board has kept in close touch with the local boards, and is constantly helping them by aid and advice.

In 1888 a monthly journal was established as a medium of frequent communication between the state and local boards of health. A summary of the weekly reports of contagious diseases, made to the State Board, by the local boards, is published therein, with other original and reprinted matter of interest, or suitable for the guidance or instruction of health officers and members of boards of health.

In 1891 a call was issued for a meeting of the State Board of Health and representatives of local boards of health. About forty delegates were present at this meeting. Annual meetings have been held regularly since; the attendance at the meeting for 1901 was nearly or quite four hundred.

The State Board has endeavored to disseminate among the people plain instructions for the prevention of the dangerous contagious diseases. Suitable pamphlets were prepared, and hundreds of thousands of copies have been distributed. All local boards of health have been supplied with copies of these, and when a contagious disease appears in any community they are urged to distribute the appropriate circular to families having the disease, and to their neighbors.

In 1893 an act was passed providing that plans for all proposed water works or sewerage systems, or for changes or extensions thereof should be submitted to and approved by the State Board of Health. The Board has examined and passed upon two hundred and twenty such plans. It has been able in this way to protect many communities against the introduction of an impure water supply, and to prevent what in some instances would have been dangerous pollution of sources of existing public water supplies.

## THE STATE BOARD OF DENTAL EXAMINERS.

DR. EMMINGER.  
President Board Dental Examiners.

L. P. BETHEL.  
Secretary Board Dental Examiners.

**T**HE dental law of Ohio is far from what it should be in comparison with the dental laws of other states.

Pennsylvania, New Jersey, New York, Minnesota, and in fact most of the states require everyone to be examined by the dental board, graduates of reputable dental colleges as well as officer students, but the Ohio law makes it compulsory for the Board to license, without examination, all who hold diplomas from reputable dental colleges.

Consequently Ohio has been for years the dumping ground for incompetents who, although they may have secured diplomas, have not been able to pass other state boards and so settle in Ohio where no examination was required of them.

And not only is the Board required to issue licenses, without examination, to graduates of the best dental colleges such as those belonging to the National Association of Dental Faculties, but of inferior colleges; colleges not qualified for membership in the above organization. Any college, according to the Ohio law, is "reputable" if it conforms to the following requirements: Any college which possesses buildings, by lease or otherwise, and equipments valued at not less than \$5,000, which has a three years' course, six months each year, and a curriculum including anatomy, physiology, pathology, chemistry, microscopy, materia medica, metallurgy, operative, mechanical and surgical dentistry, is considered a

*The State Board of Dental Examiners.*

reputable dental college, and the Board is obliged to recognize diplomas from such schools whether these colleges are or are not members of the National Association of Dental Faculties or Examiners. The Board has already been obliged to recognize a number of schools not in the National Association but which have complied with the Ohio law.

The Board is powerless to keep out these incompetents, under the existing law, or to revoke a license for any cause whatsoever, after it has been issued.

The defining of operative privileges of students of dentistry is not explicit enough and in consequence many a workman is practicing dentistry in Ohio without a license, by posing as a student of dentistry working for a preceptor, etc.

There is nothing in the law preventing any M. D. from practicing dentistry whether he knows anything about dentistry or not.

And so might be mentioned other weak points in the law and the needs of better dental legislation in Ohio.

The present Board has, however, in the face of these discouraging features worked assiduously for the betterment of dentistry in Ohio.

During its three years of service 748 licenses have been issued. Of these 713 applicants were college graduates. Only eight candidates, who claimed to have been in practice prior to 1889, have been licensed, and these only after a thorough investigation.

Out of the 72 candidates for license by examination, only 27 were found qualified and passed.

During the three years the Board has brought many suits against illegal practitioners and has been the means of making more than one hundred of these close their offices.

The Board has at all times worked for the good of the profession in the state and has done its utmost to put down quackery and limit the number of incompetents.

It is to be hoped that a much better and greatly needed legislation will soon be enacted and thus place Ohio among the large number of states requiring thorough preparation and competency of the student of dentistry before he will be allowed to practice within its borders.

In 1863 his health becoming impaired, he resigned his position and received an appointment as surgeon and served in hospitals until the close of the war.

In 1867 he removed to Union County, Ohio, and settled on land acquired by his ancestors for services rendered in the Revolutionary War, and, in 1885, when the Legislature created the Board of Live Stock Commissioners of the State of Ohio, he was appointed a member thereof and has been re-appointed to the same position under each administration since.

The Live Stock Commission of the State of Ohio was created by act of Legislature in April, 1885.

BOARD OF LIBRARY COMMISSIONERS.

## THE BOARD OF LIBRARY COMMISSIONERS.

---

THE Ohio State Library was established by Governor Thomas Worthington in the year 1817. The general assembly which met December 2, 1816, appropriated \$3,500.00 as a contingent fund for the Governor in 1817. In the summer of that year Governor Worthington visited eastern cities to investigate the management of state institutions. While in Philadelphia he determined to purchase a collection of books for the establishment of a state library. On his return he authorized the fitting up of a room above the auditor's office, in the south end of the old state office building, then on High Street, immediately south of the avenue to the west entrance of the State House. He deposited therein the books he had selected—509 volumes—the beginning of the State Library. Most of these books are still in the library.

John L. Harper was the first librarian. Changes in this office were frequent till 1824, when Zachariah Mills was appointed. He served eighteen years.

In 1844, the library was placed under a commission consisting of the Governor, the Secretary of State and the State Librarian. The latter was appointed by the Governor. In April, 1896, the law was again changed and the entire management of the library was vested in a board of commissioners appointed by the Governor for a term of six years. They elect the librarian and all the assistants.

The State Library was open originally only to state officers and members of the general assembly. The regulations provided that "the librarian shall open accounts with the Governor, Secretary, Treasurer and Auditor of State, the Judges of the Supreme Court, and the members of the general assembly and their clerks." The privilege of drawing books did not extend beyond the period the legislature was actually in session. As late as 1895 books were loaned only to "members and officers, and ex-members and ex-officers of the general assembly; state officers, and clerks in the several departments of the state government at Columbus, and ex-officers of the same; the Judges of the Supreme Court, of the Supreme Court Commission, of the Circuit Court and the Common Pleas Court; officers and teachers of the benevolent institutions of the State, and of the State University; officers of the Penitentiary; widows of ex-members and ex-officers of the general assembly and of ex-state officers; and clergymen resident of Columbus.

Under such regulations the circulation of the library was, of course, quite limited. In the long period since it was founded many valuable works have been placed on the shelves that were accessible to the general

public only for purposes of reference in the reading room of the library. These were sought by those who were engaged in the preparation of some literary work or in the study of some "special science or subject of art." The newspaper files were frequently consulted by editors and reporters. The books had a limited circulation among state officers and their families. Members of the legislature, as a rule, found themselves too busy to read. They made frequent use of the state documents kept in the library.

The first board of library commissioners under the Garfield Act of 1896 was appointed by the Governor in April of that year. The members were Rutherford P. Hayes, J. F. McGrew, and Charles A. Reynolds. One of the first acts of this board was to open the library to citizens of the state. The old distinctions in favor of state officials were in large measure removed. Citizens of the state who desire to draw books now do so by furnishing the library board a satisfactory guarantee, or by making application through their local library. Those living in distant parts of the state may borrow books by paying transportation both ways. The books are not sent out indiscriminately. Rare and valuable works are not issued for use outside of the library. Those in the circulating department, however, are issued freely on the same conditions to all citizens.

While it contains works in almost every department of literature, the library is strongest in state publications, government documents, history and its related branches, bound periodicals, and newspaper files. In recent years a systematic effort has been made to add to the early literature relating to the state. The work of collecting has necessarily been slow, but the very substantial progress already made warrants the hope that this may soon become the best reference library in the country in all things pertaining to Ohio.

There are at present (June 27, 1901) 73,200 bound volumes in the State Library. Of these 14,505 are in the

*TRAVELING LIBRARY DEPARTMENT.*

This department was organized in the summer of 1896. A traveling library is a collection of from twenty-five to thirty-five books sent out by the State Library to a reading club, an association of citizens, a board of education or a public library, to be kept three months, with privilege of renewal.

The objects of the department are: 1. To furnish good literature to patrons. 2. To strengthen small libraries. 3. To create an interest in the establishment of new libraries.

On receipt of a request on the forms furnished by the State Library, properly filled and signed by the members of the club, the officers of a free public library, board of education, or other association,

the books will be shipped. The parties receiving the books must pay transportation both ways.

The conditions under which these libraries are issued are very simple. The organizations to which they are sent obligate themselves for their proper use and safe return. The system has proven very popular. Traveling libraries have been sent out as follows:

## THE BOARD OF MEDICAL REGISTRATION AND EXAMINATION.

---

**T**HE law providing for the State Board of Medical Registration and Examination was passed on February 27, 1896 (Sections 4403c, d, e, f and g, Revised Statutes of Ohio).

The first Board was appointed by Governor Bushnell in March, 1896, and held its first session on March 25, 1896.

The Board consists of seven members representing the different schools of medicine in proportion to their numerical strength in the State, and the members are appointed by the Governor, each for a term of seven years.

The Secretary, who is made executive officer of the Board by the law, is not a member of the Board, but is elected each year by the Board. The law requires that the Secretary shall be a physician in good standing.

The purpose of this department is to regulate the practice of medicine, surgery and midwifery in the State of Ohio, and to protect the people of the state from illegal practitioners of the same.

The duties of the department consist of the registration of competent persons for the practice of medicine, surgery and midwifery, the regulation of medical colleges and the prosecution of illegal practitioners of medicine, surgery and midwifery.

The department is self-supporting, depending upon the fees collected from the examination and registration of physicians and midwives for its revenue.

The law of February 27, 1896, provided that the Board should issue certificates upon the basis of graduation from medical colleges recognized as in good standing by the Board. On April 14, 1900, an amendment to the law of February 27, 1896 (Sections 4403c-f, Revised Statutes of Ohio), was passed requiring that all applicants for registration in the State of Ohio shall appear before the Board and pass an examination in Anatomy, Physiology, Chemistry, Materia Medica and Therapeutics, Practice of Medicine, Practice of Surgery, Obstetrics, Pathology and such other subjects as the Board may require.

The fee for registration under the provisions of the law of February 27, 1896, was \$5.00, and the fee for examination under the present law is \$25.00.

## THE STATE BOARD OF PARDONS.

CHARLES C. LEMERT.  
Secretary of the Board of Pardons.

**C**HARLES C. LEMERT was born October 19, 1865, in Licking County, Ohio. Was educated at the Ohio Normal University at Ada, Ohio. Admitted to the bar on March 1st, 1887. Elected City Solicitor of Ada in April, 1887, and resigned that fall to move to Kenton for the practice of law. Was elected Prosecuting Attorney of Hardin county in the fall of 1893, and served three years. He was appointed by Governor Nash his Executive Clerk in January, 1900, and by virtue of that office is Secretary of the Ohio State Board of Pardons.

### THE OHIO STATE BOARD OF PARDONS

Was created by an act of the General Assembly of Ohio, April 11, 1888. The act provided the Governor should nominate, and by and with the advice and consent of the Senate, appoint four suitable persons having the qualifications of electors, two of whom should be appointed from each of the two leading political parties. Two of the members thereof, appointed from the same political party, should serve for one and three years respectively, and two members thereof, appointed from the other political party, should serve for two and four years, respectively; and that thereafter the Governor in like manner should appoint a member

*The State Board of Pardons.*

of said board, of like qualifications and from the same political party as the member whom he succeeds, who shall serve for four years.

The act further provided that the Board should organize by electing one of their number president, and it was made the duty of the executive clerk of the Governor to act as Secretary.

The Board meets regularly on the first Thursday after the second Monday in January, and on the same day every third month thereafter, and at such other times as they may deem necessary.

The Board has formulated rules for the guidance of the applicants, which, together with other blanks, can be secured from the Secretary, at the Governor's office.

All cases presented to the Board are heard by the entire Board, and the cases separately referred to some member of the Board for investigation, who makes a written report to the entire Board at its next meeting, when the report is adopted or rejected, and together with all other papers is transmitted to the Governor for his consideration.

The Board makes an annual written report to the Governor on the first Monday in December of each year, of its actions during the last preceding year, its officers and members, and the names thereof, with a recommendation for such legislation as they think proper in order to carry out more fully the object and purposes of its creation.

Under the constitution and laws, the Governor cannot pass upon or grant a pardon until after the case has been submitted to the Board of Pardons, and passed upon by that body, except in cases specifically mentioned in the statutes.

The Board was created for the purpose of relieving the Governor of the task of examining manifold papers and documents, which consumed a large part of his time, to the detriment of other important public business.

## THE BOARD OF PHARMACY.

**O**RIGINALLY created by act of the General Assembly, March, 1884. Purpose, to regulate the practice of pharmacy in the state of Ohio. Board consists of five members. Term, five years. The term of one member expires each year (March 31st).

Appointment by the governor with consent of the Senate. The Ohio Pharmaceutical Association recommends each year five persons from which the governor may appoint one for the vacancy.

The principal executive officer is the secretary, whose office is at the capital.

This officer is a member of the board and is elected annually by the board.

All persons engaged in the practice of pharmacy in Ohio as proprietors or managers of retail drug stores were registered without examination as pharmacists and received certificates of such registration by reason of their being in such practice when the law was enacted. Those engaged as clerks or assistants under the same conditions were likewise registered and received certificates as assistant pharmacists.

The limit within which any person could take advantage of this provision was three months, and that limit expired in July, 1884. Subsequent to that date all persons are required to pass an examination in order to secure a certificate of registration entitling them to practice pharmacy in Ohio.

Certificates are issued for a period of three years and renewable triennially so long as the holder continues to practice pharmacy in this state.

The renewal fee is two dollars for pharmacist, and one dollar for an assistant pharmacist. Examinations are held on the second Tuesdays and Wednesdays of the months of January, May and October, all in Columbus. The requirements for pharmacists' examination are four years' experience in the business of a retail apothecary, and for an assistant pharmacist two years like experience. For the first grade the applicant must be 21 years of age, and for the second, 18 years of age.

The examination fee for pharmacist is five dollars, and for an assistant two dollars. No additional charge for registration or certificate. Original certificates issued for three years.

Every pharmacy, or retail drug or chemical store must be under the immediate supervision of a registered pharmacist. Assistant pharmacists may sell or compound drugs, medicines or poisons only in a store which is in charge of a registered pharmacist. The board is charged with the duty of enforcing the statute.

*The Board of Pharmacy.*

The act of 1884 was repealed April 21st, 1898, and a new one enacted in its place. The provisions of examination and registration (as outlined above) were not materially changed in the more recent act. The status of the board was not changed.

The expenses of the board are paid from the fees and penalties arising from the registration renewal fees, examination fees, and the penalties arising from fines in prosecutions. Receipts are paid into the state treasury and expenses paid on warrant issued by the Auditor of State.

## THE STATE BOARD OF PUBLIC WORKS.

**T**HE State of Ohio, in the year 1827, opened for public use a system of canals which connected the waters of Lake Erie on the north, with those of the Ohio River on the south, by two inland water ways which traversed the state in its eastern and western divisions. The eastern system was generally known as the "Ohio" canal, and extended from the Cuyahoga River at Cleveland to the Ohio River at Portsmouth, tapping in its route directly or by branches, the valleys of the Cuyahoga, Tuscarawas, Muskingum, Licking, Hocking and Scioto Rivers, and forming water ways between the cities of central and eastern Ohio. This canal system necessitated the building of 308 miles of public works, over a route which varied in height above the lake level from 395 feet at Akron locks, only 35 miles from Cleveland, to 317 feet at Licking summit, and falling to less than 100 feet below the level of the lake as the canal enters Portsmouth, 308 miles to the south.

The western system, known as the "Miami and Erie Canal," is 245 miles long, extending from Toledo to Cincinnati, and piercing the western tier of counties.

The act to provide for navigable canals was passed by the Twenty-third General Assembly February 4, 1825. Work was begun in the same year, and was continued until the reservoirs were completed in 1842. The following figures are of interest.

### LAND GRANTS MADE BY CONGRESS TO AID IN THE CONSTRUCTION OF CANALS IN THE STATE OF OHIO.

The distance from the Ohio River to the Loramie Summit is 100 miles, and the lift 512 feet. There were formerly 53 locks south of the Summit, but in 1863 ten were cut off at Cincinnati. From the north end of Loramie Summit to level of Lake Erie the distance is 123 miles, the number of locks 52, and fall 395 feet. Cost of construction \$5,920,200.41.

The distance from Lewistown Reservoir to State Dam across Great Miami River at Port Jefferson is  $23\frac{1}{2}$  miles. Between this point and Lockington, the Sidney Feeder,  $13\frac{1}{2}$  miles in length, was constructed at a cost of \$392,258.32.

St. Mary's Feeder and Loramie Feeder are  $2\frac{1}{2}$  miles, 3,361 feet in length respectively.

**OHIO AND ERIE CANAL.**

The north end of Portage Summit is 35 miles from lake level in Cuyahoga River, and has 42 locks.

The Summit level is 9 miles long, 395 feet above Lake Erie, 78 feet above Ohio River at Portsmouth, and 968 feet above the Atlantic Ocean.

Distance from south end of Summit to Dresden Side-Cut 102 miles, number of locks 29, fall 238 feet; from Dresden Junction to mouth of Muskingum River at Marietta 91 miles, fall 154 feet; from Dresden Junction to Licking Summit 31 miles, locks 19, rise 160 feet; from south end of Licking Summit to Ohio River at Portsmouth 116 miles, locks 53, fall 413 feet. Cost of construction, \$4,695,203.69.

The Walhonding Canal extends from Rochester to Roscoe, distance 25 miles, locks 12. Cost \$607,268.99.

The Columbus Feeder extends from Columbus to Ohio Canal at Lockbourne, distance 11 miles, locks 2, fall 14 feet. Cost \$61,483.00.

**RESERVOIRS.**

St. Marys — No. of acres, (original), 17,603, cost \$528,222.07

Lewistown — No. of acres, (original), 7,200, cost \$600,000.00.

Licking — No. of acres, (original), 4,200, cost \$200,000.00.

Portage, Summit County — No. of acres, (original), 2,000, cost \$80,000.00.

Loramie — No. of acres, (original), 1,900, cost \$22,000.00.

**SIZE OF CANALS.**

The Ohio, Hocking, Walhonding, and Miami and Erie Canal from Cincinnati to Dayton, were constructed 40 feet in width on top water line, bottom 26 feet, depth 4 feet; Miami and Erie Canal from Dayton to Junction 50 feet top, 26 bottom, depth 5 feet; Junction to Toledo 60 feet top water line, 46 feet bottom, depth 6 feet.

*The State Board of Public Works.*

The size of locks is 90 feet in length of chambers, with 15 feet clear width between walls, as originally built.

## COST OF CONSTRUCTION.

The entire cost of construction of the canals, including reservoirs and feeders, was \$14,340,572.59, besides material aid from private individuals and corporations in donations of land, right of way, and monies. The state has received by the sale of the lands granted by the General Government for canal purposes, \$2,257,487.32. The expenditures for the maintenance of the Ohio Canals in repairs and cost of collections up to and including the year 1900, has amounted to \$17,447,551.06. The receipts from actual earnings for the same time have amounted to \$16,671,229.81, leaving a net credit to the canal of receipts over expenditures for maintenance account of \$5,223,678.75.

The Public Works at present comprises 581 82-100 miles of navigable canals, about 30,000 acres of reservoir area, besides their feeders, and the navigable rivers of the state.

## ABANDONMENT.

In 1894 the General Assembly ordered the abandonment of that part of the eastern system which was known as the Hocking Canal, 56 miles, and in 1896, 19 miles of the "Walhonding" Canal.

## THE LEASE OF THE PUBLIC WORKS.

On the second day of June, 1861, the Public Works of Ohio were leased by the act of the Legislature, passed May 9, 1861, for twenty thousand and seventy-five dollars (\$20,075) per annum. Said lease continued in force until December 1, 1877, at which time the lessees abandoned the Public Works and by appointment of the Superior Court of Montgomery county they were placed in the hands of a receiver until May 15, 1878, at which time the State Board again took possession of the Public Works of Ohio.

|   |              |
|---|--------------|
| Amount received from lessees, 16½ years, at \$20,075..... | \$331,237 50 |
| Amount received from December 1, 1877, to May 15, 1878.   | 69,765 59    |

|   |              |
|---|--------------|
| Total amount received and included in above table.. | \$401,003 09 |
|---|--------------|

The expenditures by the Board of Public Works for superintendence and repairs ceased with the transfer of the canals to the lessees. All expenditures during that time were for the settlement of prior claims, awards of damages, expenses of the office of the Board, expenses incurred in the appraisalment of personal property sold to the lessees, and the payment of outstanding indebtedness provided for by the act "making

appropriations for the maintenance of the Public Works," passed May 13, 1861.

Under the law authorizing the lease of the Public Works of the State, C. S. Hamilton was appointed by the Governor, Paul Weatherby by the Board of Public Works, and John G. Isham by the lessees, to appraise the personal property of the State, which the lessees were required by said act to purchase. The value of the property appraised by them and transferred to the lessees amounted to fourteen thousand one hundred and seventy-three and 64-100 dollars (\$14,173.64).

**T**HE law creating the State Board of Veterinary Examiners was passed by the General Assembly May 21, 1894. The Board consists of five members; the Secretary of the State Board of Agriculture and the Secretary of the State Board of Health are made ex officio members by the law, while the governor has the appointment of the other members. A list of the officers, from the organization of the board to date, is given below:

## THE BUREAU OF LABOR STATISTICS.

**C**OMMISSIONER of Labor Statistics Michael D. Ratchford, the subject of this sketch, was born in Clare, Ireland, in 1860. Migrating with his parents to Stark county, Ohio, some ten years later, he attended the public schools there until he reached his twelfth year, at which age he entered the mines where he labored for more than twenty consecutive years. His education, however, was principally acquired by attending evening school, and by careful home study during the earlier years of his occupation in mining.

Mr. Ratchford being an active trade unionist, who, while mainly conservative in his views, realized the growing needs of a thorough organization of mine workers, and labored aggressively and unceasingly to this end. He was elected to and served in the office of President of the Massillon, Ohio, miners, 1890-92; General Organizer, 1893-94; President Ohio miners, 1895-96; President of the United Mine Workers of America, 1897-98. It was while serving in the chief executive office that he established and put into practice a working-day of eight hours; instituted mutual relations and an annual wage contract between mine workers and operators through which strikes have since been averted; and made uniform the conditions of mining throughout the bituminous competitive coal fields.

*The Bureau of Labor Statistics.*

He was appointed by President McKinley September 7, 1898, as member of the National Industrial Commission created by Congress, where he served for nearly two years, resigning the same to accept the office of Commissioner of Labor Statistics of Ohio, to which he was appointed by Governor George K. Nash, April 25, 1900.

Mr. Ratchford is unswerving in his devotion to the Republican party, and as such has ably discussed the issues for which his party stands in many states of the Union during national and state campaigns.

The Commissioner of Labor Statistics is appointed by the Governor by and with the advice and consent of the Senate for a term of two years. The Chief Clerk and office force of the Bureau are appointed by the Commissioner with the consent of the Governor. The superintendents and clerks of the five Free Public Employment Offices—Cleveland, Columbus, Cincinnati, Dayton and Toledo, which are under the direction and supervision of the Bureau, are also appointed by the Commissioner in the same manner for a term of two years.

The Bureau, under the law—Sec. 308 of the Revised Statutes—collects, arranges and systematizes all statistics relating to the various branches of labor in the state, and especially those relating to the commercial, industrial, social, educational and sanitary conditions of the laboring classes.

## THE CANAL COMMISSION.

GEN. WILLIAM H. GIBSON.  
First President Ohio Canal Commission.

**I**N THE year 1887, Hon. Jacob A. Kohler, Attorney General, called the attention of Governor Foraker and the Board of Public Works to the valuable state property, in the city of Akron, that had been unlawfully taken possession of by individuals and corporations, and shortly thereafter, ten civil actions, against as many different defendants, were commenced to recover state property valued at one hundred thousand (\$100,000.00) dollars.

When the succeeding General Assembly convened, the governor recommended that a commission be created to ascertain what lands the State owned; thereupon Hon. J. Park Alexander, of Summit county, introduced a bill, embodying the ideas of the governor and attorney general, creating "a commission to establish the boundaries and lines of the canals, canal basins, reservoirs, etc., of the State by actual surveys by metes and bounds, together with maps and plats of the same, and to define and protect the ownership and titles in and to all lands belonging to and connected with said canals."

---

*The Canal Commission.*

---

Subsequently, the duties of the commission were enlarged by adding to its work the duties previously performed by the swamp land commissioner, and providing for the recording of all documents, maps, plats and records in any wise appertaining to the title of any real estate formerly belonging to or now owned by the State.

The commission is generally called a "Canal Commission," but should be called a land commission, as it has nothing to do with the navigation or management of the canals, and has no relation whatever to the old board of canal commissioners that laid out and constructed the public works of the State.

The duties of the commission are to locate and define the State's property, to recover such portions of it as are found in the unlawful possession of individuals and corporations, to lease such portions of it as are not necessary for canal purposes, to acquire title to swamp lands and to collect the cash indemnity due for such lands when they have been disposed of by the United States.

The original act was passed March 28, 1888, and shortly thereafter Governor Foraker appointed as members of said commission, General William H. Gibson of Seneca county, Col. Charles F. Baldwin of Knox county, and Judge Alexander S. Latty of Defiance county, General Gibson being made president, Judge Latty vice president and T. C. Ryan of Washington county, secretary. Col. Baldwin resigned after a few months' service, and Hon. R. M. Rownd of Franklin county, was appointed in his place.

The commissioners found that there was practically nothing with which to commence their labors. The original surveys and maps of the canals had all disappeared along with the books that showed the awards of damages paid for lands appropriated for canals and reservoir purposes. Fortunately a half dozen of these books were found in a consignment of old paper that had been shipped to one of the paper mills on the Miami and Erie canal, and were finally restored to the State, where they have been of inestimable value in aiding the recovery of State property.

The first three or four years may be called the period of surveys and discovery. More than twelve hundred miles of transit lines have been run since the commencement of the canals and reservoir surveys, while hundreds of monuments have been planted to perpetuate the lines established for the boundaries of the State property. In addition, the title to lands owned by the State, at one time and another, aggregated one million two hundred and thirty thousand five hundred and twenty-two (1,230,522) acres, have been recorded in the records of the office.

Twenty-three large volumes of maps have been completed and bound in convenient book form, and others are in process of completion.

*The Canal Commission.*

These maps when completed will embrace the entire canal system, including the canals, reservoirs, basins, wide-waters, feeders, raceways, water-powers, hydraulics, dams, slack-waters, locks, aqueducts, bridges, culverts, bulk-heads, waste-weirs, and in fact nearly every thing pertaining to the public works of the State.

In addition to these, plats have been made of all the swamp lands in the northwestern part of the State. This was necessary in order to determine the indemnity due the state, from the United States, for swamp lands, and the commission has filed claims for swamp land indemnity aggregating \$121,601.66, which claims are pending for hearing before the secretary of the interior.

The net results to the State from the work of the commission in lands recovered, and lands leased and sold, is approximately \$1,000,000.00, and this will be substantially increased if pending litigation results in favor of the State.

The fixed policy of the commission has been to lease the State lands rather than to sell them in order that the State may derive a steady income from the same.

The following is a list of the different canal commissioners who have served on that board from time to time. The date of each commission being some day in the latter part of April.

The membership of the commission was reduced from three to two members in 1892.

## THE COMMISSIONER OF COMMON SCHOOLS.

**H**ON. LEWIS D. BONEBRAKE, the present state commissioner of common schools is a product of the Ohio public school system and for twenty years has been actively engaged in educational work. He was born in Westerville, Franklin Co., O., August 23, 1859. His father Rev. Daniel Bonebrake was born in Preble county, O., and is still living at the age of 72 years. A great-grandfather served in the Revolutionary war and with his brothers served under Washington in and around Philadelphia. Two of his great-uncles were scouts under General Harrison in the war of 1812. Mr. Bonebrake's mother—Hester Ann—was the youngest daughter of Captain John Bishop who with his family came to Franklin county in 1818 from Dutchess county, New York. Her father served in the war of 1812 and five of his father's family were soldiers in the war of the Revolution. Mr. Bonebrake attended a district school until 14 years of age when he entered the Westerville high school and completed its course. In the fall of 1876 he entered Otterbein University, Westerville, and by teaching during the winters put himself through college, graduating in the class of 1882. He at once entered upon his life work as a teacher and very successfully superintended the schools at Sparta, Elmore, Athens, and Mt. Vernon.

*The Commissioner of Common Schools.*

During his ninth year at the latter city he was nominated by the Republican state convention of 1897 at Toledo for the office of state commissioner of common schools. His popularity among the teachers of the state was such that he was given one of the highest pluralities on the ticket, receiving 26,549 over Myron E. Hard, his Democratic opponent. He entered upon the duties of his office on the second Monday of July, 1898, and during his first term visited and delivered educational addresses in every county of the state.

In 1900 he was re-nominated by acclamation and re-elected by a plurality of 68,302 over Joshua D. Simkins, his Democratic opponent. On the second Monday of July, 1901, he entered upon his second term of three years which will expire on a like date in 1904.

During his educational career Mr. Bonebrake has served as school examiner on city, county and state boards, successively, and holds a life certificate from the latter granted in the summer of 1885. Prior to his election his services as an institute lecturer were in great demand and he had done institute work not only in one-third of the counties of Ohio but in Indiana, Kentucky, and Pennsylvania. It is a part of his official duties to visit teachers institutes and it is an interesting fact that in this duty during his first term he traveled, within the state, 13,000 miles each year.

**THE DEPARTMENT OF SCHOOL COMMISSIONER.**

The office of state commissioner of common schools is a statutory and not a constitutional office, the act of March 12, 1836, being the virtual formation of the present school system of the state. Laws previously enacted had not been so broad or liberal in their treatment of education as this act which created the office of superintendent of common schools and provided that the officer should be elected by joint resolution of the General Assembly. The term was fixed at one year and the salary at \$500.00. On April 1, 1837, Samuel Lewis of Hamilton county was duly elected. He filed his first report at the convening of the General Assembly and on January 16, 1838, that body ordered 10,500 volumes of it printed. On March 7, 1838, an act reorganizing the school laws of the state was passed and under section eight thereof the term of the state Superintendent was fixed at five years unless the incumbent was removed by joint resolution. The salary was placed at \$1,200.00. Two days later Mr. Lewis was elected for the term of five years. On March 23, 1840, the office of state Superintendent was abolished and the duties which he had performed devolved upon the Secretary of State who was authorized to employ a clerk to do the work at a salary of \$400.00. This law continued in force until March 14, 1853, when the office of state commissioner of common schools was again created.

This law provided that the officer should be chosen at the general election and the term was fixed at three years, the salary being placed at \$1500.00. The duties of the commissioner were plainly prescribed and provision made that while he was absent on official visits to the

various counties of the state the State Librarian was to act in his stead and be his secretary.

This law was a complete re-organization of the Ohio school system and in addition to providing for the present classification of township districts and cities and villages, contained provisions for separate schools for colored children, county boards of examiners for teachers and for school libraries. Subsequent legislation has followed in the main the classification made in this act.

On March 27, 1884, a law was passed providing that the term of the commissioner would begin on the second Monday of July following his election instead of the second Monday of January. This change was made in order that the commissioner's term might terminate, approximately, with the school year.

#### OHIO'S EDUCATIONAL SYSTEM.

The educational system of Ohio has, from its inception, been strictly democratic in its nature, the management and support of the schools being left almost entirely in the hands of the residents of the various school districts.

The state is divided into districts, classified as city districts of the first grade of the first class; city districts of the second grade of the first class; city districts of the third grade of the first class; city districts of the first class; city districts of the second class; village districts; special districts and township districts. The schools are governed by boards of education, selected by the electors of the various districts. In 1894 the electoral franchise for the election of school officers was conferred upon women and this law still continues in force but is not generally taken advantage of by the ladies. The number of members in boards of education in city districts of the first class varies from five members in Toledo to one from each ward in Cincinnati. In city districts of the second class and village districts the number is six, in special districts three or six. Township districts are divided into sub-districts with one member of the board from each sub-district. Prior to 1892 the sub-district schools were in reality governed by a board of sub-directors consisting of three members, one of whom was elected as member of the township board, but in that year the board of sub-directors was abolished and the entire authority conferred upon the township board. This did not give entire satisfaction, consequently, in 1898 the board of sub-directors was re-established, but with the power of recommendation only, final action by the township board being necessary. The management and control of the schools is vested in the several boards of education without active supervision of any nature. Should boards exceed their authority or become derelict in their duty, recourse can only be had through the courts of law.

The school funds are derived from the income from school lands set apart by the National and State governments for educational purposes and by state and local taxes, the state contributing about one-eighth of the total amount.

The state commissioner of common schools has supervision of the school funds to the extent of appointing examiners in cases where misapplication or fraud in the management of the same makes it necessary.

The following statistics taken from the annual report of the state commissioner for the year ending August 31, 1900, will give some idea of the magnitude of the educational work being accomplished in this state at the present time.

Number of districts: City, 62; Village and Special, 1005; Townships, 1335; Sub-districts, 11097; Number of School Houses, 13073; Number of School Rooms, 22661; Value of School Property, \$44,017,179; Number of Teachers, 26017; Enumeration of youth between six and twenty-one years, 1,226,366; Enrollment in Public Schools 829,160.

In addition to the enrollment in the public schools it is estimated that 50,000 pupils are being educated in parochial and private schools. Number of high schools, 836; Enrollment in high schools, 56952.

There are 36 colleges and universities with 1118 instructors and 8148 students. This does not include professional schools, normal schools, academies, *et cetera*, of which the state has its full proportion.

#### STATE BOARD OF EXAMINERS.

There have been a number of changes in the law relating to the state board of school examiners. When first enacted in 1864 the board consisted of three members who are appointed by the state commissioner. Since 1883 the number has been fixed at five. The term is five years and ends on August 31. The following have served on the board since its creation. Marcellus F. Cowdery, Thomas W. Harvey, Eli T. Tappan, Israel W. Andrews, William Mitchell, Theodore Sterling, John Hancock, Thomas C. Mendenhall, Andrew J. Rickoff, Alston Ellis, Henry B. Furness, John B. Peaslee, William W. Ross, Charles R. Shreve, Chas. L. Loos, A. B. Johnson, Henry M. Parker, William G. Williams, Elmer S. Cox, Chas. C. Davidson, Marcellus Manley, Chas. E. McVay, Thomas A. Pollock, E. E. White, W. J. White, E. A. Jones, R. W. Stevenson, Edward T. Nelson, Jas. W. Knott, J. C. Hartzler, L. D. Bonebrake, J. P. Sharkey, Charles Hauptert, C. W. Bennett, J. D. Simkins, W. W. Boyd, W. H. Meck, M. E. Hard, W. H. Mitchell, and C. C. Miller. The last five named are the present members of the board

#### SCHOOL-BOOK LAWS.

The first law relating to the use of text books in the schools of Ohio was passed April 22, 1885. It required boards of education to adopt text

books and prohibited any change in the same within five years, except by a three-fourths vote. A provision was also made authorizing boards to provide free text books.

On the 28th day of April, 1890, an amendment to this law was passed providing for a *school book board*, composed of the Governor, State Commissioner of Common Schools, Supervisor of Public Printing, and two persons to be appointed by the Governor. This board was authorized to pass upon all books used in the schools and to fix a price upon the same not to exceed eighty per cent of the publisher's wholesale list price, and in case no satisfactory books could be secured the board was authorized to receive bids from publishers and authors for furnishing text books, and report the result of the same to the next session of the General Assembly for action thereon.

On May 4, 1891, the last-mentioned law was repealed and a new law enacted changing the membership of the "State School Book Board" to the Governor and Secretary of State with the State Commissioner of Common Schools as secretary. The principal provisions of the former law were retained, with further provisions in regard to publication of text books by the state and a reduction in the maximum price to seventy-five per cent of the wholesale list price. The law now in force was passed April 22, 1896, making the State Commissioner of Common Schools a member of the State School Book Commission together with the Governor and Secretary of State. The main provisions of the former law were retained, the method of enforcing the law and carrying the same into effect being simplified.

Under this law the schools of Ohio are provided with good text books at a reasonable price and with a few minor amendments would undoubtedly give general satisfaction.

## THE COMMISSIONER OF RAILROADS AND TELEGRAPHS.

**M**R. J. C. MORRIS, Commissioner of Railroads and Telegraphs, was born in Youngstown, Ohio, August 18, 1856, and was educated in the public schools of that city. But while yet a boy he secured employment in a local grocery store and continued in that employment until his nineteenth year, when he began railroading. His first employment was as a brakeman. Then he became baggagemaster. From this he was promoted to the position of conductor of a freight train. After a number of years' service in this capacity he became general yardmaster, remaining in that position until he secured a passenger train, which he continued to run as its conductor until he was appointed Chief Inspector in the office of the State Commissioner of Railroads and Telegraphs, faithfully performing the duties of this appointment until the 16th day of March, 1901, at which time he was appointed Commissioner of Railroads and Telegraphs.

During all this long period of railway service — 26 years in all — he was in the employ of the Erie Railway Company, a fact that speaks well for the character of the service he rendered.

He is a married man, having been married to Miss Emma Morris of Youngstown, Ohio, on April 28, 1878. They have four children, all boys. Mr. Morris is a Mason, a K. of P., and a member of the Order of Railway Conductors.

## THE DEPARTMENT OF RAILROADS AND TELEGRAPHS.

The Department of the Commissioner of Railroads and Telegraphs was created by an act of the Fifty-seventh General Assembly passed April 5, 1867, which required the appointment of the officer within fifteen days after the passage of the act, and prescribed his duties. He has a general police authority over roads operating in Ohio, and is required to give careful attention to the construction, operation and maintenance of the roads and their equipment so far as these matters relate to the safety and general welfare of the public. The following extract from the report of the Commissioner for the year 1900, just ended, is a tribute to the friendly readiness of the railroad companies to safeguard the public, as well as an indication of the watchfulness of the department:

The Railroads of the State, taken as a whole, were probably never in better physical condition than at the present time, and they were never operated with a greater degree of safety. Extensive improvements are continually being made both on roadway and equipment. An especial effort is being made by the management to reduce the liability to accident to the minimum.

The equipment of rolling stock with safety appliances is practically complete. Extra efforts are being put forth by all of the trunk lines to reduce grades and curves and to separate dangerous street and highway crossings so far as it is practical to do so, and a great many have been eliminated. New ones should not be established where it is possible to avoid them, for they are more or less dangerous even with the best protection in use.

The policy of all of the larger Corporations is to interlock all crossings where they intersect with the tracks of other steam roads at grade. A large number of the most important crossings in the State are already interlocked and the work is being carried on very rapidly with a view of interlocking all crossings that can not be separated.

Never in the history of the State has there been such activity displayed in the making of permanent and substantial improvements on the Railroads of the State, as has been made in the past year. More modern and better facilities are being provided for every Department of the Service, and from present indications, the improvements will continue until all of the principal roads operating within the State are brought up to the highest standard.

The volume of business done last year was largely in excess of any previous year in the history of the State. The total gross earnings never reached as high a figure. Ten thousand seven hundred and twenty additional persons were employed, and the sum of \$5,114,810.83 more was paid in wages than for the preceding year.

The Total Mileage of Railroads incorporated under laws of Ohio in 18,354.57 miles, of which 8,691.46 miles are within the State, or 47.36 per cent.

## THE DAIRY AND FOOD COMMISSIONER.

**J**OSEPH ELLIS BLACKBURN was born in a log cabin in the village of Farmington, Colerain township, Belmont county, Ohio, June 30, 1860. He attended the common schools at Martins Ferry and Bellaire until he was nearly twelve years of age, when he went to work at common labor in the Belmont Glass Works. He rose step by step until he became foreman of the factory. He was one of the principal organizers of the most successful mold makers' union in the United States and was either President or Secretary thereof as long as he worked at the trade.

In 1887 Mr. Blackburn embarked in the drug business, and, after taking a course in pharmacy at the Ohio Medical University at Ada, had the degree of Ph. G. conferred upon him. He never held public office until elected a member of the Seventy-second General Assembly in 1895. He is a Republican and was nominated by the State Convention of his party for the office of State Dairy and Food Commissioner March 11, 1896, and elected by a plurality of 52,519 votes.

Mr. Blackburn assumed his official duties February 16, 1897. He was elected to a second term in 1898 and to a third term in 1900 by an increased majority.

## THE STATE EXAMINER OF STEAM ENGINEERS.

**G**EORGE M. COLLIER, chief examiner of engineers, is an Ohio boy born on a farm near Elyria, Ohio, Lorain county, in 1859, where he resided until he was eleven years of age, when his parents removed to North Amherst, Lorain county, Ohio, where he received a common school education. After leaving school he served an apprenticeship at the machinists' trade with one of the largest ship building concerns in the country. He has held some very important positions as master mechanic and chief engineer, notable among which was the position of chief engineer of the J. H. Wade Estate, of Cleveland, Ohio, which very responsible and lucrative position he resigned to accept an appointment under Governor Nash as Chief Examiner of Engineers.

Mr. Collier is widely known throughout the State, especially among the engineering fraternity. He has been identified with the organization of stationary engineers, and as such had much to do with securing legislation favorable to engineers. He has shown good executive ability in the appointment of and organization of his force of district examiners to carry out the intent and letter of the law.

His ancestors on both sides were from New England, and were of a mechanical turn of mind. Mr. Collier is at the present time a resident of Cleveland, Cuyahoga county, Ohio, where he has lived for the past fourteen years.

**THE EXAMINER OF STEAM ENGINEERS.**

The law creating this department was passed March 1, 1900, and provides for the better protection of life and property against injury or damage resulting from the operation of steam boilers and engines by incompetent engineers and others.

The Governor of the State of Ohio, with and by the advice and consent of the Senate, appoints a chief examiner of steam engineers, and the chief examiner, with the approval of the Governor, appoints six district examiners and a clerk, provided, however, that not more than three of said examiners shall be members of any one of the two great political parties. The chief examiner and district examiners are required to be competent and practical steam engineers, and hold their offices for a term of three years from the date of their respective appointments and until their successors are appointed and qualified. In case of the resignation, removal or death of any of the examiners, the vacancy is filled in the manner as provided for in the original appointment, for the unexpired term only. The Examiners are required to devote their whole time and attention to the duties of their respective offices. The chief examiner is located in the State House, Columbus, Ohio, where all the records of his office are kept. And he issues such instructions and makes such rules and regulations for the government of the district examiners as will secure uniformity of action throughout the State. The salary of the chief examiner is \$1800 and that of the district examiners, \$1200, together with all necessary traveling and office expenses incurred by them in the discharge of the duties. The salary of the clerk is \$720. The chief examiner is required to give a bond in the sum of \$3,000 and the district examiners in the sum of \$2,000.

Any person who desires to act as a steam engineer, shall make application to any district examiner for a license so to act, upon a blank furnished by the examiner, and if, upon examination, the applicant is found trustworthy and competent, a license shall be granted him to have charge of, or to operate any steam plant. Such license shall continue in force for one year, unless after a proper hearing it is sooner revoked for intoxication or other sufficient cause, the said license to be renewed yearly. The fee for examination and license is \$2.00, and for renewal is \$1.00.

It is the duty of each district examiner to notify every person operating a steam boiler or engine in his district, to apply for a license, and to give such person a reasonable opportunity to take the examination therefor. Any owner, user, or engineer, who violates any of the provisions of this law, is liable to a fine of not more than \$100 nor less than \$10. The examiners have authority to visit any and all engine rooms in the state at all reasonable hours.

## OHIO FISH AND GAME COMMISSION.

**T**HE Ohio Fish and Game Commission was created in 1886. The commission is composed of five members appointed by the Governor, who serve without compensation excepting their actual expenses, for a period of five years each. The present personnel of the Board consists of Col. J. L. Rodgers, President, Columbus, Ohio, Col. Albert Brewer, Tiffin, Ohio, J. C. Burnett, Sabina, Ohio, A. J. Hazlett, Bucyrus, Ohio, and C. E. Buroker, St. Paris, Ohio. The Board being non-partisan, the first three are the Republican, and the last two the Democratic members of the Board. L. H. Reutinger is secretary and chief warden. "It is the duty of the commissioners to examine the various rivers, lakes, ponds and streams in the state or bordering thereon and ascertain whether they can be rendered more productive of fish and game, and what measures are required to effect this object, either in restoring the production of fish and game in and about them, or in protecting and propagating the fish which at present frequent and abound in them, or otherwise; and the commissioners shall carry into effect all such measures, in this behalf, that they deem necessary, so far as means are placed at their disposal for these purposes; and they shall also inquire into the matter of the artificial propagation of fish in the waters of the state, and adopt such plans to test the efficiency of this mode of increasing the quality of edible fish as they think best."

The commission has erected a plant at London, Ohio, for the purpose of propagating the Mongolian and English ring-necked pheasant and the breeding of black bass, marble cat and other species of edible fish. The plant is an extensive one and the commission succeeds in rearing at least from two to three thousand pheasants every year for public distribution and from a half to one million fish for planting in the public streams. According to an act of the last General Assembly the commission may appoint deputy state wardens wherever they see fit. Their jurisdiction extends over the waters of Lake Erie within the boundary line of Ohio. That industry alone is of great magnitude and importance and from twenty-five to forty million pounds of fish are taken from these waters annually. The experiment of propagating the Mongolian pheasant has proved very successful and within a few years the commission expects to report an abundance of pheasants in every locality in the state of Ohio.

THE STATE FIRE MARSHAL.

**S**D. HOLLENBECK, the first State Fire Marshal of Ohio, was born in Geauga county, Ohio, August 19, 1850. He received his early education in the common schools, afterward attended the Western Reserve at Hudson, Ohio, and later graduated in a commercial course at Hiram College.

In 1887 he was elected auditor of Geauga county, and was four times chosen for that important office. From his youth up he has been prominent in politics—a recognized leader in local affairs—and also prominent in State politics.

He is a ready speaker and noted for the originality of his ideas and clearness of expression. His long experience in the auditor's office during the tax-inquistorial days gave him an experience along the detective line, which will prove valuable in his present position.

While the law creating the office of Fire Marshal was in no sense a political one, yet the manner of appointment by the Governor makes it a political office and subjects the marshal to the changes incident to politics, but while Mr. Hollenbeck is a strong party man, he proposes that the management and operations of the bureau shall be absolutely non-political.

## DUTIES OF THE STATE FIRE MARSHAL.

The act which established the office of the State Fire Marshal was passed by the Seventy-fourth General Assembly on the 16th day of April, 1900, and on May 30th Governor Nash, by the authority given him under this act, appointed S. D. Hollenbeck, of Chardon, Geauga county, Ohio, to be the first State Fire Marshal.

Under the provisions of the act it becomes the duty of the Fire Marshal to cause an investigation of all fires which occur in the State, with the object in view of reducing, if possible, the enormous fire waste, lessening the loss to insurance companies, and thereby reducing insurance premiums. It is also his duty to make an investigation of inflammable and other conditions from which fires are liable to originate, and have the same remedied or removed. For many years, on account of the difficulty connected with establishing the crime of arson, very few incendiaries have been punished in the State, the total average per year not exceeding two. Estimating the loss caused by incendiary fires upon the best information to be obtained, the total loss to the people of the State resulting from such fires will amount to from twenty to forty percent. of the total fire waste of the State each year. The wisdom of the Legislature in providing some means of reducing this waste is therefore apparent. To assist the Fire Marshal in carrying out the object of the act, the State was divided by him into seven districts and a division assistant to the Fire Marshal was appointed for each district, to whom, under the provisions of the law, township clerks, mayors of villages and chiefs of fire departments report all fires occurring in their respective territories. All fires reported as suspicious are investigated by the assistant, and where necessity requires one of the two deputies appointed by the Fire Marshal goes to the scene of the fire and holds an inquest. The testimony of all witnesses who have knowledge of the fire, is taken in writing under oath. If the facts warrant, an arrest is made and the guilty party bound over to the grand jury, indicted and tried for arson. The office is provided with a corresponding clerk and a statistician, whose duties are to keep a complete and classified record of all fires and their causes. The office has already met with unexpected success in the prosecution of incendiaries and a goodly number of fire bugs who, through the efforts of the office are now in the "Pen," will be prevented for some time from carrying out their nefarious calling of setting fire to buildings for the purpose of securing insurance or for any other motive. Below will be found a complete roster of the employes of the department, together with their postoffice addresses.

## STATE GEOLOGISTS.

The Geological Survey of the State of Ohio was undertaken during the year 1869 by legislative authority and was actively prosecuted until 1875 by which time the work had been practically completed and a published report made in several volumes. The work was begun under Professor John S. Newberry and completed under Professor Edward Orton, who had been closely identified with its details and practical execution from its inception. The professorship of State Geologist is now attached to the Ohio State University, where the work is continued.

The State Geologists have been:—

John S. Newberry, appointed 1869; E. B. Andrews, appointed 1872; Edward Orton, appointed 1875, and Edward S. Orton who succeeded to the position upon the death of his father.

## THE INSPECTOR OF BUILDING AND LOAN ASSOCIATIONS.

**T**HIS bureau was created May 1, 1891, by the enactment of the Corcoran law, making the Superintendent of Insurance *ex-officio* Inspector of Building and Loan Associations.

The deputy inspectors, who have at various times been in charge of the bureau, with their residence at the time of appointment, term of service, and politics are:

| Name.                | Politics.    | Residence.     | Term of Service.            |

| Roscoe J. Mauck....  | Republican.  | Gallipolis.... | June, 1900.                 |

The present force of this bureau consists of:

| Name.                  | Residence.      | Office.       |
|------------------------|-----------------|---------------|
| Joseph Everhart.....   | Cleveland ..... | Chief Clerk.  |

| John W. Hook.....      | West Union..... | Examiner.     |
| Emery P. McCorkle..... | Warren .....    | Examiner.     |

This bureau originated with those who were connected with building associations and who most thoroughly appreciated the necessity of state supervision.

The work of the bureau is largely that of auditing the annual reports of the associations, pointing out to such associations such practices as may contravene the law and requiring their abandonment; furnishing legal and other advice to such associations; examining such associations as may seem to need it and as the resources of the office admit.

If any association fails to abandon any illegal practice within thirty days after being so notified by the Inspector, or if any association is

found to be in an unsound condition, and the interests of the public demand its dissolution, such facts shall be communicated to the Attorney General, who shall institute the proper proceedings to revoke the charter of such association and wind up its business.

All examinations are paid for out of the fees paid by the associations; other expenses are met by the State.

The building association interests of Ohio now amount to more than a hundred million dollars.

The Deputy Inspector, by virtue of an act passed in April, 1898, is also Supervisor of bond investment companies.

## THE INSPECTOR OF MINES.

**E**LMER G. BIDDISON, the present Chief Inspector of Mines, was born in Monroe township, Perry county, Ohio, October 23, 1863. His early life was spent on a farm located in Trimble township, Athens county, Ohio. In the year 1880 the development of the Sunday Creek valley coal fields was begun. The subject of this sketch, being desirous of securing a better education than that afforded in the country schools, engaged in work at the coal mines with a view of being better able to earn means to accomplish his purpose. Enough funds were earned through laboring at the mines, and in other vocations, to defray his expenses for three years' schooling at the Ohio University at Athens, Ohio. In 1887 he engaged in mining engineering and surveying, and followed that vocation until December 1, 1891, at which time he was elected County Surveyor of Athens county, Ohio. He served in this capacity for a period of six years. At the expiration of this time he was elected Treasurer of the county, holding that position for four years. On May 1, 1900, he was appointed Chief Inspector of Mines by Governor George K. Nash.

## A REVIEW OF THE OHIO STATE MINING DEPARTMENT.

In the year 1871, owing to a catastrophe occurring in the Avondale Mine, located in the anthracite region of Pennsylvania, in which one hundred and nine persons lost their lives for the want of a second opening, the miners of this state held meetings and signed petitions requesting that laws be enacted to regulate and ventilate mines, and that an authorized official supervisor be appointed. These petitions were presented to the Senate by Senator Woodworth, of Mahoning County, and were referred to a select committee of seven senators from the mining regions of the state. This committee authorized Senator Daugherty to prepare a bill on the subject. Six of the seven senators recommended the passage of the bill, but it was met with persistent opposition from interested parties.

Senator Woodworth thereupon introduced a joint resolution in the Senate, authorizing the Governor to appoint a commission of three competent persons, one or more of whom should be practical miners, to inspect the leading coal mines of the state in regard to ventilation, means of ingress and egress, and all other matters affecting the lives and health of the miners; and also to inquire into the cause of strikes and report to the Governor, for the use of the Legislature, the facts found in the premises, recommending such legislation as in the judgment of the commission the facts might demand. Governor Hayes appointed a board composed of the following members: Charles Reemelin, of Cincinnati; B. F. Skinner, of Pomeroy; and Andrew Roy, of Glen Roy, Ohio. This board was on duty four months. In the month of January of the following year (1872) the report of the commissioners was laid before the Legislature. Senator Jones, of Trumbull County, chairman of the Committee on Mines and Mining in the Senate, introduced the bill for the ventilation and inspection of mines at this session, which, although passing the Senate by a unanimous vote, failed to secure a constitutional majority in the House, and a substitute by Representative Conrad, of Portage County, was made a law. This substitute contained all the provisions of the Senate bill, except as to the official supervision of the mines by the state. Owing to the fact that it failed to provide for the inspection of mines, its precepts and provisions were disregarded by nearly every mine owner in the state. Accordingly Governor Hayes, in his next annual message to the Legislature, called attention to its defects, and urged the Legislature to so amend the law as to provide for authorized official supervision; otherwise it would continue to be for the most part inoperative. Mr. Sterling, of the House, introduced a bill supplementary to and amendatory of the law, as enacted, providing for a state inspector of mines, and prescribing his duties, but this failed to become a law.

However, during the early part of the session of the Legislature, two bills were introduced in the House of Representatives for the inspec-

tion of mines, one by Mr. McLain, of Trumbull County, the other by Mr. Baker, of Perry County. The McLain bill was amendatory to the act in force, and had the same object in view as the bill introduced by Mr. Baker, but the Baker bill, containing the whole act, was adopted in committee as being simpler than the other, and it became a law.

On April 6, 1874, Wm. Allen, Governor of Ohio, appointed Andrew Roy, Dell Roy, Ohio, to be the first Inspector of Mines. On April 18, 1881, a law was enacted by the General Assembly providing for the appointment of an assistant Inspector of Mines, and on June 4, of the same year Jacob I. Klein, of Stark County, was appointed to fill that position by State Mine Inspector Andrew Roy, by and with the approval of the Governor.

On April 11, 1884, a bill was introduced in the House, which was subsequently amended by the Senate, and passed in its amended form, creating the office of Chief Inspector of Mines, with an assistant designated as a District Inspector in each district. The state was divided into three districts, and three District Inspectors appointed. This was due to the rapid growth of the mining industry, and the great increase in the number of mines, which in turn, increased the amount of work to be done in the office, making it impossible for the Inspector, with one assistant, to perform these duties in a satisfactory manner.

On March 24, 1888, the General Assembly amended Section 290 of the R. S., providing for the appointment of five District Inspectors instead of three. Again on April 18, 1892, Section 290 of the R. S. was revised and supplemented by an additional Section, by the General Assembly, which provided for the appointment of seven District Inspectors. This number has been maintained up to the present time. The following is a list of the Chief Inspectors of Mines, and the term of office served by each, since the creation of the department, together with a list of the Deputy Mine Inspectors, and the time served by each.

## THE INSPECTOR OF WORKSHOPS AND FACTORIES.

**J.** W. KNAUB, present Chief Inspector of the Department of Workshops and Factories, was born in New Holland, Yory County, Pa., April 2, 1833, learned the trade of iron moulding at Wrightsville, in the same county, and removed to Dayton, Ohio, August, 6, 1856, of which city he has been a resident ever since. Appointed to the office of Chief Inspector of the Department of Workshops and Factories, December 7, 1893, by Governor McKinley, to fill an unexpired term. Previous to Mr. Knaub's appointment, a vacancy of six months existed in which there was no regularly appointed Chief, but by the request of Governor McKinley, Captain E. M. Slack, Chief Clerk, had charge of the department as acting chief, which duties he performed in a manner creditable to himself as well as to the department. J. W. Knaub was re-appointed to succeed himself by Governor Bushnell April 29, 1897. The work of the department during the incumbency of the present chief has been greatly increased by new laws which imposed additional duties; such as the blower law, which requires the placing of exhaust systems to carry away dust from dust creating machinery; the bakeshop law, which compels good sanitary conditions in bakeshops; the sweatshop law, specifying in what kind of building and under what conditions clothing and cigars may be manufactured; the law requiring low water alarms to be placed on all stationary steam boilers. The law on public

buildings, etc., was also amended so as to include many buildings not previously mentioned.

The department originated from the urgent appeals of organized labor throughout the state to the General Assembly, and its purpose is to save life and limb by ordering safe-guards to be thrown around all dangerous machinery and looking after sanitary conditions in workshops and factories and ordering fire escapes on such shops where necessary, and causing all owners of buildings used for the assemblage of people to supply them with proper means of egress and fire protection.

The act of 1884 creating the Department of Workshops and Factories, provided for the appointment of one inspector by the governor, but did not specify the term of office or make any provisions for office room. Henry Dorn, of Cleveland, was appointed Inspector, and entered on the duties of his office April 14, 1884, establishing headquarters at Cleveland. April 29, 1885, the act was amended creating the office of Chief Inspector, and providing for the appointment of three District Inspectors, and locating the department in the State Capitol. Henry Dorn was appointed Chief Inspector, serving from April 29, 1885, to April 29, 1889.

W. Z. McDonald, of Akron, was appointed Chief Inspector April 29, 1889, and served one full term to April 29, 1893. March 23, 1892, the law was amended empowering the chief inspector to appoint eight additional District Inspectors. Mr. McDonald was reappointed for a second term and served until June 12, 1893, when removed.

E. M. Slack, of Columbus, the chief clerk, was placed in charge of the department, as acting Chief Inspector, June 12, 1893, and served until December 7, 1893, in that capacity.

J. W. Knaub, of Dayton, was appointed Chief Inspector to fill the vacancy occasioned by removal of W. Z. McDonald, December 7, 1893, and served until April 29, 1897, reappointed for a term of four years, term ending April 29, 1901.

April 27, 1896, a law was enacted providing for the inspection of bakeshops and empowering the Chief Inspector to appoint two Bakeshop Inspectors, making total number of District Inspectors thirteen.

The act creating and governing the department makes it the duty of the governor, by and with the advice and consent of the Senate, to appoint the Chief Inspector, whose term is four years.

The act also empowers the Chief Inspector, with the approval of the Governor, to appoint all District Inspectors, whose term of office is three years.

It is the duty of the Chief Inspector to give his entire time and attention to the duties of his office, to direct and supervise the work of his District Inspectors and to make such rules and regulations, not inconsistent with the law, as will be for the best interest of the service.

*The Inspector of Workshops and Factories.*

It is the duty of the District Inspectors to give their entire time and attention to the duties of their office; to visit all shops and factories in their respective districts; to inspect all manufacturing, mechanical, electrical, mercantile art and laundrying establishments, printing, telegraph and telephone offices, railroad depots, hotels, memorial buildings, tenement and apartment houses, halls, school houses, colleges, academies, seminaries, churches, theatres, opera houses, hospitals, medical institutes, asylums, infirmaries, sanitariums and childrens' homes, for which purpose the State is divided up into eleven inspection districts, equalized as near as possible.

It is the duty of the two Bakeshop Inspectors to inspect all bakeshops in the state, as to their sanitary condition, etc., the state being divided into two districts for that purpose, known as the Northern and Southern.

The present working force now consists of one Chief Inspector, eleven District Inspectors, two Bakeshop Inspectors and four clerks, as follows:

The Department of State is one of the most important divisions of the executive branch of the state government.

Under the Constitution of 1802, the Secretary of State was appointed by the General Assembly, and the duties of the office consisted mainly, to use the words of the old Constitution, in keeping a "register of all official acts and proceedings of the Governor."

The office, however, under the Constitution of 1851, was made elective, and elevated to the dignity of a department; and by virtue of that constitution and subsequent legislation thereunder, some of the most important executive and administrative functions of the state government are devolved upon this office.

JAMES I. ALLREAD, Chief Clerk.

The Secretary of State is made by law the custodian of the acts of the General Assembly, and under his supervision the same are printed and published, and by him all exemplifications of the same are required to be authenticated, and all commissions issued by the Governor to be countersigned.

In this office also, under general statutes, all incorporations are required to be created. Recent legislation, imposing upon domestic and foreign corporations taxation, or privilege fees based upon capital stock, which the Secretary of State is required to collect and pay into the state treasury, makes this department one of great consequence and importance to the state.

The Secretary of State, by virtue of his office, is a member and the secretary of the State Sinking Fund Commissioners, president of the Board of Printing Commissioners, member of the Decennial Board of

Apportionment for legislative purposes, and of the State Building Commission.

He is also, by virtue of his office, made State Supervisor of Elections, and as such has the power of appointment and removal of the members of the various boards of Deputy Supervisors of Elections in the various counties, is required to collate and publish the election laws of the state,

CHARLES KINNEY, Secretary of State. Retired Jan. 11, 1901.

to determine the arrangement of the ballot, and prepare and furnish forms and instructions to the various county boards of elections, to receive and file certificates of nominations, or nomination papers for presidential electors and state officers, to hear and determine objections or other questions as to the validity of said papers, to decide upon the validity of all nomination papers of a county, district, sub-division of the district, or circuit, when the county, district or circuit board, authorized to pass upon these papers, fail to decide, and a decision of the Secretary of State upon these questions is final.

## THE STATE AGENT FOR WAR CLAIMS VS. UNITED STATES GOVERNMENT.

---

THE office of Ohio State Agent for War Claims was created to properly present and prosecute the claims of Ohio against the general government for money expended in the raising and equipping of Ohio Volunteers entrusting the services of the United States to aid in the Civil War 1861-1865. Prior to 1880 the duties of said office was entrusted to the Adjutant and Quartermaster General of the State. Ohio expended on the account of the government during the Civil War in round numbers \$6,000,000, and of the large sum this office has collected and returned all save \$200,000 and one claim for heir of money on the bonds of the State amounted to \$452,000. For money expended on the account of the Spanish War Ohio has been equally fortunate in the settlement of the claim against the general government—having expended upward of \$450,000, all of which has been reimbursed save \$17,000 yet unsettled. The appointment of War Claim Agent is made by the Governor. Since 1880 the appointment as agent has been given to W. O. Tolford, and his service has been continuous to the year 1901. Prior thereto he was employed upon similar duty in the office of the Adjutant General of Ohio. His total services as Claim Agent have extended over a quarter of a century.

The following is a list of Claim Agents for war expenditures on account of the general government:

B. P. Baker, 1862; A. B. Lyman, 1862; James E. Lewis, 1862; J. C. Wetmore, 1862; Hiram Beall, 1863; F. W. Bingham, 1863; R. E. Cox, 1863; Jonathan Cranor, 1863; Weston Flint, 1863; J. C. ## STATE COMMISSIONER OF SOLDIERS' CLAIMS.

**W** L. CURRY was born in Union county, Ohio, June 25, 1839. He is the son of Stephenson Curry, and his grandfather, Colonel James Curry, was an officer of the "Continental Line" in the 4th and 8th Virginia during the War of the Revolution, and was granted, as part payment for his service, one thousand acres of land in Union county and the family settled in that county in the year 1811. Mr. Curry, the subject of this sketch, worked on his father's farm during his boyhood days until he arrived at the age of twenty-one. He was given a good education in the country schools and he also attended a private select school for two or three terms at the old academy in Marysville, the county seat, and taught school in the county four winters. In the fall of 1860 he entered the Otterbein College at Westerville, Ohio, intending to complete a scientific course in three years, and in January, 1861, commenced the study of law. The fall of 1860 ended his school days, as at the breaking out of the war of the rebellion he enlisted in an infantry company in April, 1861, for the first three months' service. At the organization of the company he was elected First Lieutenant and the company commenced drilling at once, but the quota of Ohio was filled before this company was mustered in. He then enlisted in the first call for three years' troops as a private in the First Ohio

Volunteer Cavalry. At the organization of the company he was appointed Orderly Sergeant and was promoted successively to Second Lieutenant, First Lieutenant and to the Captaincy of his company, and also served several months as Regimental Quartermaster. Colonel Curry served through the war with his regiment, participating in all of the battles of the Army of the Cumberland, including the Siege of Corinth, Miss., Perryville, Stone River, Chickamauga, Mission Ridge and the campaign of the "One hundred days under fire from Chattanooga to Atlanta."

He was at one time a prisoner of war and was discharged by reason of "injuries received in the line of duty," after a service of three and one-half years at the front.

After the war he engaged in the mercantile business in Union county, until the year 1875, and that year he was elected Auditor of Union county and served as County Auditor three successive terms. On retiring from that office he engaged in the lumber business and in which he still retains an interest. He served as Assistant Adjutant General of Ohio during both of President McKinley's terms as Governor, and also served in the National Guard of Ohio five years as Lieutenant Colonel of the 14th Regiment, O. V. I.

His family has been engaged in all the wars in this country since the Revolution and two brothers served through the War of the Rebellion, and one of whom attained the rank of Captain. He has always taken a great interest in military affairs and has written and published the history of "Union County in the War," a history of the "First Ohio Cavalry" and a number of patriotic poems.

## THE SUPERINTENDENT OF INSURANCE.

THE State Insurance Department was established by the Act of March 12, 1872. Prior to that time, insurance companies were regulated by the Department of the State Auditor, under the Act of April 15, 1867. The Bureau of Building and Loan Companies was added to the department May 1, 1891, and subsequently Bond Investment companies. All insurance companies, operating in Ohio, are required to annually submit statements, reporting their financial condition on December 31, and other information required by law and the regulations of the department. No insurance company and no agent of non-Ohio companies is permitted to transact business, unless duly licensed by the department. Licenses expire annually, and, if compliance with the law is shown, the licenses are usually renewed.

As a comparative statement of general interest, the following figures disclose the extent of the business transacted in Ohio and supervised the first year of the department, 1872, and the last year, 1900, viz.:

In 1872—Sixty-seven life insurance companies and associations wrote in Ohio, risks aggregating \$30,187,044.00, receiving premiums of \$4,943,260.70, and paid losses of \$1,481,538.87. One hundred thirty-eight insurance companies and associations other than life wrote risks aggregating \$378,690,031.37, receiving premiums of \$4,530,743.75, paying in losses, \$1,609,295.81.

In 1890—Seventy-four life insurance companies and associations (other than fraternal) wrote risks in Ohio, aggregating \$128,426,652.38, receiving premium aggregating \$16,616,906.92, paying losses of \$7,809,375.92. Sixty-four fraternal beneficiary associations wrote risks aggregating \$48,254,563.00, and paying losses of \$1,974,367.32. Three hundred thirteen insurance companies other than life wrote risks aggregating \$1,122,591,052.99, receiving premiums of \$10,234,265.59, and paying losses of \$6,222,794.11.

In 1872, the receipts of the department were fees aggregating \$26,246.71, and the expenses, including salaries, were \$9,440.93. While in 1900, the fees paid amounted to \$65,322.91, taxes due the state \$72,203.97, fire marshal tax \$31,881.14; total received by the department \$169,408.02. The total expenses of the department were \$17,632.25, not including printing, binding, stationery and supplies procured through the Supervisor of Public Printing and the Secretary of State, and not including disbursements in the Building and Loan Investment departments. Non-Ohio insurance companies paid taxes due in counties in 1900, aggregating \$464,383.82.

## THE STATE SUPERVISOR OF PUBLIC PRINTING.

**L** EONARD HIRSCH, late Supervisor of Public Printing, enjoys the unusual distinction of being appointed for the sixth term to the same state office, having been selected for the place by three different Governors. He was born in Berncastel on the Moselle, Rhenish Prussia, Germany, October 13, 1834. He received a common school education and learned the trade of printer. Emigrating to America about 1871, he remained for a period in New York, where he held several important positions, among them that of manager of the "Oestliche Post," a German daily. He accepted a similar position in St. Louis, where he remained until 1876. Removing to Columbus, Ohio, Mr. Hirsch worked for eighteen months in the "Westbote" office, and then established a Republican weekly, the "Ohio Sonntagsgast," although without any ready money, and in spite of the fact that the German population of Columbus was overwhelmingly Democratic. He established in 1891 a Republican daily, the "Express," the only German Republican paper in Central Ohio. In 1886 Governor Foraker appointed Mr. Hirsch to the office of Supervisor of Public Printing. He served under that executive for two terms, and was subsequently appointed by Governor McKinley to fill out the unexpired term of his Democratic successor, and later to two full terms. In April of 1897, he received his sixth appointment, this time at the hands of Governor Bushnell. He was succeeded by Mr. Mark Slater, of Dayton, June 1, 1900.

*The State Supervisor of Public Printing.***THE SUPERVISOR OF PUBLIC PRINTING.**

The department of Public Printing consists of a board of Commissioners of Public Printing which is composed of the Auditor of State, the Secretary of State and the Attorney-General, and a supervisory department which is managed by an officer called the Supervisor of Public Printing, who is appointed by the Governor for a term of two years.

In the early history of the state, the Public Printer was elected by the General Assembly, generally on the recommendation of the Committee on Public Printing, which was charged with the duty of canvassing for bids and recommending as its candidate the party presenting the most favorable terms or most favorable conditions for the execution of the work.

The office of Supervisor of Public Printing was created by the General Assembly in the year 1860, the appointing power being vested in the Commissioners of Printing, who appointed L. L. Rice to the office. In the year 1864, the law was so changed as to vest the appointment of the Supervisor in the Governor, who appointed W. O. Blake as such officer.

**STATE BINDERY.**

The State Bindery was organized in the year 1867 by the Supervisor of Public Printing and the Trustees and Superintendent of the Deaf and Dumb Asylum, for the benefit of the unfortunate deaf mutes of that Institution.

The Supervisor is charged with the superintendence of the State Bindery, which is located on the grounds of, and largely operated by pupils of, the Institution for Deaf Mutes, in Columbus. He is also given executive authority in the oversight of the printing done under the several state contracts, and must see that the work is properly done and promptly delivered. He must keep a record of all the work done by the two branches of state printing and state binding, and submit an annual report to the Governor covering the business done by these departments.

**STATE PRINTING.**

The contracts for state printing are let by commissioners every two year by competitive bids, which are duly advertised. There are nine classes of printing which are defined as follows:

First Contract — Consisting of bills, resolutions, etc., of the General Assembly.

Second Contract — Journals of the Senate and House of Representatives.

Third Contract — All reports, communications, etc., printed in pamphlet form, except bulletins of the Ohio Agricultural Experiment Station.

Fourth Contract — General and Local Laws and Joint Resolutions.

Fifth Contract — All blanks, circulars, etc., for executive departments, other than pamphlets.

Sixth Contract — Bulletins Ohio Agricultural Experiment Station.

*The State Supervisor of Public Printing.*

Seventh Contract — Reports of Secretary of State, Inspector of Building and Loan Associations and Commissioner of Labor Statistics.

Eighth Contract — Reports of Auditor of State, Commissioner of Common Schools, Superintendent of Insurance (Life and Fire), and Report of the State Board of Agriculture.

Ninth Contract — German printing and translating, comprising all documents ordered to be printed in German by the General Assembly or either branch thereof.

The state binding is done by day labor, chiefly, as has been stated by the pupils or ex-pupils of the Institution for Deaf Mutes.

The number of persons so employed during the year is about forty.

## THE STATE BOARD OF EQUALIZATION.

### STATE BOARDS OF EQUALIZATION OF REAL PROPERTY FOR TAXATION.

#### *Method of valuing real property in Ohio.*

**B**Y AN ACT of the General Assembly in 1825, the method of assessing taxes upon real property which had been in vogue from the beginning of the state government, and which was based upon separation of lands into different classes for taxation, was abolished, and the present method was put in force. Briefly it is this: Land Appraisers are elected in each ward and township at stated periods who assess a tax value upon the land in their respective districts. This is reported by them to the County Board of Equalization which is composed of three County Commissioners, the County Surveyor and the County Auditor. The County Board of Equalization has power to equalize the value assessed against the property of the separate individuals and to increase or decrease the said values provided the total duplicate returned by them shall not fall below the total of all property returned to them by the local Land Appraisers. The finding of the County Board is then reported through the Auditor of State to a State Board of Equalization, which is elected by the people of the several Senatorial Districts in Ohio, and which is composed of as many members as the next preceding Senate. Under the present law, the Land Appraisers are elected in the fall of the ninth year in each decade; perform their duties and make their report to the County Boards in the following spring; the returns are acted upon by the County Board in the summer and fall of the tenth year of each decade, in which year the State Board is elected at the November election and begins its decennial term of from four to six months, in December following the election. In addition to the equalization by County and State Boards, the property in each city is equalized, as between individuals, by City Boards of Equalization, whose reports of valuations are made to the County Auditor and by him transmitted to the State Board along with his report of the action of County Board in his county. The County Boards of Equalization have no authority over the valuations of property within cities having separate boards. The State Board of Equalization equalizes valuations between counties and cities, but has no jurisdiction over individual valuations.

The following tables show the membership of the State Boards of Equalization from 1825 to 1902, the first State Board being elected by the General Assembly then in session (December 15, 1825) one member for each congressional district:

TREASURY DEPARTMENT,

## THE TREASURER OF STATE.

AAC B. CAMERON, of Lisbon, Columbiana County, the present Treasurer of State, was born in the city of Nairn, Scotland. When he was yet an infant, his widowed mother emigrated to America to better her condition and provide greater facilities for the education of her family, of which the subject of this sketch was the youngest of six, hoping that in so doing she would afford them more abundant opportunities for success in life. Upon arriving in this country the family settled on a farm in Jefferson County, a short distance south of Salineville, removing thence about the year 1855 into the village. Here the children of the family were reared. Mr. Cameron attended the public schools there and graduated from the Iron City Business College of Newburg. At an early age he accepted a position as a bookkeeper for a local mercantile firm, with whom he remained until 1874. His business ability soon advanced him to a partnership in the business, which he successfully conducted until in 1880, when Mr. Cameron became the owner, after which the business continued to grow and prosper. In 1893, when he was elected Treasurer of Columbiana County by a majority the largest ever given to any candidate for any office in the county up to that time. He was re-elected in 1895. The business system introduced and enforced during the four years of his incumbency in office established a standard and created a model worthy the emulation of all public officials.

When in 1898 the First National Bank at Lisbon was declared to be insolvent, Mr. Cameron having but a short time previously retired from the office of County Treasurer, was the unanimous choice alike of the creditors and stockholders for appointment as Receiver, such was their confidence in his ability to disentangle the labyrinth of complications resulting from the reckless conduct of its affairs upon the part of its management.

In this work he was engaged for more than a year, during which time he brought order out of chaos. He succeeded in fixing the responsibility for the failure of the bank, and although the books were miserably kept and outrageously falsified he obtained judgments in every suit brought by him having for its object the recovery of funds belonging to the unfortunate institution, thus proving the wisdom of those interested in their selection of him for Receiver.

Mr. Cameron is a thirty-second degree Mason, a Knight Templar, a member of the Independent Order of Odd Fellows, a Knight of Pythias and an Elk. He was married in 1875 to Miss Laura A., daughter of John B. and Mary A. Irwin, of Cleveland, Ohio. Mr. and Mrs. Cameron have one child, a son, Roy MacDonald Cameron, who was born in the year 1883.

Mr. Cameron was nominated for the office of Treasurer of State at the Republican State Convention held in the city of Columbus, June 2, 1899, on the first ballot, and he was elected in November, 1899, by a large majority. He was inducted into office on the first Monday in January, 1900, since which time he has completely remodeled the interior of the office and inaugurated a much-needed system for expediently and safely conducting the large volume of business of the Department, which aggregates in receipts and disbursements many millions of dollars annually. In order that the funds of the State might be safely cared for and the securities required by law to be deposited with the Treasurer of State might be properly classified and securely stored, Mr. Cameron planned and has had constructed in the Treasurer's office a large steel vault, made by skilled workmen, of the best material known to the art, and weighing some twenty tons. In this vault he has built for the storage of bonds and other securities, steel filing cases, all the compartments of which are so numbered and lettered that, in connection with a card index system installed by him, any security or paper of value entrusted to his keeping may be easily located and readily produced. All which demonstrates Mr. Cameron to be a thorough, systematic, business man, eminently well qualified to discharge in an acceptable manner the responsible duties of the position he so ably fills.

At the Republican State Convention held in Columbus in June, 1901, Mr. Cameron was nominated by acclamation for Treasurer of State for a second term. In politics he has always been a Republican, and has

ever assumed an active share in the party work. Scarcely had he attained his majority when he was chosen a member of the County Central Committee. So well was his work done there that he was soon chosen Chairman of the County Executive Committee, three times honored with a re-election, and is now serving the Republicans of Columbiana County in that capacity. To his management is largely due the fact that that county of phenomenal Republican pluralities is free from bickering and factional strife. Since he has been Chairman, Columbiana County has given the Republican ticket the largest pluralities in its history.

### COMMENDATION OF THE JUDICIARY.

---

**G**OVERNOR JOSEPH VANCE in his inaugural address says, among other things, of the judiciary of the state (December 13, 1836):

"I have again and again, whilst on business in the eastern cities, heard our judiciary spoken of in terms that made me proud that I was a citizen of Ohio. 'No collusion or fraud, sir,' says an eminent merchant of one of our eastern cities, 'can stand before your judiciary.' This is the character, gentlemen, that causes capital to seek employment here; this is the character that gives security to our rights, and value to our property; and to these combined causes, are to be attributed a large portion of that flowing prosperity that is felt throughout every portion of our commonwealth."

THADDEUS A. MINSHALL,  
CHIEF JUSTICE.

**THADDEUS A. MINSHALL**, who is serving his fourth term as Chief Justice of the Supreme Court of Ohio, is a native of Ohio, born in Ross County, June 19, 1834. His educational training began in the country schools, and rounded up by attendance at Mt. Pleasant Academy, in his native county. His legal education was obtained in the office of S. L. Wallace of Chillicothe, being admitted to the bar in 1861. He served in the War of the Rebellion with distinction, at the close of which he began the practice of law at Chillicothe. He has filled the positions of prosecuting attorney and judge of the Court of Common Pleas, being first elected to the latter in fall of 1876, holding it until elected to fill the vacancy on the Supreme bench caused by the resignation of Judge McIlvaine in 1886. In 1890 and 1896 he was re-elected for full terms.

As a *nisi prius* judge he presided over many important trials and displayed rare ability as a trial judge. Some of his charges to the jury have become noted. As judge of the Supreme Court, his opinions bear evidence of learning, careful thought and study. He regards the law as founded upon principles, and not alone upon cases. His words are susceptible of but one meaning, and are never placed in print without the most careful scrutiny and consideration. He has written some very important opinions which are models for brevity and conciseness. *Ford v. Osborne* 45 O. S. 1., is perhaps the most frequently cited of any late case. It settles the degree of proof required to set aside an instrument which purports to be sealed and acknowledged, and that the Supreme Court will review the evidence for the purpose of determining if the rule has been violated. *State ex rel. v. Standard Oil Company* 49 Ohio St. 137, was a case argued by able counsel, in which was involved the question whether or not an agreement by which stockholders of a corporation transfer their stock to trustees in consideration of the agreement of stockholders of other companies and partnerships engaged in the same business doing likewise, all to receive in lieu of their stock trust certificates, and the trustees thereafter to control the affairs of the corporation in the interests of the trust, is against public policy as tending to create a monopoly and control production and prices.

**MARSHALL J. WILLIAMS.**

**MARSHALL J. WILLIAMS**, a present member of the Supreme Court, was born on a farm in Fayette County, Ohio, February 22, 1837. He has the educational advantages afforded by the excellent schools at Washington C. H., to which was added a course of two years at the Ohio Wesleyan University; after which he commenced the study of law in the office of Hon. Nelson Rush, then one of the prominent lawyers in that part of the State. He was admitted to the bar in November, 1857, and immediately entered upon the practice of his profession at Washington C. H., taking a prominent position at the bar. In 1859 he was elected prosecuting attorney, and re-elected to a second term; after the completion of his term in that office he rapidly grew into an extensive and lucrative practice, being stationed on one side or the other of the most important cases in the courts of his county, his practice extending to the surrounding counties. He pursued the business of his profession uninterruptedly until 1890, when he was elected representative in the General Assembly, serving two terms therein. He was a recognized leader of that body, a clear and forcible debater, and no one possessed in greater degree the respect and confidence of his fellow-members. His counsel was much sought by members in the preparation of legislative measures. Upon the close of his legislative term of office, he resumed the practice of his profession until 1894, when he was elected Judge of the Second Circuit Court. He was chosen as the first Chief Justice of the Circuit Court of the State. While occupying a position upon the bench of the Circuit Court, he was nominated by the Republican State Convention of 1886, for judge of the Supreme Court, and was elected at the ensuing election, taking his position upon the bench of that court on the ninth day of February, 1887; was its Chief Justice February 9, 1891, until February 9, 1902, when he entered upon his second term as judge of that court. Judge Williams possesses a high order of legal and judicial mind, and his opinions speak well for his ability. Judge Williams was elected as the first Dean of the Faculty of the Law Department of the Ohio State University, and was active in the promotion of the school. He is in the full possession of physical health and intellectual vigor, which, with his industrious habits, enable him to accomplish a vast amount of work. Judge Williams was re-elected in 1891 and 1897. He will become Chief Justice in February, 1902, having served in that honorable chair twice previously during his membership of the Court.

JACOB F. BURKET.

JACOB F. BURKET, a present member of the Supreme Court, was born in Perry County, Ohio, March 25, 1837. He was elected to the additional judgeship created by the legislative enactment of 1892. In his younger days he taught school and also followed the carpenter's trade. He commenced the study of law in June, 1859, at the same time teaching school during winter months. He was admitted to the bar July 1, 1861, and commenced the practice of his profession at Ottawa, Ohio, removing to Findlay, Ohio, in April, 1862, forming a partnership with Henry Brown, Esq., which firm was dissolved May 1, 1869, after which he practiced alone until January 1, 1888, when he formed a partnership with his son Harlan F., which firm continued until taking his seat upon the Supreme bench, in February, 1893. As a lawyer he was noted for the clear manner in which he presented his principles upon which his cases were founded, his practice in more recent years being in the line of railroad and corporation law. He devoted some time also to business interests as president and director of the American and National Bank of Findlay, Ohio. Judge Burket has also taken great interest in fraternal societies, being elected Grand Master of the Odd Fellows of Ohio in 1881. He is a member of the American Bar Association and of the Ohio State Bar Association, seldom failing to attend their meetings. Judge Burket was Chief Justice of the Supreme Court in 1897, in which year he was re-elected to succeed himself as a member of the court.

WILLIAM T. SPEAR.

WILLIAM T. SPEAR, a present member of the Supreme Court, was born June 3, 1834, in Warren, Ohio, from whence came several of Ohio's distinguished judges. His father, Edward Spear, also a judge, was a native of Pennsylvania, of Scotch descent; his mother, whose lineage is traced back to colonial times, came from Norwich, Connecticut. His parents came to Ohio, settling at Warren in the year of 1819.

Mr. Spear received a common school education in the excellent union schools of Ohio, supplemented by a most valuable experience at the printer's trade. After serving an apprenticeship upon the "Trumbull Whig and Transcript", published at Warren, he went to New York City, where he was employed in the office of the New York "Herald", and thereafter became a compositor, and later a proofreader, in the publishing house of the Appletons.

The value of the practical lessons thus derived, laying as they did a solid foundation for important duties which he was called upon to perform in after life, can hardly be estimated. Perhaps no pursuit quickens the powers of conception more than the craft of the printer, and especially has the experience herein outlined been of service to the judge in the preparation of judicial opinions. Says one distinguished in the craft: "Horne has uttered a sneer at the husk and shell of learning, but the best bread is made from the whole meal, and includes the 'shorts' and the 'middlings' as well as the fine flour. If every lawyer, physician, and clergyman were to spend six months at the 'case' before entering upon his profession, he would find, even in that short time of labor, a useful and fitting preparation for such literary tasks as may afterwards devolve upon him."

The young printer appreciated his calling; but growing tired of the confinement of the printing office, and having imbibed an ambition for the law, he returned to Warren, and at once began to learn something of the practical side of the profession of his choice, by service as deputy clerk of the Probate and Common Pleas Courts of Trumbull County. He served in these capacities for several years, devoting his spare hours, in the meantime, to the study of the law under the direction of Hon. Jacob D. Cox, since Governor of Ohio, but then of the Trumbull County Bar, now Dean of the Cincinnati Law School, and Father of many lawyers. This preparation was followed by a course in Harvard Law School, where Mr. Spear was graduated in 1859. Being thus equipped by reason of his practical theoretical training, and ready to enter the field of contest, and having returned to Warren, where he was admitted to the bar of Ohio, he at once became a member of the firm of Cox & Ratliff. Later he was associated in practice with Hon. John C. Hutchins, now of the Court of Common Pleas of Cuyahoga County. In 1871 he was elected prosecuting attorney for Trumbull County, serving two terms, and solicitor of his native city for two terms; and for several years he was engaged in the practice with C. A. Harrington, Esq., the firm enjoying a lucrative business. Soon after laying down the duties of those minor positions, Mr. Spear was elected Judge of the Court of Common Pleas, the duties of which office he entered upon in 1898. He was re-elected at the expiration of his first term, but did not complete the second term, because of his election to the Supreme Court, which occurred in 1895. He has since been three times elected to succeed himself as a member of the Supreme Court, and in 1892 and 1897 was Chief Justice.

WILLIAM Z. DAVIS.

WILLIAM Z. DAVIS was born in the village of Loydsville, Belmont County, Ohio, June 10, 1839. He is of Virginian descent. His father, Dr. Bashford Washington Davis, was a native of Loudon County, Virginia, and descendent of the revolutionary stock in the Old Dominion. The late Dr. John Davis, an eminent physician and surgeon of Dayton, was his uncle. His mother *nee* Miss Harriet Hatcher of Belmont County, was also a member of a Virginian family. He was educated in the public schools and in private academy; has been a life-long student and was for many years a member of the American Microscopical Society, withdrawing only because pressure of business duties interfered with scientific experiment; served out a three months' enlistment in the 4th Ohio Regiment, during the civil war; and afterwards served in the 96th Ohio Regiment until physically disabled and honorably discharged during the Vicksburgh Campaign; in the meantime was admitted to the bar; and after coming out of the military service, and upon regaining his health, he entered upon the practice of the law; almost from the beginning was recognized as a leader at the bar, and enjoyed a large practice, extending into all the state and federal courts. The suggestion of his name for the office of Judge of the Supreme Court of Ohio was received with remarkable enthusiasm by lawyers of all political parties throughout the state; was nominated by the Republican party in June, 1899, as its candidate for that office, and was elected in November of that year, up to which time he had never held an elective office. On the 10th day of January 1900, he was appointed by Governor Nash to fill a vacancy on the Supreme bench caused by the resignation of Judge Joseph P. Bradbury, who had resigned the day before; on February 9, 1900, he entered upon the regular term for which he had been elected in the preceding November.

JOHN A. SHAUCK.

JOHN A. SHAUCK was born on a farm near Johnsville, Richland County, Ohio, March 26, 1841; descendent from German stock; ancestors on his father's side emigrating from the fatherland and settling in America before the American Revolution. He obtained his early education in a private school and the public schools of Johnsville. In 1866 he graduated in the classical course from Otterbein University, Westerville, Ohio. He attended the law school of the University of Michigan, graduating from the same in 1867. He entered upon the general practice of the law at Dayton, Ohio, continuing the same until 1884, when he was elected upon the Republican ticket to the Second Circuit Court. He was re-elected Judge of the Circuit Court in 1889. At the Republican Convention held in Columbus, June, 1894, Judge Shauck was nominated for the office of Supreme Judge. He was elected in the following fall and took his seat February 9, 1895, to serve for a full term of six years. Judge Shauck was Chief Justice of the Supreme Court of Ohio in 1900, during which year he was re-elected for the full term of six years ending February 9, 1907.

**T**HE Supreme Court of the State of Ohio as at present constituted consists of six judges who are elected for six years, the term of one judge expiring each year. This court is divided into two divisions of three judges each, the first division consisting of the Chief Justice and the third and fifth judge in the order of the expiration of their terms, and the second division consists of the remaining three.

When the judges comprising either division divide as to the decision in a cause before it, the cause shall be reserved for decision by the full court; and when different causes involving the same question are before the respective divisions at the same time, such causes shall also be reserved for decision by the full court. If the whole court be divided evenly as to the decision in any cause, the judgment of the lower court shall be entered as affirmed, and such decision shall be held to be the law as to all such questions in other causes until overruled by a majority of all the judges. And when the members of the court, in any matter of original jurisdiction, divide evenly on any question or questions therein, the determination of the members with whom the chief justice votes shall be held to be the judgment of the court.

Owing to inadequate accommodations, the court has been unable to avoid embarrassment in its sittings heretofore, but has just entered into possession of its new quarters in the Law Building of the Capitol, where each division will find the proper accommodation, and the two courts will relieve the present congested calenders.

## JUDGES OF THE TERRITORIAL COURTS OF THE NORTHWEST TERRITORY.

(1787-1802.)

---

THE first judicial system to be inaugurated in that part of the United States which is now known as the State of Ohio, was that put in operation by the "Ordinance of 1787" by which the "territory northwest of the River Ohio" was set apart as a separate governmental unit, and a form of local government provided for it by the Congress. By a reference to Section 4 of the ordinance, which is printed in Part One of this volume, it will be seen that it was provided that there should be "appointed a court, to consist of three judges, any two of whom to form a court, who shall have a common law jurisdiction, and reside in the district, and have therein a freehold estate, in five hundred acres of land, while in the exercise of their offices; and their commission shall continue in force during good behavior." These judges, with the governor, were to select from the civil and criminal laws of the original states such laws as they deemed suitable for the territory, and were given the power to promulgate such laws, and to enforce them, until they should be amended or repealed by a general assembly to be later organized according to the provisions of the ordinance under which they were appointed.

In accordance with this provision of the Ordinance, Congress did, on the 16th day of October, 1787, elect as judges for the Northwest Territory: Samuel Holden Parsons, John Armstrong, and James Mitchell Varnum.

In the place of Mr. Armstrong, who declined the appointment, Congress appointed, on the 19th day of February, 1788, Mr. John Cleves Symmes.

The first Territorial Judges (in 1787-8) were therefore, Samuel Holden Parsons, James Mitchell Varnum, John Cleves Symmes.

The salaries of the judges was fixed by Congress in an act bearing the date of October 8, 1787, at \$800 per annum.

President George Washington, in a message to the Senate of the United States, bearing the date of New York, August 18, 1789, nominates to be judges of the Northwest Territory "in accordance with the law re-establishing the government of the Northwest Territory," Samuel Holden Parsons, John Cleves Symmes, and William Barton.

Mr. Barton, who was appointed *vice* Judge Varnum, who had died the preceding February, himself declined the appointment, and on the 8th of September the Senate completed the reorganization of the court by confirming the nomination of George Turner, an associate justice. The

court thus constituted in 1789, and acting under the Constitution of the United States, consisted of the Honorable Judges Samuel Holden Parsons, John Cleves Symmes, George Turner.

Judge Parsons, then Chief Justice, was drowned in November, 1789, while returning from a treaty with the Indians of the Western Reserve, and the President nominated as his successor on the bench, Rufus Putnam, of Marietta, whose nomination was promptly confirmed.

The court as thus organized with Judges John Cleves Symmes, George Turner, Rufus Putnam, served from 1790 to 1796, when Judge Putnam was appointed to the office of Surveyor General by President Washington, who, in the same message to the Senate, nominated Joseph Gilman to the Judgeship thus made vacant. The nominations were confirmed.

In 1798 Judge Turner resigned and was succeeded by Return Jonathan Meigs, Jr., whose appointment was confirmed February 12, 1798. The court as thus constituted, consisting of Judges John Cleves Symmes, Joseph Gilman, and Return J. Meigs, Jr., continued to serve until the admission of the state into the Union in 1803, and therefore, until the organization of the Supreme Court of Ohio. This Court (of the Northwest Territory) held its session alternately at Detroit, Vincennes, Cincinnati and Marietta.

NOTE 1.—It is worthy of notice in this connection, that the Territorial Government was set up by Congress in October 1787, but that the first settlement in Ohio occurred on the site of the city of Marietta in the following April (1788). In the absence of the Governor, and Judges, who were to form the law-giving power, and until their arrival, Col. Return J. Meigs, Sr., drafted a code of regulations on common fools cap, which he tacked to the blazed trunk of a large oak, where it was read and endorsed by all the settlers. History does not record a single infraction of those rules. The Governor, with a majority of the court, arrived at Marietta two months later, and set up the official government of the Territory.

NOTE 2.—Upon the admission of the state into the Union in 1803, and the dissolution of the Territorial Court, Congress by an act passed in February, 1803, provided that a District Court for the District of Ohio, to consist of one judge, should be established at Chillicothe.

NOTE 3.—By an act of May, 1800, the original Northwest Territory had been divided into eastern and western divisions, and an additional court created for the Indiana or western division, at Saint Vincennes, the court for the eastern division remaining at Chillicothe.

## JUDGES OF THE SUPREME COURT OF THE STATE OF OHIO.

(1802-1851.)

UNDER the Constitution of 1802 the number of Supreme Court Judges was the same as under the Territorial form of government, three; with the power vested in the general assembly to authorize the selection of an additional judge at its discretion.

The tenure of office was fixed at seven years, or such part thereof as the judge was well behaved. The salaries of the judges was fixed at not to exceed one thousand dollars per annum.

Under these provisions of the constitution and the laws, the General Assembly elected, on April 2, 1803, as the First Supreme Court of the State of Ohio, Samuel Huntington (then the Senator from Trumbull County), Return Jonathan Meigs, Jr. (then a member of the Territorial Court), and William Spriggs (of Jefferson County).

With this establishment of a Supreme Court in Ohio, a search of official records discloses the following to have been the personnel of that court which has reflected a lasting honor on the judiciary whose representatives they were, and on the state to whom they paid affectionate fealty.

1803 — Samuel Huntington, Return Jonathan Meigs, Jr., William Spriggs.

1804 — Samuel Huntington, Return Jonathan Meigs, Jr., William Spriggs.

Judge Meigs resigned December, 1804, to accept commission in the U. S. Army as Colonel and Commander of the Department of the Missouri.

1805 — Samuel Huntington, Daniel Symmes (vice Meigs), William Spriggs.

1806 — Samuel Huntington, Daniel Symmes, William Sprigg (to April).

Judge Sprigg resigned in April and was succeeded by Senator George Tod, of Trumbull County, who was appointed to the vacancy by Governor Tiffin,—and was afterward elected to the seat by the General Assembly, January 1, 1807.

In 1807 the Supreme Court consisted of Judges Samuel Huntington, Daniel Symmes and George Tod.

In 1808 Judge Symmes resigned (January 9) and was succeeded by William Spriggs (February 13). Return Jonathan Meigs, Jr., having been declared ineligible to the office of Governor of Ohio, to which he had been elected the previous October, was elected an additional Judge

of the Supreme Court on the 13th of February by the joint session of the General Assembly which also elected his colleague, Mr. Sprigg, to succeed Judge Symmes, who had resigned to accept the presidential appointment of Registrar of Land at Cincinnati. Owing to these changes the court, after February 13, was composed of Judges Samuel Huntington, William Sprigg, George Tod, R. J. Meigs, Jr.

The membership of the court remained as above until in December, when Judge Huntington resigned to become Governor of Ohio. He was inaugurated December 12. The House of Representatives had preferred charges early in the same month (December) against Judges Huntington and Tod, of the Supreme Court, and Judge Calvin Pease, presiding judge of the Common Pleas Court of the 3rd District, for having, by certain decisions, set aside the act extending the jurisdiction of justices of the peace. Governor Huntington was not tried on these charges, but his associates were brought before the Senate, sitting as a High Court of Impeachment, and were acquitted.

In 1809, Judge Huntington having become Governor, and Judge Meigs having resigned to become United States Senator from Ohio, the Governor, in the message announcing these vacancies on the bench (January 31) recommends the abolishment of the fourth judgeship for the reason that it creates two courts of two judges each, which, sitting at different parts of the state in riding the circuit, tend to disagreement in decisions, and consequent confusion. Despite this recommendation of the Governor, the Legislature elected (February 17) Thomas Scott (Chief Clerk of the Senate) to succeed Judge Huntington, and Thomas Morris (a member of the House of Representatives) to succeed Judge Meigs as an additional Judge. This created a court of four members, including Judges William Sprigg, George Tod, Thomas Scott and Thomas Morris.

Judge Morris failing to qualify as judge, the General Assembly abolished the additional judgeship the following session (1810).

In 1810, the first period of seven years having expired under the state constitution of 1802, the General Assembly, on February 10, met in joint session of the two houses and elected a new Supreme Court which served without interruption until 1815. This court consisted of Thomas Scott (to succeed himself); William W. Irwin, of Fairfield County; and Ethan Allen Brown, of Hamilton County.

In 1816 the General Assembly was called upon to elect successors to Judges Scott and Irwin who had resigned, and accordingly met in joint session on the 17th day of February, and elected to the Supreme Court Messrs. Jessup N. Couch, of Ross County; John M'Lean, of Warren County; and an additional judge in Calvin Pease, of Trumbull County.

---

*The Judges of the Supreme Court.*

---

The Supreme Court was thus increased to four members: Ethan Allen Brown, Jessup N. Couch, John M'Lean, and Calvin Pease.

In 1817 the re-election of Judge Brown to succeed himself continued the membership of the court as constituted the previous year, and this membership was unbroken until the resignation of Judge Brown in December 1818, to become Governor of Ohio. On the 30th day of January, 1819, the General Assembly elected Peter Hitchcock, of Geauga County, to the vacancy thus created.

From 1819 to 1821 the judges of the Supreme Court were: Jessup N. Couch, John M'Lean, Calvin Pease and Peter Hitchcock.

In 1821 the death of Judge Couch led to the election of Jacob Burnett, of Hamilton County, one of the conspicuous figures in the Territorial Council and in the early history of Ohio, as his successor. The court thus constituted, being again changed in 1822 by the resignation of Judge M'Lean, Charles R. Sherman, of Fairfield County, was elected to succeed him on the 11th day of January, 1823, at which election the General Assembly also re-elected Judges Pease and Burnett.

From 1822 to 1829 the judges of the Supreme Court were: Calvin Pease, Peter Hitchcock, Jacob Burnett and Charles R. Sherman.

In 1828 Judge Burnett resigned (December 11) and as his successor the General Assembly elected (February 6, 1829) Joshua Collett, of Warren County. The judges for 1829 being Calvin Pease, Peter Hitchcock, Charles R. Sherman, and Joshua Collett.

In 1830 the General Assembly elected the following judges of the Supreme Court: January 30, Elijah Hayward, vice Judge Pease, term expired; February 1, John Milton Goodenow, vice Judge Sherman, deceased; the court thus consisting of Judges Peter Hitchcock, Joshua Collett, Elijah Hayward, and John Milton Goodenow.

During the summer of 1830 the court was divided into two sections, sitting in separate localities in the state (under an act of the previous winter), but the illness of Judges Goodenow and Hayward, who finally resigned before the close of the year, deprived the Miami River counties and those of central Ohio of the usual court. An attempt to hold a special session in Columbus, in October, resulted in the coming together of but two of the judges, who, deciding, that they were not a quorum of the court and could neither sit as a court or legally adjourn, agreed to "separate," which they did, and nothing was done with the fifty cases on the docket. (See Governor's Message.) Henry Brush was appointed by the Governor during the year 1830 to succeed Judge Goodenow, resigned; no appointment being made to fill the vacancy occasioned by the resignation (November 6) of Judge Hayward.

In December, 1830, the Supreme Court Judges were: Peter Hitchcock, Joshua Collett, Henry Brush, and one vacancy caused by the resignation of Judge Hayward.

---

*The Judges of the Supreme Court.*

---

On the 18th of December the General Assembly elected a successor to Judge Hayward in the person of Ebenezer Lane, of Huron County, and on the 29th of the month elected John C. Wright, of Jefferson County, to succeed Judge Brush who was not a candidate before the General Assembly. Judge Lane took his seat at once; Judge Wright, on the adjournment of the legislature.

In 1831 and 1832 the membership of the Supreme Court remained: Peter Hitchcock, Joshua Collett, Ebenezer Lane, and John C. Wright.

Judge Hitchcock's term expiring on the 5th of February, 1833, there was a spirited contest in the General Assembly over the election of his successor. The election being ordered for the 16th of December (1832), on that day the assembly met in joint session, but after casting seven ballots, on all of which Reuben Wood, of Cuyahoga County, led, with Judge Hitchcock second and Benjamin Tappan third, the session dissolved without an election and the Senate returned to its chamber. The assembly was called together by another resolution on the next day (17th), and after twelve more ballots, Reuben Wood was declared to have been elected by a majority of one vote.

Several days later the correctness of the count was challenged by a joint resolution and an investigation of the count was ordered, but the title of Judge Wood to his seat was not disturbed by this agitation.

The court for 1833-1835 was composed of Judges Joshua Collett, Ebenezer Lane, John C. Wright, and Reuben Wood.

On February 2, 1835, the Governor reported the resignation of Judge Wright, and on the 28th day of that month, the General Assembly elected, on the fourth ballot, Ex-Judge Hitchcock, at that time Senator from Geauga County and Speaker of the Senate, to succeed him. In this contest, Senator Anthony, of Clarke County, was Judge Hitchcock's principal competitor for the Judgeship and was (March 6) elected to succeed him as Speaker of the Senate. Judge Hitchcock resigned as Speaker on that day.

From March, 1835, to February 10, 1836, the court consisted of Judges Lane, Wright, Wood, and Hitchcock.

Frederick Grimke, of Ross County, was elected on January 30, 1836, to succeed Judge Collett, whose term expired on the 10th of February. By the re-election of Judge Lane for the period of seven years from the 18th day of December, 1837, and of Judge Wood, in 1839, the court as constituted in 1836 continued without interruption until 1842, viz.: Ebenezer Lane, Reuben Wood, Peter Hitchcock, and Frederick Grimke.

Matthew Birchard, of Trumbull County, was elected by the General Assembly on January 15, 1842, to succeed Judge Hitchcock, whose term expired in February of that year, and Nathaniel C. Reed, of Hamilton County, was elected on the 5th of March, to succeed Judge Grimke,

resigned. The court thus constituted, from March 1842, to December, 1844, was composed of Judges Ebenezer Lane, Reuben Wood, Matthew Birchard, and Nathaniel C. Reed.

In December, 1844, the term of Judge Lane expired. He was promptly re-elected by the General Assembly on the 5th of the month, but remained on the bench only during the session of the court in Bank, when he resigned. His successor was elected on the 27th of the same month (December), in the person of Ex-Judge Peter Hitchcock. The action of the General Assembly in re-electing Judge Lane to succeed himself in 1836 and 1844 was, with the exception of the re-election of Judge Wood, in 1839, contrary to the usual refusal of the assembly to grant consecutive terms to the members of the Supreme Court.

The members of the Supreme Court in the years 1845 and 1846 were Judges Reuben Wood, Matthew Birchard, Nathaniel C. Reed, and Peter Hitchcock.

On the 15th day of January, 1847, the General Assembly elected Edward Avery, of Wayne County, to succeed Judge Wood, (term expiring), although the Judge was a candidate for re-election. From February, 1847, to February, 1849, the membership of the court was: Judges Matthew Birchard, Nathaniel C. Reed, Peter Hitchcock, and Edward Avery.

On the 22d day of February, 1849, the General Assembly elected as members of the Supreme Court: Rufus P. Spalding, of Summit County, for seven years from March 5, to succeed Judge Reed, resigned; and William B. Caldwell, of Hamilton County, for seven years from March 7, to succeed Judge Birchard, term expired.

The court for 1849-1850 consisted of Judges Hitchcock, Avery, Spalding, and Caldwell.

The last change in the court prior to the enforcement of the present constitution of Ohio was occasioned by the resignation of Judge Avery, and the election of his successor in the person of Rufus P. Ranney, of Trumbull County, on the 17th of March, 1851. The court served as thus constituted until "the second Monday in February, 1852," when the official term of the new officers elected under the constitution began. The membership of the court from February, 1851, to February, 1852, was Judges Hitchcock, Spalding, Caldwell, and Ranney.

## JUDGES OF THE SUPREME COURT OF OHIO UNDER THE CONSTITUTION OF 1851.

---

**T**HE constitution of 1851 contains the following provision for the continuance of the authority of the Supreme Court:

SEC. 11. Schedule. Suits pending in the Supreme Court in bank shall be transferred to the Supreme Court provided for in this Constitution, and be proceeded in according to law.

Under this constitution the personnel of the Supreme Court of Ohio has been, consecutively, as given, for the years named hereunder.

1852. On the 9th day of February, 1852, the then Supreme Court, which had been elected by the General Assembly under the old constitution, and consisting of Judges Peter Hitchcock, Rufus P. Spalding, William B. Caldwell, and Rufus P. Ranney, passed out of existence, and a new court, elected by the people of Ohio at the previous election in October, came on the bench in the persons of Judges William B. Caldwell, of Hamilton County (re-elected); Rufus P. Ranney, of Trumbull County (re-elected); Thomas W. Bartley, of Richland County; John A. Corwin, of Champaign County; and Allen G. Thurman, of Ross County.

On the organization of the court, the judges drew lots for the length of their terms, the lot resulting: For one year, Judge Caldwell; for two years, Judge Bartley; for three years, Judge Corwin; for four years, Judge Thurman; and for five years (the length of the regular term under the new constitution), Judge Ranney. Judge Caldwell was re-elected in 1852, and Judge Bartley was re-elected in 1853, so the court remained as installed in February, 1852, until December, 1854, with the following membership: Judges Caldwell, Ranney, Bartley, Corwin, and Thurman.

1854-1855. Judge Corwin resigned in December, 1854, and was succeeded by Robert B. Warden, of Franklin County, who was appointed to the vacancy and served until February 9, 1855, when he was succeeded by Joseph R. Swan, of Franklin County, who was elected to the seat.

Judge Caldwell also resigned in the December term of 1854, and was succeeded by William Kennon, of Belmont County, who was appointed to fill the vacancy and then elected at the October election, 1854, to succeed himself.

The court for the year 1854 consisted of Judges Caldwell, Ranney, Corwin, Bartley, and Thurman, until the second division of the December term; and of Judges Ranney, Bartley, Thurman, Warden, and Kennon, from that time until February 9, 1855.

1855-1856. Judge Swan took his seat on the bench as the successor of Judge Warden and Judge Corwin (as explained above) on the 9th day

of February, 1855, the court consisting of Judges Ranney, Bartley, Thurman, Kennon, and Swan.

1856. Judge Kennon served to the adjourned session in March, 1856, as did Judge Thurman; the terms of each expiring at that time. They were succeeded by Judges Jacob Brinkerhoff, of Richland County, and Charles C. Convers, of Muskingum County, who had been elected the previous October. Judge Convers resigned in May on account of ill health, never having taken his seat on the bench; he was succeeded by Ozias Bowen, of Marion County, who was appointed to fill the vacancy and elected to succeed himself in October following.

The court from February 9 to May 15, consisted of Judges Ranney, Bartley, Swan, Brinkerhoff, and Convers; and from May 15 to February 9, 1857, of Judges Ranney, Bartley, Swan, Brinkerhoff, and Bowen.

1857. Josiah Scott, of Butler County, was elected to succeed Judge R. Ranney, in October, 1856, and took his seat February 15, 1857, the court being composed of Judges Bartley, Swan, Brinkerhoff, Bowen, and Scott.

1858. Milton Sutliff, of Trumbull County, was elected in October, 1857, to succeed Judge Bowen, and took his seat February 9, 1858, the court consisting of Judges Bartley, Swan, Brinkerhoff, Scott, and Sutliff.

1859. William V. Peck, of Scioto County, was elected in October, 1858, to succeed Judge Bartley, and took his seat February 9, 1859, the court consisting of Judges Swan, Brinkerhoff, Scott, Sutliff, and Peck.

Judge Swan, then Chief Justice, resigned in November, and William Y. Gholson, of Hamilton County, who had been elected in October to a seat in the court, was appointed to succeed him. He took his seat November 8, and entered on his regular term the 9th of February, 1860.

The members of the court from November, 1859, to February, 1863, were Judges Brinkerhoff, Scott, Sutliff, Peck, and Gholson.

Judge Brinkerhoff was re-elected in 1860, and Judge Scott was re-elected in 1861.

1863. Ex-Judge Rufus P. Ranney was elected in October, 1862, to succeed Judge Sutliff, and took his seat on the 9th day of February, 1863; the court from this date to December 12th consisting of Judges Brinkerhoff, Scott, Peck, Gholson, and Ranney.

On the 11th of December, 1863, Judge Gholson resigned, and Horace Wilder, of Ashtabula County, was appointed for his unexpired term. Judge Wilder was elected to succeed himself in October, 1864. Hocking Hunter, of Fairfield County, was elected to succeed Judge Peck in October, 1863, and took his seat on February 9, 1864, only to resign the same day.

William White, of Clark County, was appointed to the vacancy occasioned by the resignation of Judge Hunter, and was elected in October, 1864, for the unexpired term.

---

*The Judges of the Supreme Court.*

---

Luther Day, of Portage County, was elected in October, 1864, to succeed Judge Wilder, and took his seat February 9, 1865.

The membership of the court during the years 1863-1865 was therefore:

December 12, 1863, to February 9, 1864: Judges Brinkerhoff, Scott, Peck, Ranney, and Wilder.

February 9, 1864: Judges Brinkerhoff, Scott, Ranney, Wilder, and Hunter.

February 10, 1864: Judges Brinkerhoff, Scott, Ranney, Wilder, and White.

February 9, 1865: Judges Brinkerhoff, Scott, Ranney, White and Day.

Judge Ranney resigned on the 23rd of February, 1865, and his successor was appointed in the person of John Welch, of Athens County, who was elected in October following for the unexpired term.

February 23, 1865, to February 9, 1871, the court was composed of Judges Brinkerhoff, Scott, White, Day, and Welch.

February 9, 1871. George W. McIlvaine, of Tuscarawas County, who had been elected in October to succeed Judge Brinkerhoff, came upon the bench and the court was thus composed of Judges Scott, Welch, White, Day, and McIlvaine.

February 9, 1872. William H. West, of Logan County, elected to succeed Judge Scott, came upon the bench, the court then consisting of Judges Welch, White, Day, McIlvaine, and West.

Judge West resigned in 1873 and was succeeded by Walter F. Stone, of Erie County, who was appointed by the Governor, and elected in October to fill the unexpired term. He in turn resigned in September, 1874, and was succeeded by George Rex, of Wayne County, who was appointed by the Governor, and then elected by the people to fill the unexpired term of Judge West.

The re-election of Judge Welch in October, 1872, of Judge White in October, 1873, and the election of William J. Gillmore, of Preble County, to succeed Judge Day in October, 1874, led to the following changes in the personnel of the court in the years named:

In 1873 the court was composed of Judges White, Day, McIlvaine, West, Stone, and Welch.

In 1874 of Judges Day, McIlvaine, Stone, Rex, Welch, and White.

In 1875 of Judges McIlvaine, Rex, Welch, White, and Gillmore.

In 1876 of Judges Rex, Welch, White, Gillmore, and McIlvaine. Judge McIlvaine was re-elected in October, 1875.

In October, 1876, W. W. Boynton, of Lorain County, was elected to succeed Judge Rex, and took his seat February 9, 1877, and in October, 1877, John W. Okey, of Franklin County, was elected to succeed Judge Welch.

Judge White was re-elected in October, 1878, and in the following year William W. Johnson, of Lawrence County, was elected to succeed Judge Gillmore. Judge McIlvaine was re-elected in October, 1880, and in November, 1881, Judge Boynton resigned, the Governor appointing as his successor for the unexpired term until the next February, Nicholas Longworth, of Hamilton County, who had been elected for the full term of five years, a month before the resignation of Judge Boynton.

The personnel of the court from February 9, 1877, to February 9, 1882, was as follows:

February 9, 1877-1878: Judges Welch, White, Gillmore, McIlvaine, and Boynton.

February 9, 1878-1879: Judges, White, Gillmore, McIlvaine, Boynton, and Okey.

February 9, 1879-1880: Judges Gillmore, McIlvaine, Boynton, Okey, and White.

February 9, 1880-1881: Judges McIlvaine, Boynton, Okey, White, and Johnson.

February 9, 1881-1882: Judges Boynton, (Longworth), Okey, White, Johnson, and McIlvaine.

February 9, 1882-1883: Judges Okey, White, Johnson, McIlvaine, and Longworth.

Judge Okey was re-elected in October, 1882, but the resignation of Judge Longworth and the death of Judge White, both occurring in March, 1883, created a number of changes in the court in that year. John H. Doyle, of Lucas County, was appointed by the Governor to succeed Judge Longworth and took his seat in the court on the 10th day of March. Martin D. Follett, of Washington County, was however, elected to fill the vacancy in October, and qualified on the 8th day of December, Judge Doyle retiring. Judge White, who had served in the court for over 19 years, died on the 12th day of March in the same year, and William H. Upson, of Summit County, was appointed by the Governor as his successor. He took his seat on the 14th of March, but Selwyn N. Owen, of Williams County, having been elected in October for the unexpired term, qualified on the 8th of December, Judge Upson retiring.

The court during this year (1883) was composed of the following membership:

February 9, to March 9: Judges White, Johnson, McIlvaine, Longworth and Okey.

March 10 to March 12: Judges White, Johnson, McIlvaine, Doyle, and Okey.

March 14 to December 7: Judges Upson, Johnson, McIlvaine, Doyle, and Okey.

December 8 to February 9, 1884: Judges Owen, Johnson, McIlvaine, Follett, and Okey.

February 9, 1884, to February 9, 1885: Judges Johnson, McIlvaine, Okey, Follett, and Owen.

February 9, to July 25, 1885: Judges McIlvaine, Okey, Follett, Owen, and Johnson (re-elected).

August 20 to December 15, 1885: Judges McIlvaine, Atherton, Follett, Owen, and Johnson.

December 16, 1885, to February 9, 1886: Judges McIlvaine, Follett, Spear, Owen, and Johnson.

The death of Judge Okey on the 25th day of July, 1885, created a vacancy in the court which was filled by the appointment of Gibson Atherton, of Licking County, who took his seat on the 20th day of August. The October elections resulted in the election of William T. Spear, of Trumbull County, to fill the unexpired term of Judge Okey, and he qualified and took his seat on the 16th day of December, Judge Atherton retiring. At the same election Thaddeus A. Minshall, of Ross County, was elected for the full term of five years to succeed Judge McIlvaine, and these two members of the court have, by repeated re-elections by the people, been continued on the bench of the Supreme Court to the present time. Judge Johnson resigned November 9, 1886, and Franklin J. Dickman, of Cuyahoga County, was appointed to fill the vacancy until the next general election. He took his seat November 16. In October previous, Marshall J. Williams, of Fayette County, was elected to succeed Judge Follett. In 1887 Judge Spear was re-elected for a full term and in 1888 Joseph P. Bradbury, of Gallia County, was elected to succeed Judge Owen. Judge Dickman was re-elected in 1889, Judge Minshall was re-elected in 1890 and Judge Williams in 1891. In the elections of 1892, under a new law, by which the membership of the court was increased from five members to six, and the terms of office from five years to six, two members of the court were elected in the persons of Judge Spear for the long term of six years and Jacob F. Burnett, of Hancock County, for five years. Judge Bradbury was re-elected in 1893; John A. Shauck, of Montgomery County, was elected in October, 1894, to succeed Judge Dickman. From 1894 to 1899 the sitting judges were re-elected to succeed themselves without exception, and consequently no changes occurred in the personnel of the court. In November, 1899, William Z. Davis, of Marion County, was elected to succeed Judge Bradbury, who resigned January 10, 1900, a month before the expiration of his term. Judge-elect Davis was appointed to succeed him and thus went on the bench a month earlier than the time for which he had been elected. In November, 1900, Judge Shauck was re-elected and entered on his present term February 9, 1901. The personnel of the Supreme Court of Ohio for the period between February 9, 1886, and February 9, 1901, was therefore:

February 9, to November 9, 1886: Judges Owen, C. J., Follett, Spear, Johnson, and Minshall.

## THE SUPREME COURT COMMISSIONS.

**T**HE power of the General Assembly to assist in disposing of the work before the Supreme Court of Ohio by the formation of "Supreme Court Commissions" (Section 21 Article IV.), has been invoked twice since the adoption of the present Constitution of Ohio. The appointment of the members of this commission has been vested in the Governor in both instances.

### THE COMMISSION OF 1876.

On the 2nd day of February, 1876, the Governor appointed as such Supreme Court Commission, to serve for three years, Josiah Scott, of Crawford County; William W. Johnson, of Lawrence County; D. Thew Wright, of Hamilton County; Richard A. Harrison, of Franklin County; Henry C. Whitman, of Hamilton County; and Luther Day, of Portage County. Mr. Harrison refused to accept the appointment and Thomas Q. Ashburn, of Clermont County, was appointed in his stead, and took his seat on the bench on the 16th of March, 1878.

This commission sat until the 2nd day of February, 1879, as an auxiliary to the Supreme Court and assisted in bringing up the docket which had fallen far behind the reasonable time for trial.

### THE COMMISSION OF 1883.

In 1883 the Governor again appointed a commission of four members under an enabling act of the General Assembly, and this commission began its work on the 17th day of April, 1883, and continued on the bench for the period of two years. The commission of 1883 consisted of George K. Nash, of Franklin County; Franklin J. Dickman of Cuyahoga County; Charles D. Martin, of Fairfield County; and John McCauley, of Seneca County. This commission adjourned April 16, 1885.

THE SUPREME COURT LAW LIBRARY.

**F**RANK NELLIS BEEBE was born in Columbus, Ohio, January 12, 1850. The Beebe family is of Scotch descent ; the great-grandparents of Frank having moved to this country in colonial times. Thomas Beebe, Frank's great-grandfather, was born September 7, 1743, and on June 19, 1767, was married to Olive Hall. Thomas Beebe died February 24, 1792. During the Revolutionary war Thomas Beebe was an ensign in Captain Hall's 6th company of Colonel Nitbeck's regiment (Kinderhook District) of Albany (N. Y.) county militia. Thomas Beebe was the father of twelve children. The seventh, Joseph, was born February 23, 1778, and was married to Lydia Leroy, April 21, 1798. Joseph Beebe died September 2, 1864. He was the father of eleven children. The eighth, James Henry, was born January 29, 1818. James Henry was married to Elizabeth Knapp November 30, 1848. James Henry died July 12, 1880, leaving four children, the eldest of which, Frank Nellis is the subject of this sketch. The parents of Frank Nellis Beebe resided near Rochester, N. Y., whence they moved to the "west" (Columbus, Ohio), in 1849. Frank received a fair education in the public schools of his native city, and at the early age of sixteen was ushered into his life work as Assistant Law Librarian in the Ohio State Law Library. This service began February 11, 1866, his father being

then the Librarian. Frank continued as Assistant Librarian until the death of his father, July 12, 1880; when he became Librarian, which position he still holds, being now in the thirty-sixth year of his service in connection with the Library, which is ample evidence of his unusual fitness for the office and the faithfulness with which he has discharged its duties. Mr. Beebe read law and was admitted to the bar January 28, 1875. He compiled and published a volume of "Corrections of errors found in the citations of authorities in the Ohio Reports, including the twenty volumes Ohio Reports and forty volumes of Ohio State Reports." Later, in 1886, Mr. Beebe compiled and edited a large volume of "Ohio Citations" with a table of cases contained in all the Ohio Reports, alphabetically arranged; also table of cases cited, followed, explained, distinguished and reversed by the Supreme Court of Ohio. This extensive work was published by Robert Clark & Co. of Cincinnati and evidences the painstaking and patient labor and accurate knowledge of Mr. Beebe. Probably Mr. Beebe has not his superior in acquaintance with the bibliography of the law and his long experience in his position has given him great and valuable familiarity with the titles and subjects of almost countless legal publications.

In his younger days he was a most accomplished musician and for several years served as organist in the leading churches of Columbus. Mr. Beebe, from early boyhood, displayed great mechanical ability and is the inventor of several devices, some of which have been patented. A sketch of Mr. Beebe would be incomplete without mention of his fame as a most devoted disciple of Izaak Walton, and few equal him as an adept in the fisherman's art, being one of the most successful fly-fishermen of the famous Castalia Trout Club of which he has been a director. A great lover of nature, he is an enthusiastic canoeist and fond of outdoor life and sports. Frank was married February 14, 1871, to Eliza C. Dungan of London, Ohio, and they have two sons, Stephen Watson, and John Dungan.

## THE SUPREME COURT LIBRARY.

The law books forming a part of the State Library were taken to the rooms assigned for the use of the Supreme Court and Law Library in the present Capitol building as soon as said rooms were ready for occupancy. There is no data obtainable showing just when this change was made, but it was about 1860. At this time the number of volumes could not have exceeded a couple of thousand. The writer's first knowledge of the Library was in 1865. In 1866, a count showed about 2,500 volumes. The Library was first in charge of the messenger of the Supreme Court, who was assigned the duty of librarian.

There were two officers of the Court—a crier and messenger. Owing to the illness of the messenger during the greater portion of the year of his service, the crier of the court acted as librarian, and furnished an assistant who was compensated under an arrangement with the messenger. In 1867, an act was passed providing for the appointment of a law librarian, taking effect February 9, 1867, and the positions of crier and messenger of the Supreme Court were abolished, the law librarian being made ex-officio crier of the court, said crier to furnish an assistant.

For a number of years the listing of the volumes being added to the Law Library were taken as part of the State Library, and the State Library figures given of the number of the volumes enrolled included all those which had been set apart as the Law Library of the Supreme Court and additions thereto. This was discontinued early in the seventies, and the first record kept, showing additions to the Law Library were made in 1873. From this time on more attention was given the subject of books, and in 1875 the library had grown to nearly four thousand volumes. In 1880, when the first catalogue was made, the library contained about seven thousand five hundred volumes, and at the time of this writing (March 1, 1901) the library counts out a little over twenty thousand volumes.

The first Messenger and Librarian was Richard Riordan, who served about two years. He was succeeded by Herman Ruess, in 1860, who served until February 11, 1866. James H. Beebe was Acting Crier of the Supreme Court, appointed by the Supreme Court April 6, 1865, and reappointed February 11, 1866, at which time he took charge substantially of the Law Library. On February 16, 1867, a law was passed creating the office of Law Librarian, who ex-officio, should be the crier of the court. James H. Beebe served in this capacity until his death, July 12, 1880. Frank N. Beebe, who had been serving as an assistant to his father, was appointed Law Librarian, and succeeded his father in charge of the department, July 13, 1880, and has served continuously up to the present time.

**HISTORY OF THE OFFICE OF SUPREME COURT REPORTER.**

February 23, 1816, the State Legislature for the first time (14 O. L., 310) made recognition of the necessity on the part of the Supreme Court for putting in permanent form and properly preserving its opinions accompanying its decisions. January 20, 1823, the legislature amended (21 O. L., 9) the previous act and provided "That the said judges shall appoint a Reporter who shall report all decisions made at said sessions in Columbus and such other important decisions as he may be directed by said judges to report, and cause the same to be published as soon as may be conveniently done after such sessions."

After the adoption of the new constitution (1851) the General Assembly enacted, section 8, chapter 32 (S. & C., 379) that the Supreme Court should appoint a Reporter whose term of office should continue for three years, and giving special directions as to the reports of the briefs of counsel upon the points made and the authorities cited. From time to time thereafter acts were passed by the General Assembly regulating the methods of publications, sale and distribution of the reports. Under existing legislation the Reporter is appointed by the judges of the court for a term not to exceed three years, at a stipulated salary. The reports are published as a private enterprise by the publisher upon a contract made in behalf of the state by the reporter, form and style of the volume and retail maximum price to the public being determined by statute.

Since the creation of the office fourteen different appointees, including the present incumbent, have discharged the duties of Reporter for the Court.

Up to the time of the adoption of the Constitution of 1851, the official Reporters of the Supreme Court were appointed by a joint resolution of the General Assembly notwithstanding section 6 of the law enacted by the legislature January 20, 1823, which reads: "That the said judges (Supreme) shall appoint a Reporter, who shall report all decisions made at said sessions in Columbus and such other important decisions as may be directed by said judges to report, and cause the same to be published as soon as may conveniently be done after such session." (21 O. L., 9). Under the present Constitution, the reporters have been appointed by the Supreme Court (except as noted below), and serve during the statutory term of three years.

The names of the reporters, together with their terms of service, and the "State or Ohio State Reports" issued by them is given in the following tabulated statement:

## THE CLERK OF THE SUPREME COURT.

---

**J**OSIAH BENTON ALLEN, the present clerk of the Supreme Court of Ohio, was born in Harrison County, July 14, 1842, and came to Athens County with his parents when quite young. He attended the common schools and afterwards the DeCamp Institute at Pagetown till the breaking out of the civil war, when he enlisted July 4, 1861, as private in Co. C, 30th O. V. I. With his company he participated in the battles of Carnifax Ferry, Second Bull Run, Centreville, South Mountain, Antietam, Haine's Bluff, Champion Hill, Vicksburg and others. At Vicksburg, while leading his company as sergeant, he received a wound that cost him his left arm. A second amputation was found necessary. Being unfitted for further military service, he was honorably discharged in 1864. Returning to Athens, he entered the Ohio University where he continued his studies till the close of the college year in 1866. In the fall of 1867 he was elected to the office of County Recorder of Athens County on the Republican ticket, which office he continued to hold for twelve consecutive years. In December, 1880, he was appointed recording clerk in the office of Secretary of State Townsend at Columbus, continuing until January, 1883. He was subsequently chosen sergeant-at-arms of the House of Representatives. The fact that he is now serving his third term as Clerk of the Supreme Court is evidence of his popularity with his party and with the general public with which he comes in contact.

The President and Associate Judges in their respective counties, any three of whom shall be a quorum, shall compose the Court of Common Pleas; which court shall have common law and chancery jurisdiction in all such cases as shall be directed by law: provided, that nothing here contained shall be construed to prevent the Legislature from increasing the number of circuits and Presidents after the term of five years (et seq.).

## THE COURTS OF COMMON PLEAS SINCE 1851.

**T**HE Constitution of 1851 contained the following provisions by which the state was permanently subdivided into Common Pleas Districts, and these again divided into three subdistricts each, and the election of the Judges of these courts vested in the people of the subdivision instead of in the General Assembly as heretofore.

**ARTICLE 4, SECTION 3.** The State shall be divided into nine Common Pleas Districts, of which the county of Hamilton shall constitute one, of compact territory, and bounded by county lines, and each of said districts, consisting of three or more counties, shall be subdivided into three parts of compact territory, and bounded by county lines, and as nearly equal in population as practicable; in each of which one Judge of the Court of Common Pleas for said district, and residing therein, shall be elected by the electors of said subdivision. Courts of Common Pleas shall be held by one or more of these judges in every county in the district, as often as may be provided by law; and more than one court, or sitting thereof, may be held at the same time in each district.

**ARTICLE 4, SECTION 4.** The jurisdiction of the Courts of Common Pleas, and of the Judges thereof, shall be fixed by law. See Const. 1802, Art. III, §§ 3, 4, 5, 6.)

The first election for Judges under the new Consitution was held on the second Tuesday of October, 1851. The term of the old Judges and Clerks was extended by Section 4 of the Schedule, to the 2d Monday of February, 1852, at which the new Judges began their terms of office.

## THE PRESIDENTS OF THE UNITED STATES FROM OHIO.

---

**D**URING the first half century of her existence, the new state furnished but one President of the United States, but he a man typical of the "Ohio spirit" and a popular leader of civilizing influences throughout the new Northwest. In the latter half of the century or, since the close of the civil war, every successful candidate for the Presidency upon the Republican ticket; in fact, every man save one, who has been elected to the Presidency from 1864 to 1901; every President since Lincoln, excepting only Grover Cleveland of New York, has been a resident, or a former resident, of Ohio. Two of the number died in office: William Henry Harrison and James A. Garfield. Every one of the illustrious group had won their spurs on the field of battle for the Union, and had sharpened their lances in the halls of the Congress of the United States and were men of wide statesmanship and national reputation prior to their elevation to the highest office in the gift of the American people.

The country has signally honored Ohio in selecting her sons to guide the destinies of the Great Republic; Ohio has given of her best and truest whenever and wherever possible to give. The name of him who now sits President of this Republic from Ohio, is not the least among the number of men thus elevated in public duty, conspicuous figures before the world. [See note.]

## SENATORS OF THE UNITED STATES FROM OHIO.

**T**HE representation from Ohio in the Senate of the United States began with the election by the General Assembly, in joint session in the hall of the House of Representatives, Chillicothe, on the first day of April, 1803, of two senators from Ohio in the persons of John Smith of Hamilton County, and Thomas Worthington of Ross County. The term of Senator Worthington expired on the 4th of March, 1807, and to succeed him, the General Assembly in the January preceding, elected Governor Edward Tiffin. By a resolution of December 20, 1806, the Assembly requested Senator John Smith to "either resign his seat in the Senate of the United States, or to proceed at once to his post." The resignation followed in 1808, and Judge Return J. Meigs, Jr., of the Supreme Court, was elected to succeed him and was also re-elected to succeed himself, in a joint session of the two houses of the Assembly held on the 12th day of December, 1808. Senator Smith had served with distinction as a member of the territorial legislature, and is highly spoken of by the venerable Judge Burnett in his Notes on the Northwest Territory. His resignation was brought about by his supposed sympathy with the conspiracy of Aaron Burr.

Thomas Worthington was returned to the senate by the General Assembly in 1810 to succeed Senator Meigs, who had resigned to accept the office of Governor of the state.

With this beginning of her representation in the councils of "the highest legislative body known in history," Ohio has since been represented in that body by men who have stood for the best and broadest type of aggressive Americanism. The membership in the Senate of the United States from Ohio has been as follows:

## REPRESENTATIVES IN CONGRESS FROM OHIO.

THE representation from Ohio in the Congress, is regulated as to localities by the action of the General Assembly, in apportioning the state into congressional districts from time to time on the ratio of population fixed by the Congress for that purpose. From 1803 to 1812 Ohio had but one congressional district and but one representative in the person of Jeremiah Morrow, afterward Governor of the State, and U. S. Senator. From 1813 to 1823 the state was divided into six congressional districts; from 1823 to 1833 there were 14 districts; from 1833 to 1843 there were 19 districts; from 1843 to 1903 the present number, 21. In the following tables which give the membership in the National House of Representatives from Ohio during the first hundred years of statehood, it will be noticed that in the several re-arrangements of the districts which have occurred by legislative authority the numerical numbers have been held in succession by widely separated sections of the state, and that members of Congress who are well known residents in one locality seem to have represented territory outside their supposed residence district. These apparent discrepancies are caused by the legislative re-arrangement and re-numbering of the several districts from time to time. With this borne in mind, the following tables will be found a convenient record of "the gentlemen from Ohio" who have played no insignificant part in the history of these United States, and many of whom are celebrated figures in general history.

## **TWELFTH DISTRICT.**

**Counties — Franklin and Fairfield.**

**EMMETT TOMPKINS,  
COLUMBUS, OHIO.**

**EMMETT TOMPKINS**, the new member of Congress from the Tenth District, son of Hon. Cydnor B. and Mary Ann (Fouts) Tompkins, attended the public schools of McConnellsville until he reached the age of twelve years, having been taken by his guardian, William Voorhees, who assumed charge of him after the death of his parents. After leaving school he pursued a scientific and classical course in the Ohio State University at Athens. Like his distinguished father, he selected the law as his vocation in life, his studies having been pursued in turn under the preceptorship of Judge John Welsh and Hon. C. H. Grosvenor. He was admitted to the bar in 1875, and at once began practice in Athens, where, one year later, he was elected City Solicitor, being then in his twenty-third year.

In 1878 Mr. Tompkins was elected Mayor of Athens, which office he resigned a few months prior to the expiration of his term in order to accept the position of Prosecuting Attorney. In this connection his work was so effective and satisfactory that he was re-elected. In 1885 Mr. Tompkins was elected to the State Legislature and succeeded himself in 1887. He served as Chairman of the Committee on Asylums for the Insane and was a member of the Judiciary Committee and of the Committee on Railroads and Telegraphs.

In 1889, in order to broaden the scope of his professional labors, Mr. Tompkins removed to Columbus. He entered into partnership with Frank W. Merrick under the firm name of Merrick & Tompkins. Mr. Tompkins is popular in business and social circles. In politics he has always been a strong supporter of Republicanism, and in 1900 was the nominee of his party for election to the Congress from the Twelfth Ohio District, and was elected, although the district is Democratic.

**WILLIAM WOODBURN SKILES,  
SHELBY, OHIO.**

**WILLIAM WOODBURN SKILES, Congressman Fourteenth District, was born at Stoughstown, Cumberland County, Pa., December 11, 1849. His parents came to Richland County, Ohio, in 1854, since which time he has resided in Shelby and vicinity.**

His early education was obtained in the District Schools, and he afterwards took full college course at Baldwin University, Berea, Ohio. He and his brother, George M. Skiles, were graduated from the above institution in 1876 and began the study of law with the firm of Matson, Dirlam & Lehman, of Mansfield. They were admitted to the bar July 24, 1878, and immediately opened office at Shelby, where they have practiced law under the firm name of Skiles & Skiles since that time.

Mr. Skiles was married October 3, 1878, to Miss E. Dora Matson, of Shelby, and a son and daughter are the issue of this marriage.

# POPULATION OF OHIO BY COUNTIES DURING AND AT THE CLOSE OF THE FIRST CENTURY OF STATE HISTORY.

1802 - 1901.

(Compiled from the Twelfth Census of the United States.)

THE first census of that part of the United States which is now the State of Ohio, was taken in 1800, under the government of the Northwest Territory. For purposes of comparison by decades, the census of 1800 is treated as though it was under the present government, but it should be remembered that the "Wayne County" of 1800, is not identical with the "Wayne County" of 1900, but was the early century name for Northwestern Ohio and the State of Michigan. It should also be remembered that in 1800, Hamilton County covered the whole western part of the present state up to the present site of the city of Lima; that Trumbull, Jefferson, and Washington Counties covered the territory from the present site of Ironton on the Ohio river, up the Ohio river and almost to the lake; that the central part of Ohio from the river to Upper Sandusky comprised the counties of Adams, Ross, and Tuscarawas, with the north-western quarter of the present state joined with Michigan under the name of Wayne County. The State of Ohio was organized by the adoption of its first constitution at Chillicothe, November 29, 1802.

The population of the state in 1900 is 4,157,545 as compared with the population in 1890 of 3,672,316, representing an increase during the last ten years of 485,229, or 13.2 per cent. This rate of increase is slightly less than that for the decade immediately preceding, when it was 14.8 per cent, although the numerical increase is somewhat greater. During the earlier decades of the century the state increased in population rapidly, but the greatest numerical increase (581,564) occurred in the decade from 1830 to 1840. Since 1850 the development of the state in population has been comparatively steady.

The population of Ohio in 1900 is more than ninety-one times as large as that given for 1800, the census taken two years before it became a state.

The total land surface of Ohio is, approximately, 40,760 square miles, the average number of persons to the square mile at the censuses of 1890 and 1900 being as follows: 1890, 90.1; 1900, 102.0.

*Population of the Principal Cities of Ohio, 1810-1900.*

---

All of the above named cities have received marked accessions to their population during the last ten years, those having increased by the largest percentage being Toledo, 61.9 per cent; Akron, 54.8 per cent; Cleveland, 46.1 per cent; and Columbus, 42.4 per cent. Largest numerical gains during the decade are found in Cleveland, Toledo, and Columbus. With a single exception in one decade each of these cities has increased in population steadily, but the rate of growth has been irregular and has shown no uniform trend of change. For Cincinnati, Cleveland, and Springfield, however, that rate since 1870 has steadily declined, a change in harmony with the usual tendency of large urban centers.

## THE OHIO CAPITOL BUILDINGS.

---

THE Capitol Buildings of the State of Ohio stand in the principal square in the city of Columbus, in a park containing over ten acres of well cultivated lawns and native forestry, on land which was given to the state by the proprietors of the town site, in 1812. The name "Columbus" was selected for the town and bestowed upon it by the General Assembly at a later date.

The illustrations on the frontispiece give some idea of the style of building but fall far short, in dignity and point of finish, of doing justice to either the old Capitol Building or the new Department of Justice.

The original "State House," erected by the grantors of the public grounds on condition that Columbus—then unsettled—should be chosen for the Capital of Ohio,—was a series or row of brick buildings on High street, beginning at State street and running north along the present property to a point about halfway to the present west entrance to the "State House yard." These structures were burned Sunday morning, February 1, 1852. The old Capitol Building, as it is now called, was begun in April, 1839, and was partially completed and dedicated in January, 1857. The corner stone was laid July 4, 1839. The building was finished in 1861 and was a useful rendezvous for troops gathering for service in the Union Army during the Civil War. The Department of Justice Building was built under an act of the 73rd General Assembly, adjoining the old Capitol at the terrace on the east. It thus occupies the Third street front of the Capitol grounds and, being of similar architecture to its predecessor, adds to, rather than detracts from the simple beauty of the structure.

As an illustration of the advance in structural science a comparison of the two methods of building is interesting. The original structure was begun in 1838, and finished in 1861. Deducting for time consumed in numberless interruptions, the time actually spent in the building of it, was fifteen years; the cost \$1,360,000; the labor was that of idle convicts from the Penitentiary; the material, dressed limestone from state quarries west of the city. The new building was authorized in 1898; corner stone was laid February 16, 1899, and on the 1st of September, 1901, the several departments assigned to this building are taking possession of their beautiful quarters. The exterior of the new building is of dressed limestone; the trusses are of steel. The actual time of building was three years, the cost \$450,000, and the foot-space of public offices equal to about one-half that of the main building. The old building is 304 feet in its longest dimensions (north and south) and 184 feet wide (east and west), covering about two acres of ground. The height from the

ground to outside pinnacle of the central dome is 128 feet; from floor of the rotunda to the eye of this dome is 120 feet; from floor of the rotunda to the upper skylight 136 feet. The diameter of the rotunda floor is 64 feet 5 inches and the floor contains 4,892 pieces of marble. The cupola surrounding the dome (which was never completed as originally designed) is 75 feet in diameter. There are 53 rooms in the Capitol Building. The new Department of Justice or Law Building is 220 feet north and south by 100 feet east and west and contains three full stories and a clear story on the east side. The rotunda is finished in marble and tastefully decorated, with an architectural effect said to be unequalled in the west. The building contains 55 rooms and was primarily intended, as the name implies, to house the Supreme Court, the Clerk of the Court, the Supreme Court Library, and the Attorney General's department. These departments occupy practically all of the second and third floors, the first story being devoted to the departments of Agriculture, Health, Insurance, and Public Works.

## THE OHIO STATE BOARD OF AGRICULTURE.

---

THE Ohio State Board of Agriculture was created by an act of the General Assembly, passed February 27, 1846. The first officers of the board were ex-Governor Allen Trimble, President; Samuel Medary, Secretary; M. L. Sullivant, Treasurer. The first Ohio State Fair was held in Cincinnati, October 5-7, 1850, and a fair has been held each year since that time, except in 1888, when the Ohio Centennial took its place. From 1850 until 1874 the fair was held in the principal cities of the state, the city offering the greatest inducement, in the way of financial aid, securing it. In 1874 the board concluded to establish the fair permanently and centrally at the Capital of the State. The grounds of the Franklin County Agricultural Society (now Franklin Park), were rented until 1886, when the fair was held on grounds just north of the city, which the board had purchased three years previous and fitted up for this purpose. Exposition Park, which contains one hundred and fifteen acres, has been beautifully ornamented by lakes, trees, shrubs, etc., and fine buildings have been erected for the various classes of exhibits, at a cost of several hundred thousand dollars. The live stock buildings are the largest and best in the country. The horse building is three hundred and thirty-two feet square and will accommodate over five hundred horses; and in addition to this, there are barns provided for speed and fancy horses. The cattle, sheep, and swine buildings are a little smaller than the horse building, but are similar to it in all details and have ample accommodations for immense exhibits. These structures are brick and stone, with slate roofs. Broad, clean walks extend through all the buildings, and visitors can, with comfort, view the animals in their stalls and pens.

In 1880 the system of crop reporting was inaugurated by the board, with a corps of about eight hundred volunteer reporters, reports being made quarterly; since that time the number of correspondents has about doubled, the scope of the work has been enlarged and for a number of years the publication has been issued monthly.

In 1881 a law was passed by the General Assembly charging the Secretary of the State Board of Agriculture with the duty of licensing the sale of commercial fertilizers in Ohio, and also sampling and analyzing the same for publication. This work has been successfully pursued by the secretary with very satisfactory results both to consumers of commercial fertilizers and to manufacturers of same. The work has grown gradually, from small beginnings, until now a very large business

*The Ohio State Board of Agriculture.*

is done and a considerable force is employed in the inspection, chemical analysis, etc., of fertilizers.

In the winter of 1880-81 the board entered upon the work of holding farmers' institutes, and twenty-seven successful meetings were held that winter. The number increased gradually until 1889-90, when sixty-two meetings were held. During the winter of 1890 the General Assembly, recognizing the value of farmers' institutes to the agriculturists of the state, passed a law making liberal provision for their support, thus enabling the board to largely increase its work in this direction. In 1890-91 one hundred and twenty-four institutes were established by the board, and, during the institute season of 1900-01 about three hundred meetings were held.

The Ohio State Board of Agriculture consists of ten members, two being elected each year for a period of five years. The office of the board is in the State House and is in charge of a Secretary and Assistant Secretary, who employ a stenographer; statistician, librarian, and a number of clerks. The Secretary is the head of the Department of Agriculture, which is a department of the State Government. The department has an extensive agricultural library of about seven thousand volumes, and through regular exchanges, receipt of government documents, gifts, purchases, etc., it is rapidly growing. These books and documents are available for reference to all who wish to use them.

The following is a list of the Secretaries of the board, from its organization to date:

## OHIO AGRICULTURAL EXPERIMENT STATION AT WOOSTER.

OHIO AGRICULTURAL EXPERIMENT STATION.  
Main Building and Laboratories.

**T**HE Ohio Agricultural Experiment Station was established by an act of the General Assembly, passed April 17, 1882; its object being, as recited in this act, "for the benefit of the interests of practical and scientific agriculture, and for the development of the vast agricultural resources of the State." The station never had any organic connection with the State University, but it was at first located at that institution, a few acres of land being set apart for its use and the Professor of Horticulture in the University being made its first Director, this office being transferred to the Professor of Agriculture at a later date.

In 1887 the National Congress passed an act now known as "the Hatch act," appropriating \$15,000 annually to each state and territory for the establishment of Agricultural Experiment Stations, these stations to be organized in connection with the colleges which had been or might be established under what is popularly known as the "agricultural college act of 1862," except that, in states which had previously established agricultural experiment stations separate from such colleges, permission was given to devote the appropriation to such separate stations.

This course was followed in Ohio, and the Experiment Station was re-organized, Charles E. Thorne being made Director, and the major part of the University farm being assigned to the use of the Station.

The rapid growth of the City of Columbus around the University soon showed that the time must come when its lands would become too valuable to be used for purposes of agriculture, and the permanent and largely increased income now assured the Station made it seem necessary that it should be so established that its work might be continued indefinitely without interruption. The General Assembly therefore passed an act authorizing the several counties of the state to issue bonds for the purchase of lands and the erection of buildings for the use of the Station and to bid for its location. Several counties immediately took action under this law, and the offer of \$85,000, made by Wayne County, was accepted by the Board of Control of the Station; the bonds were sold, several adjoining farms, lying near the city of Wooster, were purchased and the erection of buildings was at once commenced.

A dissatisfied citizen of Wayne County afterward brought suit to contest the constitutionality of the law under which the county had thus bonded itself. The common pleas and circuit courts both declared the law valid, but these decisions were reversed in the Supreme court, on the ground that the people of a part of the state were taxed for the support of an institution intended for the benefit of the whole state (see Constitution of Ohio), and it was held that the incidental benefits derived from the proximity of the Station were no justification for the extra taxation for its support. This decision seriously interrupted the work of the Station, but after about two years the General Assembly assumed the payment of the bonds and has since made provision for the completion of the buildings necessary for the Station work. These comprise the Administration Building and Chemical Laboratory, shown in the illustration, which is built in fire proof construction of the yellowish sandstone found on the Station farm; a block of greenhouses, 80x115 feet, with stone offices in front; a small biological laboratory; four large barns and a number of smaller ones; a fully equipped creamery, and seven dwellings. The Station owns 470 acres of land, in which it has laid about 26 miles of tile drains. It has planted about 20 acres in orchards, in which more than 700 varieties of fruit are now in bearing. It has about 70 pure bred cattle, of six different breeds, and similar flocks of pure bred sheep.

The work of the Station has been organized in four different departments: (1) Agriculture, (2) Horticulture, (3) Entomology, and (4) Botany and Chemistry, each department being in charge of a specialist. The last General Assembly charged the Station in addition with an investigation of tuberculosis and other diseases of cattle, and made its Board of Control the agency for the execution of a law providing for the

inspection of orchards and nurseries against certain insect pests and plant diseases. This work has been organized as a separate department, independent of the Experiment Station.

## THE ATHENS STATE HOSPITAL.

---

THE Athens State Hospital was under the process of construction from 1868 until January 9, 1869, when the first patients were admitted. The first two admissions to the institution were Thos. Armstrong and Daniel Fernaw. Mr. Armstrong died within a few months and Mr. Fernaw has been until now an inmate of the institution.

Dr. Richard Gundry was made Superintendent of Construction in June, 1872, and remained Superintendent until the 15th of December, 1876, when he resigned to assume the superintendency of the newly constructed asylum at Columbus. Upon the resignation of Dr. Gundry the superintendency of the institution devolved upon the senior assistant physician, Dr. Thos. Blackstone, now of Circleville, Ohio, who managed its affairs discreetly and faithfully. On the 16th of January, 1877, Dr. C. L. Wilson, of Indianapolis, Ind., was chosen to fill the vacancy. He being declared ineligible by the Supreme Court, Dr. H. C. Rutter was elected by the board of trustees to fill the vacancy. Dr. Rutter was then a resident of Bellefontaine, Ohio. The next superintendent was Dr. P. H. Clarke, of Meigs County. Dr. Holden, of Zanesville, was then appointed to succeed Dr. Clarke. On the 6th of May, 1880, Dr. H. C. Rutter was re-appointed and he resigned this position in February, 1881, and Dr. A. B. Richardson was elected to fill the vacancy. Dr. Richardson resigned the superintendency April 17, 1890, and Dr. W. P. Crumbacker was appointed to the place. Dr. Crumbacker resigned May 19, 1892, and Dr. C. O. Dunlap was appointed. He resigned June 1, 1896, and Dr. E. H. Rorick was appointed to fill his place. While it can be said that the Athens State Hospital never had an inefficient superintendent it will be noticed on the other hand, that two of the superintendents (Dr. Gundry and Dr. Richardson) attained a national reputation in their line of work.

This hospital is in close proximity to the beautiful and historical city of Athens, noted for its pure air and cultured people. While the Athens State Hospital is not the largest in the state it is certainly one of the best. It is here that years ago Dr. Richardson, then its superintendent, first took the straight-jacket off the inmates and inaugurated a new era in the treatment of insane patients. It was also during the superintendency of Dr. Richardson that the congregate dining room system was inaugurated in the state of Ohio.

The original capacity of the institution was only 572, but by new arrangements and some additions to the buildings the capacity has been enlarged to 813. The greatest number of patients ever in the institution at one time, which has been during the present year, was 1012. The

institution is surrounded by grounds which are both spacious and beautiful, containing walks, drives, gardens, and artificial lakes, bounding on the south bank of the beautiful Hocking river.

The present officers of the institution are: Board of Trustees, John N. Hayman, Middleport, President, Dr. S. B. Lightner, Sabina, Virgil C. Lowry, Logan, W. H. Williams, Columbus, and Hollis C. ADMINISTRATION BUILDING — CLEVELAND STATE HOSPITAL.

## THE CLEVELAND STATE HOSPITAL.

---

THE Cleveland State Hospital, with a capacity of one hundred and two, was opened March 5, 1855, by Dr. L. Firestone, with about fifty patients, whose disabilities required the attention of but one assistant physician. The district consisted of twenty-two counties, embracing about one-third of the state. The Institution steadily increased in size and number of patients until September, 1872, when it was almost entirely destroyed by fire. But few lives were lost, however, and the patients numbering some three hundred, were temporarily quartered in the other public institutions of the city and state. An act providing for the re-construction of the building was passed March 18, 1873, and work was begun immediately. It was not completed, however, until January, 1875. Some years later the building was enlarged by the addition of six wards, and in 1893 two convalescent cottages were added, making our present capacity one thousand.

Eighteen hundred and ninety-six and 1897 saw the construction of a beautiful amusement hall on the grounds of the Institution. It has a seating capacity of eight hundred, the basement being fitted up with an improved system of bathing, lecture room, tailor shop, barber shop, etc. Religious services are conducted in the hall on Sunday, and a dance, in which both patients and employes participate, on Wednesday night of each week.

In 1897 the congregate dining-room was opened, in which six hundred patients are fed three times daily, during which time music is rendered by the orchestra.

As the years rolled by, customs changed and the city built up, the footprints of Time were nowhere more clearly marked than in the State Hospital. From the old-fashioned "Lunatic Asylum" it has slowly but surely developed into one of the most modern and well-appointed institutions in the country. We now have our own electric light plant, ice manufactory, training school for nurses, detention hospital, and in fact all the conveniences and appliances of modern times that tend to further the solving of the great problem of caring for the insane. In the meantime, owing to the rapid increase in the population of both the city and state, and the corresponding increase in the number of insane to be cared for, other institutions of a like nature have been erected in the state, in consequence of which the Cleveland State Hospital district now embraces but six counties, which gives a daily average of eleven hundred patients.

Cleveland township, in which the Cleveland State Hospital is situated, was not at the time of the opening of the Institution a part of the City of Cleveland, but constituted what was then a part of the village of Newburgh, an incorporation separate and apart from the city. Since that time, however, Newburgh has been annexed to the city, and at the present time the southern city limit lies quite a distance south of the Institution.

The Hospital is situated on an elevated piece of land in the southern part of the township, the grounds occupying ninety-eight acres, the greater part of which is laid out in park. The stately building with its solemn grey stone walls can be seen for several miles, and is a noted landmark.

## THE COLUMBUS STATE HOSPITAL.

---

THE "Lunatic Asylum of Ohio" was organized by Act of the Thirty-fourth General Assembly, passed March 5, 1835, sixty-two years ago, and Samuel Parsons, William M. Awl and Samuel F. Macracken were appointed Directors.

These Directors selected a tract of land about one mile east and north of the State House, in Columbus, comprising thirty acres. This tract fronted south on what is now East Broad street, and the western boundary was near what is now Washington avenue.

During the next three years they erected a building on these grounds, at a cost of about sixty-one thousand (\$61,000) dollars.

The institution accommodated one hundred and twenty patients, and was the first institution for the treatment of the insane organized west of the Alleghenies. A very fair representation of the building is given on the second page, which is a copy of a painting made by an inmate of the asylum, and the original of which is still in the possession of the present Hospital.

On May 21, 1838, William M. Awl, M. D., of Columbus, was elected Medical Superintendent by the Trustees, and the first patient was received on November 30 of that year.

The building was two hundred and ninety-five feet in length and contained one hundred and fifty-three single rooms. The Directors apologized for the apparently extravagant size by saying that it would be required in a few years. Yet it was the only asylum the state then had. Now—1900-1—the state has accommodations for more than seven thousand five hundred patients in the several "State Hospitals" at Cleveland, Columbus, Dayton, Longview, Massillon and Toledo, and every institution is crowded to its full capacity.

Dr. Awl was in charge as Superintendent until 1850, a period of twelve years, when he was succeeded by Samuel H. Smith, M. D. He was succeeded in 1852 by E. Kendrick, M. D., and he by George E. Eels, M. D., in June, 1854. On August 1, 1855, Dr. Richard Gundry, who later became so prominent in the care of the insane in Ohio and the United States, was appointed Assistant Physician.

In July, 1856, Dr. R. Hills, of Delaware, was appointed Superintendent. He held the position for several years, and was succeeded by Dr. William L. Peck.

On the evening of November 18, 1868, the asylum caught fire and was almost wholly destroyed. There were three hundred and fourteen patients in the asylum, and six were suffocated by the smoke before they could be rescued. The others were removed to the asylums at

Cleveland, Dayton, and Cincinnati, which had been built since this one was organized.

On April 23, 1869, an Act was passed by the Legislature authorizing the re-building of the asylum on the old grounds, and contracts were let September 23, 1869, and work was begun on the foundation October 24 of that year. Winter soon stopped the work, however, and during the ensuing session of the Legislature, on the 18th of April, 1870, a bill was passed authorizing the sale of the old tract and the purchase of a new site to contain three hundred acres of land.

Governor R. B. Hayes, State Treasurer S. S. Warner, and Attorney General F. B. Pond were appointed a Commission to sell the old site and to purchase a new one. They were required to sell the old site at a price not less than \$200,000, and to purchase a new site of not less than three hundred acres at a cost not to exceed \$100,000.

The Commission reported in favor of the purchase of three hundred acres from William S. Sullivant, on the high lands west of Columbus and across the Scioto valley, paying therefor two hundred and fifty dollars per acre.

The Trustees took charge of this tract, which is the present site of the Hospital, on May 5, 1870. The site of the building was determined upon, work was begun under the old contracts, which had been transferred to the new site, and the corner-stone was laid on July 4 of that year.

The Institution was finally completed on July 4, 1877, just seven years from the laying of the corner-stone, on July 4, 1870.

The total cost of construction at the time of the opening was \$1,520,980.45—at the time of writing (1901) the cost of construction has exceeded \$2,000,000.

The first patient was admitted into the new Hospital on August 23, 1877, and this patient is still an inmate of the Institution, twenty years later.

The Hospital, as completed, stands on an elevated plateau about three miles west of High street, on the north side of Broad street, facing almost directly east. It consists of a central Administration Building and two wings, of four sections each, and a rear wing. The lateral wings and the Administration Building have a lineal frontage of about 1200 feet, and the rear wing and Administration Building have a depth of about 800 feet. It is nearly all four stories in height, and the distance around the foundation walls is about one and one-quarter miles. The building, when opened, accommodated eight hundred and fifty-two patients. In the wings for the patients there were four hundred single rooms and one hundred and sixteen associated dormitories for the use of patients. There were twenty-eight wards from 120 to 180 feet in length, and each ward contained bath, lavatory, water-closet, clothing room and two rooms for attendants.

EXTERIOR DAYTON STATE HOSPITAL.

## THE DAYTON STATE HOSPITAL.

---

THE DAYTON DISTRICT comprises ten counties, viz.: Montgomery, Brown, Butler, Darke, Greene, Miami, Preble, Shelby, Warren and Clermont. The Dayton State Hospital was first occupied September, 1855, with a capacity of 162, known as the Southern Ohio Lunatic Asylum. In the year 1875, it was changed to Western Ohio Hospital for the Insane; in 1877, to the Dayton Hospital for the Insane; in 1878, to the Dayton Asylum for the Insane; and in 1894, to the Dayton State Hospital. The Hospital is located on a hill southeast of the city of Dayton, adjoining the corporation two miles from the court house. It is on the congregate plan, consisting of the administration building, four stories in height, and the wards on either side three stories in height.

The original building contained six wards, three on either side of the administration building, with a capacity of 164. In 1861, the capacity of the Hospital was increased to 600 by the addition of six wards on each side. In 1891, it was again enlarged by the addition of congregate dining rooms, one on each side, which increased the capacity 170, giving us a total capacity at this time of 770.

The Hospital at this time has a frontage of 940 feet, and is uniformly three stories in height, except the administration building, which is four stories and surmounted by a cupola. The state property consists of about 300 acres, 40 acres of which are in lawn; also four artificial lakes, which are about four acres in extent.

The Hospital is controlled by a board of five trustees, appointed by the Governor, whose tenure of office is five years; the term of one trustee expiring each year.

The annual expenditure for the support of the Hospital is about \$150,000.00.

## THE LONGVIEW STATE HOSPITAL.

---

**T**HIS Asylum is one of the notable charities of Hamilton county, for which the state of Ohio makes annual appropriations. It is the outgrowth of a combination of circumstances which have determined its peculiar legal status. It has been the subject of more than thirty years of contention, and its history is that of a great political wrong; and an account of its establishment, growth and present condition might not be uninteresting to the general public.

The first asylum for the insane erected in Ohio was built in Cincinnati, under an act of the Legislature, passed January 22, 1821, entitled, "an act establishing a Commercial Hospital and Lunatic Asylum for the state of Ohio."

By the terms of this enactment the trustees of Cincinnati township were to furnish a site for said institution, containing not less than four acres of land, within one mile of the public landing on the Ohio river, and erect the necessary buildings (which were to be of brick) for the safe-keeping, comfort and medical treatment of such idiots, lunatics and insane persons of this state as might be brought to it for these purposes. The trustees were to receive certain compensation for the care of such patients, to be paid by the county sending the same, if paupers, or by the friends or guardians, if the patients had estates.

In addition, the trustees were required to admit and care for, free of charge, all boatmen belonging to boats owned by citizens of Ohio or to boats of the citizens of other states which provided hospital accommodations to boatmen of this state. They were also required to receive into said institution, and care for, all the paupers of Cincinnati township.

The institution was to be known as "The Commercial Hospital and Lunatic Asylum of Ohio." The state donated, for the purpose of assisting in the erection of said asylum, \$10,000 in depreciated or uncurrent bank bills then in the state treasury, from which were realized \$3,500 in specie.

The Commercial Hospital and Lunatic Asylum of Ohio was the parent institution from which afterwards sprung the Orphan Asylum, the City Infirmary, the Cincinnati Hospital and Longview Asylum. It was the beginning, on the part of the state, which has led to the establishment of the great benevolent institutions of which every citizen of Ohio is justly proud.

The legislature, on March 7, 1835, authorized the purchase of land for a lunatic asylum, and at the next session authorized the erection of an asylum for the insane on the land recently purchased for that purpose at Columbus. Said institution was to be known as the Lunatic Asylum

of Ohio. On March 9, 1838, an act was passed, entitled, "an act to provide for the safe-keeping of idiots, lunatics or insane persons, the management of their affairs and for other purposes," which required all persons found to be lunatics to be sent to the Ohio Lunatic Asylum, and repealing all acts and parts of acts inconsistent with the provision of said act. Thus the Cincinnati Hospital and Lunatic Asylum of Ohio ceased to be a state institution on March 9, 1838, although the name remained till March 11, 1861, when it was changed to Commercial Hospital of Cincinnati.

The state afterwards built two additional hospitals for the insane, one at Dayton and the other in the northern part of Ohio, and on April 7, 1856, the legislature passed "an act to provide for the uniform government and better regulation of the lunatic asylums of the state and the care of idiots and insane," which divided the state into three districts, known as the Northern, Central and Southern Districts. Hamilton county, together with thirteen other counties, constituted the Southern District, the asylum for which was located at Dayton, but, on March 10, 1857, the legislature passed an act making Hamilton county a separate district for lunatic asylum purposes, and providing for the erection and government of an asylum therein, and that the commissioners shall cause all the insane of the county to be placed in such asylum when completed. The act further provided that the inmates of the asylum be supported and the salaries of its officers paid from "a fund consisting of all the money raised in the county of Hamilton by county tax for the support of idiots, lunatics and insane persons, and of such appropriations as shall be made by the state for the support of curable lunatics in said asylum, equal to the amount annually raised by taxation from the county of Hamilton for the support of lunatic asylums in the state." An act of April 28, 1873, which repealed the provision of the act of 1857, and substituted in its place a law which provided that Hamilton county should receive, for the support of Longview Asylum, a sum which should bear such a proportion to the entire appropriations for the support of the curable insane of the state as the population of Hamilton county bears to the population of the state outside of said county.

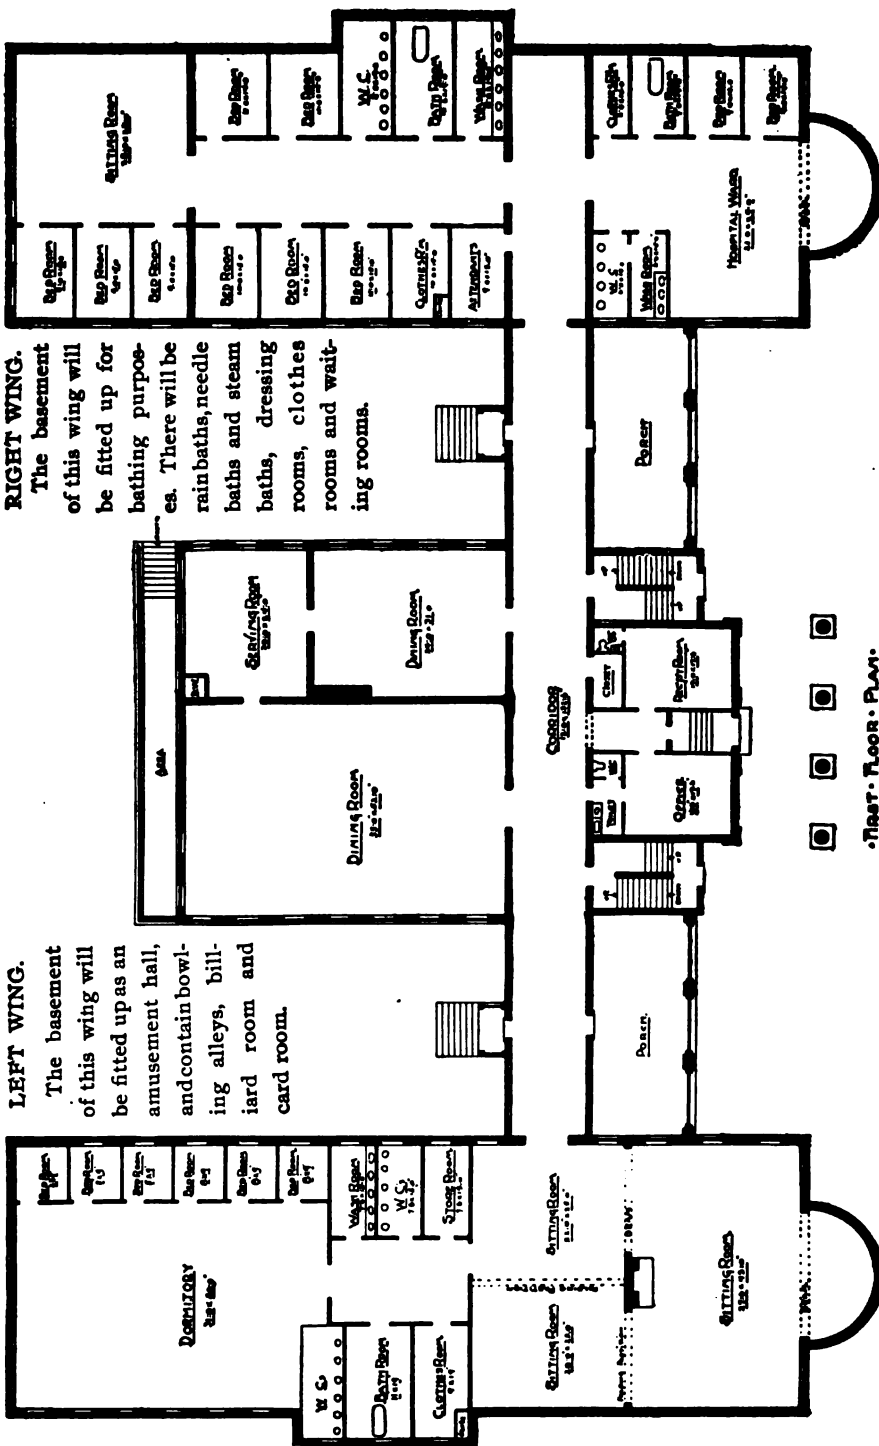

The injustice of the law of 1873 has been so apparent that no General Assembly since 1880 has insisted on its enforcement. In the years 1880 to 1883, both inclusive, the legislature appropriated \$10,000 each year in excess of the amount due under the statute of 1873. Since 1883 the legislature has wholly disregarded the rule of 1873 and has appropriated to Longview gross sums, in the same manner that appropriations were made to the other asylums.

The care of the insane in Hamilton county is an exception to the general system of the state, and for more than twenty years space

efforts have been made on the part of the state to acquire the ownership and control of Longview, and to make it part of the state system, but to no practical end.

A new building to accommodate two hundred and fifty patients is being constructed by and at the expense of the county of Hamilton.

THE BOARD OF DIRECTORS OF LONGVIEW HOSPITAL.

The Board of Directors of Longview consists of five members, two of whom are appointed by the Governor, and one each by the Common Pleas Court, the Probate Judge and the County Commissioners. They hold office for five years, and are not removable except for cause, which gives the board a fixed tenure, and makes it free from sudden political changes.

of Ohio. On March 9, 1838, an act was passed, entitled, "an act to provide for the safe-keeping of idiots, lunatics or insane persons, the management of their affairs and for other purposes," which required all persons found to be lunatics to be sent to the Ohio Lunatic Asylum, and repealing all acts and parts of acts inconsistent with the provision of said act. Thus the Cincinnati Hospital and Lunatic Asylum of Ohio ceased to be a state institution on March 9, 1838, although the name remained till March 11, 1861, when it was changed to Commercial Hospital of Cincinnati.

The state afterwards built two additional hospitals for the insane, one at Dayton and the other in the northern part of Ohio, and on April 7, 1856, the legislature passed "an act to provide for the uniform government and better regulation of the lunatic asylums of the state and the care of idiots and insane," which divided the state into three districts, known as the Northern, Central and Southern Districts. Hamilton county, together with thirteen other counties, constituted the Southern District, the asylum for which was located at Dayton, but, on March 10, 1857, the legislature passed an act making Hamilton county a separate district for lunatic asylum purposes, and providing for the erection and government of an asylum therein, and that the commissioners shall cause all the insane of the county to be placed in such asylum when completed. The act further provided that the inmates of the asylum be supported and the salaries of its officers paid from "a fund consisting of all the money raised in the county of Hamilton by county tax for the support of idiots, lunatics and insane persons, and of such appropriations as shall be made by the state for the support of curable lunatics in said asylum, equal to the amount annually raised by taxation from the county of Hamilton for the support of lunatic asylums in the state." An act of April 28, 1873, which repealed the provision of the act of 1857, and substituted in its place a law which provided that Hamilton county should receive, for the support of Longview Asylum, a sum which should bear such a proportion to the entire appropriations for the support of the curable insane of the state as the population of Hamilton county bears to the population of the state outside of said county.

The injustice of the law of 1873 has been so apparent that no General Assembly since 1880 has insisted on its enforcement. In the years 1880 to 1883, both inclusive, the legislature appropriated \$10,000 each year in excess of the amount due under the statute of 1873. Since 1883 the legislature has wholly disregarded the rule of 1873, and has appropriated to Longview gross sums, in the same manner that appropriations were made to the other asylums.

The care of the insane in Hamilton county is an exception to the general system of the state, and for more than twenty years spasmodic

## THE MASSILLON STATE HOSPITAL.

---

**O**N March 31, 1892, was passed a bill authorizing the appointment of a commission to select a site for the building of a new institution, to be known as the Eastern Ohio Insane Asylum, now the Massillon State Hospital. The commission was appointed by Governor McKinley very shortly after the passage of the bill, and

DR. HENRY C. EYMAN  
Superintendent Massillon State Hospital.

consisted of Dr. A. B. Richardson, Columbus; George R. Davis, Wapakoneta, and Dr. C. W. King, Dayton. This commission selected a site two miles south of Massillon, Stark county, Ohio, and on November 30th, same year, the Governor appointed a board of trustees, conformitory with the law establishing the institution. This building board consisted of Robert Sherrard, Jr., Steubenville; S. J. McMahon, Cam-

bridge; Wm. H. Mullins, Salem; Dr. A. B. Richardson, Columbus; Dr. H. C. Eyman, Cleveland. Under the supervision of this building board a dining-room building, a kitchen and bakery building, a store house, a boiler house, a power house, a carpenter shop, a laundry building, a hospital building, an infirmary building, a superintendent's residence, a steward's residence and seven cottages were constructed.

The institution has now a capacity of 756 patients. In 1894 Mr. Mullins resigned and was succeeded by B. F. Perry, of Jefferson. In 1895 Mr. Sherrard died; his place was filled by the appointment of Mr. D. J. Sinclair, of Steubenville. In February, 1897, Dr. Eyman was succeeded by Dr. E. G. Carpenter, of Cleveland, Mr. Sinclair by George D. Copeland, of Marion. In April, 1898, Dr. A. B. Richardson was elected superintendent and Dr. A. B. Howard, of Cuyahoga Falls, was appointed his successor on the board. In October, 1899, Dr. A. B. Richardson resigned his position as superintendent and Dr. H. C. Eyman, of Cleveland, was appointed his successor. In April, 1900, the board was changed from a building board to an operating board with the following members: Mr. S. J. McMahon, Cambridge; Mr. George D. Copeland, Marion; Mr. J. B. Zerbe, Cleveland; Dr. John E. Russell, Mt. Vernon, and Mr. J. H. Newton, Newark.

The following is a list of the present officers:

## THE TOLEDO STATE HOSPITAL.

---

**T**HE Toledo State Hospital is built upon the cottage system and has been opened for the occupancy of patients about twelve years. Its plan of construction was a radical departure from the structures then in use for the care of the insane, incorporating the most advanced thought upon the subject. The idea originated with General Brinkerhoff, of the Board of State Charities, who favored the erection of a new asylum in Northwestern Ohio. When the Sixty-fifth General Assembly came in Noah Swayne, Jr., of Toledo, was chairman of the Committee on Insane Asylums in the House, and Dr. Byers and General Brinkerhoff had frequent interviews with him in regard to a new asylum. He was friendly to the project but insisted that the state finances would not allow an appropriation of over \$500,000. The appropriation provided for 650 patients.

There was a great diversity of opinion among legislators as to location. Every one wanted it in his own county, and this came very near defeating the proposition altogether, but in the end, near the close of the session, as a compromise, the whole question of location and plans was undertaken by a commission, of which Governor Foster was president, Dr. Byers was secretary, and General Brinkerhoff was a member. General Brinkerhoff insisted that no plan should be approved that did not provide for 1,000 patients, which was about the number then in the county infirmaries. He insisted that on an average the citizens of Mansfield, and other cities in Ohio, were housed at an average cost of less than \$400 per capita, and that \$500 per capita certainly ought to make provision for the insane. A resolution to this effect was adopted by the commission. It was argued that it could easily be done with detached buildings at the existing asylums, as it had been done at Williard's Asylum in New York at \$250 per capita, and that it should be done for \$500 per capita upon the cottage system, of which the only example in the United States was at Kankakee, Illinois. With all the light that could be secured the commission made its decision, and finally let the contract inside of the appropriation. The law did not limit the commission location to any section of the state, from the beginning of the commission was unanimous for the site finally selected.

Dr. H. A. Tobey has been the superintendent of this model institution from the opening in 1889, with the exception of one year, under Governor Campbell, the institution was superintended by Dr. Tupper.

The hospital for men was built in 1898 and occupied September, 1899. The one for women is now under construction. Many improvements and valuable changes are being made and projected. A new boiler plant,

*The Toledo State Hospital.*

entire, was put in last year, and the contract has been let for a new electric lighting plant, the old one being inadequate. Eight of the wards have been remodeled. Everything but the roof and walls; about three-fourths of the buildings have been destroyed and rebuilt, these changes being necessary because of the fact that the buildings, originally, were cheaply constructed. A large portion of the success of this hospital is due to the efforts of ex-Governor Foster, who, in addition to being a member of the original committee on location of the hospital, has been a member of the board of trustees from the day it was opened to patients. The fact is that the Governor, being regarded as a father of this great charity, finds much pleasure in looking after it. It is said of him that when a cabinet portfolio was tendered him at Washington, D. C., that had it come to the question of resigning the trusteeship of this hospital or refusing to become a cabinet officer, he would never have been President Harrison's secretary of the treasury.

## THE INSTITUTION FOR THE EDUCATION OF THE BLIND.

THE Ohio Institution for the Education of the Blind was founded by act of the Legislature in 1837. It was the fourth in order of establishment in the United States. In 1839 the first building was occupied. This structure cost the state \$34,409 and was designed to accommodate sixty pupils. The present house was accupied May 21, 1874. This building cost at first, exclusive of additions, \$358,477.92 and was intended to accommodate three hundred pupils. Later additions have been made increasing its capacity. The first year in the history of the institution there were eleven pupils enrolled. Last year there were 339 in attendance. Since the establishment of the institution, 64 years ago, 2,058 pupils have been enrolled.

The cost of maintenance from the beginning to November 15, 1900, was \$1,828,390.32. Probably \$600,000 have been invested in permanent buildings and improvements, making a total expenditure of about \$2,428,390.00:—

The average cost to the state for each pupil has been about \$1,179.00.

## THE INSTITUTION FOR DEAF MUTES.

**T**HE Ohio Institution for the Education of the Deaf and Dumb is located at Columbus, Ohio. The first legislation for founding this Institution was had in 1827. In 1829 the school was opened in rented property on the corner of Broad and High streets with one pupil. In 1834 the first building on the present site was dedicated and the school transferred to it. From 1862 to 1867 the large and commodious building now occupied was erected and was intended to accommodate three hundred and fifty deaf children, besides officers, teachers and employes. In 1898 and '99 the capacity was increased by the erection of the school building, one of the finest in the world. The total amount of money expended for grounds and buildings is approximately \$450,000. Three thousand and eighty-one deaf children have been pupils in this school. The attendance is something over five hundred and is increasing each year. Forty-one teachers are engaged and seventy officers and employes. The annual appropriations for maintenance are approximately \$100,000.

## INSTITUTION FOR FEEBLE-MINDED YOUTH.

---

THIS Institution was established by law April 17, 1857. The preliminary work was commenced in 1840 by Dr. N. S. Townshend, while pursuing his medical studies in Paris, became interested in the labors of Seguin, Itard and others in behalf of the class. In 1853 Dr. Townshend, then a member of the Ohio Senate, so interested Governor Medill in the results of his observations and studies abroad, that he devoted a portion of his message to the General Assembly to the subject. That part of the message relating to the subject was referred to a select committee, of which Dr. Townshend was chairman. The committee made a report, detailing what had been done for this class. A bill was then introduced for the establishment of an Institution, but did not pass. At the session of 1857, Hon. Herrman Canfield introduced in the Senate a bill to establish an Asylum for Idiots, which passed both Houses and became a law April 17, 1857. Governor Chase appointed William Dennison, Norton S. Townshend and Asher Cook, Trustees. Upon organization of the Board, Mr. Dennison was made chairman; Dr. Townshend, secretary, and Dr. R. J. Patterson, superintendent. The Board rented the buildings on East Main street, now occupied as the "Home for the Friendless." The Institution was opened with nine pupils. The number was increased to fifteen at the date of the first report. The rented premises were occupied until 1868, the number of pupils averaging, after the first two years, between forty and fifty. The office of assistant superintendent was created in 1859, and Dr. G. A. Doren was appointed to that position. In 1860, the superintendent, Dr. Patterson, resigned, and Dr. Doren was elected superintendent by the Board of Trustees, and has continued in that position since, now forty-one years.

After closely observing the operations of the Institution and their results, the Legislature, in 1864, provided for the permanent establishment of the Institution, authorizing buildings upon a suitable site for the accommodation of two hundred pupils. This provision was made during the strenuous days of the Civil War, and was a strong endorsement of the value of the Institution, as well as a valued acknowledgment of the performance of duty under the trying conditions of the War. The new buildings were occupied in August, 1868, the number of inmates soon reaching three hundred. The practical value of the Institution being demonstrated, additions were made, from year to year, until the 18th of November, 1881, when over six hundred children were accommodated, and when the main buildings were destroyed by fire; happily, without loss of life, or even injury, to any of the inmates, officers or

employees. So anxious were parents and guardians that their children and wards should not lose any of the benefits of the Institution, that only one hundred of the inmates could be sent to their homes, the balance being crowded into the buildings that escaped destruction. The operations of the Institution were conducted, during the three years of rebuilding, at great disadvantage, from want of room and facilities for the proper care and training of the inmates. This was relieved by the occupation of the new buildings in 1884. In this case, fireproof buildings were constructed on the site of those destroyed by fire, and fireproof outside stairways provided for all buildings that escaped destruction. Other buildings have been added since 1884, until the number accommodated in 1900 was 1100, when, the Legislature, recognizing the duty of providing against the increase of this unfortunate class, by placing them under such restrictions as will prevent them multiplying their kind, provided for a permanent home, where the use of such industrial power as they possess may be exercised in their own support. Authority was given to purchase a farm, not to exceed 1500 nor less than 1000 acres in extent, where they are to be kept through life, thus lessening the increase from that source. About 1200 acres have been secured, where the males of this class will be provided with a home and such employment as will come within the range of their capacities. The employments will be mainly such as furnished by the farm, gardening, stock-raising and horticultural pursuits. The females are to be provided for at the home Institution, where they can be better protected, as well as usefully employed in domestic occupations. Buildings are now being constructed to accommodate about four hundred of each sex of the Custodial Class, and, when completed, will restore the old department to its original purpose and duties—"to furnish special means of improvement to that portion of our youth who are so deficient in mind, or have such marked peculiarities and eccentricities of intellect as to deprive them of the benefits of other educational institutions and ordinary methods of instruction."

## THE HOSPITAL FOR EPILEPTICS.

---

THE Ohio Hospital for Epileptics at Gallipolis is the pioneer of its kind in the United States.

The problem of providing proper accommodations for epileptics, especially for those with unsound or defective minds, has engrossed the attention of persons interested in nervous and mental diseases for many years. In Ohio, as far back as 1879, a bill for the establishment of a separate institution for their accommodation and treatment almost became a law, passing one branch of the legislature. Not, however, until 1890 was a law enacted providing for the establishment of a hospital for epileptics and epileptic insane. All epileptics resident in Ohio are eligible for admission to this institution, up to the measure of its capacity, each county being entitled to a number proportionate to its population. No discrimination is made on account of mental condition, age or sex.

The buildings, as originally planned, consisted of stone cottages having a capacity of fifty beds each, located symmetrically about a group of executive buildings and connected by tunnels with a central powerhouse, which was to furnish heat and light for all, and a central kitchen and bakery, flanked by two congregate dining-rooms, one for each sex. The whole group, with estimated accommodations for one thousand patients, was planned so compactly as to cover scarcely more than twenty-five acres, leaving the balance of one hundred acres of the original tract for ornamentation and gardens. The wisdom of this plan was seriously questioned, and subsequent experience and events have led to an entire modification of it, so far as practicable. Of the original thirty-six buildings, only thirteen have been built as designed. The location and design of six others, now nearly completed, have been materially changed. One hundred and twenty-five additional acres of land have been purchased, and a cottage for the insane constructed at a distance of one-half mile from the original group. Other buildings, projected for the future, are to be much farther away, their precise location depending upon the possibilities in the selection and purchase of land, which may or may not adjoin the tract now owned by the state.

A board of construction was appointed in 1890, which consisted of James E. Neal, of Hamilton; John E. Vance, of Gallipolis; George H. Bunnell, of Sidney; Lewis Slusser, of Canton.

The hospital was opened for the reception of patients, November 30, 1893. Six more cottages have since been erected, and when the buildings now in course of construction are completed, which will be during the present year (1901), accommodations will have been made for 1,060 patients. The buildings will then consist of thirteen residence cottages,

with from fifty to seventy-six beds each; one laundry cottage for seventy-five patients; one cottage for the insane, with a capacity of 200; one schoolhouse; two industrial buildings, each containing eight large, well-lighted and well-ventilated rooms, accommodating twenty-five patients each—in any of the manual industries commonly followed; one kitchen and bakery building; one ice machine and cold storage building, with a capacity of eighteen tons daily; two large congregate dining-rooms; one boiler, power, and electric light building; one waterworks building; one hospital building, accommodating sixty, and one administration building. The cost of the buildings, up to the time when those under way shall have been completed, will be \$565,000.

Many of the patients came from almshouses, many from the lower walks of life, and were uncouth in their manners and dress, filthy in their habits, and rude in their conversation. The improvement most noticed by visitors has been the wonderful change in their deportment.

## THE BOYS' INDUSTRIAL SCHOOL.

---

**T**HE Boys' Industrial School is Ohio's reformatory for juvenile male offenders. It is six miles south of Lancaster, Fairfield county on the Hocking Hills. The state owns 1,210 acres of land in this picturesque region, and the boys are taught agriculture and horticulture to the extent of producing all the vegetables and fruit that the institution consumes. The institution is organized on the cottage or segregate system, is not surrounded by walls and is entirely free from bolts, bars or other suggestions of restraint. It was the first penal institution in America to make the "open system" experiment, and so successfully was it operated that twenty-eight states have used the Lancaster school as a model. There are now 840 boys confined in the

school for offenses against the statutes. These boys range in age from 8 to 18 years and are serving indeterminate sentences. When received at the School they are charged with demerits corresponding in number to the nature of the crime. These demerits must be cancelled by exemplary deportment in school and shop, before release. When released, a boy is on parole and can be returned for misconduct at any time before he reaches his majority.

The boys are required to attend school one-half of each day, and are in shop or on the farm the other half. There are many trades schools where the boys are taught useful mechanical knowledge and at the same time contribute to the comfort and support of their fellows. Chief among these trades are blacksmithing, floriculture, tailoring, baking, printing, carpentering, telegraphy, stenography, brickmaking, shoe-making,

dairying, cooking, etc. They also operate the steam, cold storage and electric plants, the barn, laundry and poultry plant. A boy band of forty-two pieces is maintained and the school is organized into a regiment of three batallions, under instructions of a competent military man. Music and physical culture are also features of the training.

## THE GIRLS' INDUSTRIAL HOME.

### DESCRIPTION OF THE GIRLS' INDUSTRIAL HOME.

#### LOCATION.

THE Home is situated 10 miles southwest of Delaware, with which it is connected by good pikes and a telephone line, which gives ready communication with a large number of towns, including the city of Columbus.

The Home is easily accessible to the city of Delaware at all seasons of the year on account of the excellent pikes referred to. It is six miles from Powell and four and one-half from Hyatts, on the Hocking Valley Railroad, and eight miles from Arnold, on the Toledo division of the Ohio Central lines, the two later stations being connected with the Home by telephone.

#### FARM.

The farm consists of 189 acres, on the west bank of the Scioto river. It is beautifully situated in an unusually healthy location, with but little sickness at any season of the year. The grounds around the buildings are adorned with shade trees, a large portion being of the original growth. The celebrated White Sulphur springs furnish an abundant supply of excellent water, which is now used for domestic purposes. The water flows constantly from a vein more than 100 feet below the marble basin from which it overflows.

#### BUILDINGS.

The buildings consist of (1) the Administration or central building, in which reside the superintendent and family, the clerk, storekeeper, superintendent of the schools and a housekeeper; (2) eight cottages; (3) school building, and (4) a hospital.

The latter is a valuable acquisition to the institution, furnishing commodious quarters for all hospital purposes and complete isolation for inmates affected with contagious diseases. In each cottage there reside from 40 to 50 girls, with an assistant matron, teacher and house-keeper.

## THE OHIO PENITENTIARY.

---

THE Ohio Penitentiary covers 26 acres within the walls. About two acres outside the prison proper are occupied by offices, the Deputy Warden's residence, store rooms, barn and stables. The prison itself is walled on three sides, the fourth being wholly absorbed by cell houses, offices and the Warden's home. This side presents an imposing front, about 800 feet in length, on Spring street, facing the Scioto river, with the street and outer buildings between it and that stream, with a wide fringe of green lawn before it that in summer is beautified by parterres of flowers and shaded by fine trees. The cell houses and offices form a continuous building from the southeast to the southwest gate, in which are more than 1600 cells, about 600 of these being provided with beds for two inmates, the remainder being too small to receive more than one each. The Female Department, which abuts on the southeast gate, is somewhat advanced toward the street beyond the frontal line of the main prison, and reaches to the public sidewalk. It contains 46 cells.

The walls are dominated by towers at short distances apart and there are 11 of them. Within the enclosure is a small manufacturing city, comprising the shops of The Columbus Bolt Works, The George B. Sprague Cigar Co., C. S. Reynolds & Co., The E. B. Lanman Co., The P. Hayden Saddlery Hardware Co., The Ohio Glove Co., The Columbus Chair Co., The National Broom Co., The Brown-Hinman & Huntington Co., and The Columbus Hollow Ware Co., all private corporations that contract with the state, through the Board of Managers, for the labor of prisoners, at specified prices for able-bodied and infirm men, respectively, and in many instances paying to the prisoners certain agreed amounts for all work produced beyond an appointed task. The total amount earned by such overwork and paid in to the account of the men who have earned it averages about \$2500 per year. These contracts employ about 1100 prisoners. In addition to the labor utilized by these enterprises, the state employs about 800 men in the manufacture of the prisoners' clothing, the care of their sleeping quarters, repairs to buildings, the preparation of food, the management of the gas works—which supply gas to the State Blind Asylum and the State Deaf and Dumb Asylum, as well as to the Penitentiary—the care of the inside park and other grounds, and in the general administration of the mural city with its two thousand population. A tour of inspection more than repays the visitors, who come in great numbers that are increasing yearly, as the people realize more and more that an interesting development of modern ideas relative to the protection of society

through the reformation of the criminal may be seen in its various phases from day to day. Here are sights that, once seen, will never be forgotten, as, for instance, the marching of the inmates to and from their meals, the shops and cells, in companies of military formation and martial step, gray clad and steady as veterans, each company officered by a guard. Since 1834, when the present prison was first occupied—or, rather, that rudimentary portion of it that is now known as the West Hall—an army of more than 33,000 prisoners has passed through its portals, inward, the men among whom, until a few years ago, wore the old regulation striped uniform of the convict. The striped clothing is used, on rare occasions, as a temporary garb of punishment in extreme cases of misconduct, and it is always effectual. The prisoner who has worn the stripes once rarely dons them for a second period of discipline.

The walled city has been swept by pestilence, once in its history. In 1849, the cholera raged here, and 121 prisoners died within twelve months. The bolts and bars bound them to the deadly embrace of a plague which, more dire in its work than the destroying angel of Egypt who claimed only the firstborn male, exacted the life of every third man among the prisoners. But it is now as healthy as a sanitarium. Remarkable to relate, the death rate has fallen from 55 to 36 in one year. The 55 deaths occurred during the year ending October 31, 1899; the 36 during the following fiscal year, embracing half of the first year of the present administration.

There is a finely appointed and well equipped hospital on the inside grounds, but it is a more scantily inhabited than has been the case for years. Since the present administration has assumed control, the most important reform that has ever been introduced to the Penitentiary has been brought about, a long-needed innovation that has denuded the hospital of patients, halved the death rate, and removed the source of a dangerous discontent. That improvement is a change in the dietary. While dietetic systems of the highest value have been scientifically developed and proved, as needful and in every sense economical, it remained for the present directorate of this great institution to adopt one and bring it to success. The food of the inmates is better in quality, more varied in kind, and prepared in a manner far superior to anything ever achieved or even attempted here before. For years, two thousand prisoners were served by cocking arrangements that were acknowledged to be but poorly adequate to prepare the plainest meal for 1300. But with the building of a rotary oven that has already paid for itself by the economy of its use, and a more varied cuisine at a trifling additional cost, per capita, this great result has been attained, showing to the taxpayer that economy and humanity go hand in hand. It has saved lives, the cost of medicine, the price of enforced idleness, the loss from poor work, funeral ex-

penses, and no figures can tell of the vast improvement that it has brought about in the morals of the shut-in population. Reformation and slow starvation cannot go together. American people are accustomed to a rich and varied diet, from childhood, and that which may be a luxury to the poor of some other country may be a necessity to a man reared in Ohio. The fact that two-thirds of a meal was frequently thrown away at the Penitentiary, in former years, after two thousand hungry prisoners had rejected it, proves, beyond doubt, that it was not suitable for their use, and that such a meal was a waste of the taxpayers money.

## THE OHIO REFORMATORY (MANSFIELD).

THE law creating this institution was enacted April 12, 1884; corner-stone was laid in '86, Hon. J. B. Foraker, Governor. The west wing and administration departments were not completed for occupancy until September 18, '96, when 150 prisoners were brought from Columbus.

The object of the institution is reformatory. Inmates are supposed to be first offenders, are admitted for all crimes except murder in the first degree, between the ages of 16 and 30. Male persons only are admitted. There are three grades: first, second and third. When inmates are admitted they are placed in the second grade; if their conduct justifies at the expiration of six months, they are promoted to the first grade, in which they remain for a second six months, when if their conduct justifies, they are recommended to the Board of Managers for parole. With the consent of the Board of Managers they go out and remain the wards of state under the supervision of the institution for six months, when if their conduct justifies, they are fully discharged, and restored to citizenship by the Governor. Inmates are reduced to the third grade from either the first or second for punishment for certain misdemeanors.

They receive an indeterminate sentence from the court and the length of time they remain here is governed largely by thir conduct, and is exclusively in the hands of the Superintendent and the Board of Managers. They can be released at the expiration of the minimum time prescribed by law for the crime committed, or can be retained until the maximum time has expired.

They are required to attend school and learn such trades as it is possible to teach them under the limited conditions now existing. It is expected, however, within the next few years shops will be erected and trades taught to these boys, so that when they go out, they will be able to make an honest living.

The present Superintendent was elected as Deputy and commenced service July 6, 1896, succeeded W. D. Patterson, the first Superintendent, April 1, 1897, and has held the position of Superintendent up to the present time.

Following is a list of the members of the Board of Managers since the institution began:

## OHIO SOLDIERS' AND SAILORS' HOME (SANDUSKY).

TO provide for the establishment of this institution the General Assembly passed the following act April 30, 1886:

*"Be it enacted by the General Assembly of the State of Ohio,*  
That there shall be established in this state an institution under the name of 'The Ohio Soldiers' and Sailors' Home,' which institution shall be a home for honorably discharged soldiers, sailors and marines."

"All honorably discharged soldiers, sailors and marines, who have served the United States government in any of its wars, and who are citizens of Ohio one year preceding the date of making the application for admission to the Home, and are not able to support themselves, and are not entitled to admission to the National Military Homes, or cannot gain admission thereto, may be admitted to the Home first aforesaid, under such rules and regulations as may be adopted by the Board of Trustees hereinafter provided for; provided that preference shall be given to persons who served in Ohio military organizations."

House bill No. 125, passed February 19, 1892, provides:

SEC. 2. That no insane or imbecile person shall be admitted to the Home. \* \* \* If any insane or imbecile person, through misrepresentation as to his condition, shall be sent to said Home, he shall be returned to the county whence he came, and the expense of such return be borne by the county whence he came.

To carry out the provision of the act, Governor Foraker, in April, 1886, appointed as trustees Hon. Isaac F. Mack, R. B. Brown, Thos. F. Dill, Wm. P. Orr and Thos. B. Paxton. The board organized on June 3, and elected I. F. Mack president, and R. B. Brown secretary. During the summer a number of places were visited and carefully looked over. A site three miles from Sandusky was finally selected as the best place to locate the Home. H. C. Lindsey, of Zanesville, was chosen architect, and he at once prepared plans for the buildings. Herman Haerline, of Cincinnati, was employed as landscape gardener, and the work of improvement of grounds and construction of buildings was at once commenced.

On July 11, 1888, the cornerstone of the administration building was laid by Judge O'Neill, Commander of the Department of Ohio Grand Army of the Republic, in the presence of Governor Foraker and a large assemblage of Ohio citizens. In the fall of 1888, the trustees appointed the following officers: General M. F. Force, of Cincinnati, Commandant; Capt. A. M. Anderson, Delaware, O., Adjutant; Col. E. J. Blount, Cincinnati, O., Quartermaster; Dr. S. C. Rannells, Vinton county, Surgeon; Mrs. Sarah J. Price, Mansfield, O., Matron, who entered upon the dis-

charge of their duties in October, and the Home was opened on November 19, with seventeen members. The annual report for the year ending November 15, 1889, shows that 716 men had been admitted during the first year.

In June, 1890, Trustee Thos. T. Dill was appointed Assistant Adjutant General and resigned as trustee, being succeeded by J. F. Charlesworth, of Belmont county, and during the summer of 1890, Peter Brady, of Sandusky county was appointed trustee vice I. F. Mack, resigned.

In December, 1890, a change was made in the official family of the Home by the appointment of Maj. D. T. Cockerill, of Brown county, as Adjutant; Capt. Daniel Dugan, Zanesville, Quartermaster, and Dr. J. N. Mowry, Mansfield, Surgeon, who was succeeded in September following by Dr. John T. Haynes.

During the year of 1892, Capt. J. L. Cameron, of Marysville, succeeded Peter Brady, and J. J. Sullivan, of Cleveland, succeeded J. F. Charlesworth as Trustee. Capt. A. M. Anderson was reappointed as Adjutant, and Dr. E. N. Heard, of Cincinnati, was appointed Assistant Surgeon. Average number present during 1892 was 762. During the summer of 1893, Rev. Thomas J. Sheppard was appointed Chaplain of the Home at a salary of \$1,000, and remained until September, 1897, when he was succeeded by Rev. W. M. Haines, of Union county, and Judge H. D. Peck succeeded Thomas B. Paxton as trustee. Average number present during 1893, was 819.

In 1894, Mrs. Sarah J. Price resigned her office as matron and Mrs. Mary Le Fuller, of Sandusky, was appointed to the vacancy.

In 1896, General Thomas T. Dill was appointed trustee vice Judge H. D. Peck, resigned, and R. D. Burnham succeeded E. N. Heard as Assistant Surgeon.

In March, 1898, Col. R. B. Brown, after twelve years continuous service as a member of the Board of Trustees, resigned the office and Col. J. W. R. Cline, of Springfield, was appointed to fill the vacancy.

On May 8, 1899, the state and the Home sustained a great loss in the death of Gen. M. F. Force, the Commandant. The Board of Trustees ordered spread upon the minutes the following testimonial on his death:

"This Board will leave to others the task of writing suitable obituary for the distinguished dead, but we desire to preserve on our own records some testimonial of our appreciation of the eminent services rendered by Gen. Force for this institution, he was indeed the father of the Home.

"General Force had achieved renown as a soldier and jurist before being called upon to assume the great responsibility of organizing this Home and placing it as we all desired, first among the soldiers' homes of this nation.

"By unanimous voice of the Board he was tendered the position of Commandant before the Home was opened. He accepted the responsibility and came with his devoted wife to prepare for the reception of those who should seek the

support and protection of the institution, and as he often expressed it, not to make a military camp, but a home for his unfortunate comrades. His high character and intelligent zeal insured success from the first.

"With him charity and kindness went hand in hand with judgment and discipline. He was ever ready to hear the most humble petition, and while keeping up a high moral standard for the Home he loved and encouraged the weak and unfortunate.

"His resourceful mind gave to the Home steady improvement, and his spotless life protected it from scandal. His zeal and devotion were unbounded, and it was a merciful Providence that permitted him to live to see the full fruition of his hopes, and to be comforted by the assurance of the national inspector that the Home of which he was Commandant had found first place among the homes of the land.

GEN. M. F. FORCE.

"We shall miss him at our Board meetings, and wait in vain for him in our councils, but we shall cherish his memory with love and gratitude.

"To Mrs. Force and her son we extend our profound sympathy and assure them that wherever they may go they will bear with them the best wishes of every member of this Board."

At the meeting of the Board on May 17, Capt. A. M. Anderson was appointed Commandant, and C. A. Reeser, of Springfield, was appointed Adjutant.

The first of January, 1899, found the new hospital completed, which gives the Home the most complete structure of its kind of any institution in the country. Seven trained lady nurses were employed to look after and care for the sick and suffering old men. Two years' experience has shown that these ladies have added wonderfully to the comfort and welfare of the sick.

*The Ohio Soldiers' and Sailors' Home (Sandusky).*

The Home started in on the new century with an overcrowded house. Number present, January 15, 1,391; on the rolls, 1,621; average number present for the year ending November 15, 1900, 1,216; cost per capita for current expense, clothing, officers' salaries and trustees' expenses, \$151.15; of which the general government pays \$100.00, leaving a cost to the state of only \$51.15 per annum to comfortably house, clothe, feed and give medical attention to these old soldiers. Since the Home was opened in November, 1888, forty-eight hundred and eighty-five (4885) men have been admitted and cared for. The Home is largely indebted to the Grand Army of the Republic and the Womans' Relief Corps for generous donations of books, magazines and papers for the library, and hospital supplies of jellies, fruits, cushions and other articles.

The entire cost of building and permanent improvements amount to \$657,863.72.

THE OHIO SOLDIERS' AND SAILORS' ORPHANS' HOME.  
XENIA, OHIO.

MAIN BUILDING AND COTTAGES.

**I**N the summer of 1869 the attention of the survivors of the civil war was called to the large number of fatherless children in Ohio, who were made so by the enormous gift of Ohio men to the Union Army. Every hamlet and township possessed its quota of soldiers' orphans, while in the larger cities the number of children rendered fatherless by the war was so great as to be particularly noticeable to the public spirited men and women who, having served in or in behalf of the Union Army when in the field, found themselves unwilling to rest from their labors until every possible step had been taken to heal the wounds of that notable conflict. The members of the Grand Army of the Republic in Ohio took up the matter of providing a home for these orphans, those ex-soldiers who were already prominent in the affairs of the state, taking the lead in the agitation of the subject which followed. The Hon. Lewis B. Gunkle, of the Soldiers' Home at Dayton, Chaplain G. W. Collier (now retired U. S. A.) of Delaware, General Wm. H. Gibson, of Tiffin, Lieutenant Governor Lee, of Toledo, and Mrs. Governor (afterward Mrs. President) Hayes, being prominently identified with the early days of the Home. In September, 1869, a two-story building in the city of Xenia was rented by the Grand Army officials, and converted by temporary wooden partitions, stairways and halls, into crowded accommodations for possibly 50 children. Funds were raised from public and private sources, by the men who can-

vassed the state and addressed churches, Sunday schools, Grand Army meetings and private individuals, and children were admitted as fast as accommodations for them could be provided. The citizens of Xenia and of Greene county were genuinely interested in the movement, and spared no pains to make it a success. A room in the High School Building, of Xenia, was set apart for the children of the Home by the board of education, thus providing immediate school privileges, and the Court House Park was voted to their use by the city and county officers, thus providing a convenient and well kept playground. The citizens presented the Home with 150 acres of ground on which the present institution was afterward located by the state, and the county commissioners of Greene county, during that winter, voted six thousand dollars toward the current expenses of the Home to prevent the children from feeling the reduced condition to which the treasury of the Grand Army had been depleted by the expense of opening and operating an institution of such a character. The loyalty and public spirit of the men and women of Greene county during the war was repeated in their efforts in behalf of the orphans of the war. In the winter of 1870, with about 75 children in the Home, an appeal was made to the General Assembly to adopt the children as wards of the state, and to take over the property of the Home and make it a state institution. A committee from the General Assembly visited the children, who were assembled in the City Hall in Xenia, inspected the temporary quarters in town, and the property belonging to the Home just outside the city limits to the southeast, and returned to Columbus in favor of the proposition. The committee was addressed on behalf of the children by a Master Gilkey, who was then a boy twelve years old, having been admitted to the Home from Trumbull county in January of that year.

In April of 1870 the Home passed under the control of the state, and its removal from Xenia to its present location on the old Pelham farm, was accomplished in September, the work of construction having been pushed sufficiently to accommodate the children then in attendance. The doors were thrown open to new pupils as soon as the transfer from the city to the farm was effected, and from September, 1870, to September, 1901, there has never been an hour when there were not more applicants for admission than could possibly be received.

It is a matter of course that the requirements for admission should be changed with changing conditions. In 1870 no children were entitled to admission but those whose fathers were killed in action, or had since died from the wounds or the disabilities of war. The lapse of time soon rendered this class of children ineligible from age-limit, and the doors were then opened successively to those whose fathers being ex-soldiers

had died from any cause; \* to those whose mothers had died, the father being an ex-soldier and unable to properly care for his children; \* to the children of ex-soldiers, whose parents being alive were not able to care for them; \* to the children of the Spanish-American war. These latter are now being admitted.

In 1870 the instruction consisted of the usual school course with some outdoor labor; in 1875 industrial pursuits were added to the school course, and to the number of industries then inaugurated there have been constant additions as the science of manual training has grown more familiar to the educator. In the Home was thus established far in advance of similar public institutions, a Manual Training School supported by public funds for public uses. The Home is the largest institution of its kind in the world, and has a long history of active educational work. Graduates from its schools are filling honorable positions in the civil, political, financial, military and naval departments of American life. It has been frequently said that in all America it would be hard to find a spot more hallowed to the memory of American Soldiery, more filled with the stirring influences of patriotic devotion to country and to the country's flag; more typical of the peace and honor which follow from the defense of Rights and Liberty, than among the scenes and experiences which surround the home and school life of the 900 pupils of the Ohio Soldiers' and Sailors' Orphans' Home at Xenia.

From an old photograph which has been in the possession of the editor since 1872, the illustration was made which heads this article, and, on the back of this old photograph is given the names of the men who were appointed to take over the Home from the Grand Army in April, 1870, and mould it into a state institution. They are:—

## OHIO STATE UNIVERSITY.

THE Toledo Critic recently published an able article on the Ohio State University, which is here reprinted as a valuable and comprehensive contribution to this work. The article in part is as follows:

In 1878 the legislature passed "An act to reorganize and change the name of the Ohio Agricultural and Mechanical College and to repeal certain acts therein mentioned." The act provided that the institution should be thereafter designated as "The Ohio State University." Up to this time but one appropriation had been made by the State for the support of the institution. With the reorganization came the larger and broader view of the State's relation to public education, and since that time the Ohio State University has shared with other public educational institutions a more generous support by the State.

The governing body of the institution is a Board of Trustees, appointed by the Governor of the State and confirmed by the Senate, for terms of seven years, as provided in the law organizing the University. The original endowment has been supplemented, and the objects of the University promoted, by a permanent annual grant from the United States, under an act of 1890, by special appropriations of the General Assembly; and in 1891, by a permanent annual grant from the State, which grant was doubled by the legislature of 1896. In accordance with the spirit of the law under which it is organized, the University aims to furnish ample facilities for education in the liberal and industrial arts, the sciences and the languages, and for thorough technical and professional study of agriculture, engineering in its various departments, veterinary medicine, pharmacy and law. Through the aid which has been received from the United States and from the State, it is enabled to offer its privileges, with a slight charge for incidental expenses, to all persons of either sex who are qualified for admission.

The University is situated within the corporate limits of the city of Columbus, two miles north of the Union Depot, and about three miles from the State Capitol. The University grounds consist of three hundred and forty-five acres, bounded east and west by High street, and the Olentangy river, respectively. The western portion, about 235 acres, is devoted to agricultural and horticultural purposes, and is under the management of the College of Agriculture and Domestic Science. The eastern portion is occupied by the principal University buildings, campus, athletic and drill grounds, a park-like meadow, and a few acres of primitive forest.

The grounds are laid out with care, ornamented with trees, shrubs and flower beds; and are so managed as to illustrate the instruction in Botany, Horticulture, Forestry, Landscape Gardening and Floriculture.

The University has thirteen buildings devoted to instruction, one Boiler House, one Power House, two Dormitories, six residences, and some farm buildings. These buildings represent an investment for construction of about eight hundred thousand dollars. The equipment and apparatus amount to about one hundred and seventy thousand dollars. The land now occupied as a site with the farm is valued at one million five hundred thousand dollars.

The Ohio State University is divided into six colleges, as follows:

(1.) The College of Agriculture and Domestic Science consists of those departments represented in the course leading to the degrees of Bachelor of Science in Agriculture, Bachelor of Science in Horticulture and Forestry, and Bachelor of Science in Domestic Economy, and in the Course in Dairying.

(2.) The College of Arts, Philosophy and Science consists of those departments represented in the courses leading to the degree of Bachelor of Arts, Bachelor of Philosophy, and Bachelor of Science; and in the Courses Preparatory to Law and to Journalism.

(3.) The College of Engineering consists of those departments represented by the courses leading to the degrees of Civil Engineer, Engineer of Mines, Engineer of Mines in Ceramics, Mechanical Engineer, Mechanical Engineer in Electrical Engineering, and Bachelor of Science in Industrial Arts, Bachelor of Science in Chemistry or in Metallurgy; in the Course in Architecture, in the Short Course in Clay-Working and Ceramics, and in the Short Course in Mining.

(4.) The College of Law consists of those departments represented in the course leading to the degree of Bachelor of Laws.

(5.) The College of Pharmacy consists of those departments represented by the courses leading to the degree of Bachelor of Science in Pharmacy, and in the Short Course in Pharmacy.

(6.) The College of Veterinary Medicine consists of those departments represented in the course leading to the degree of Doctor of Veterinary Medicine, and to a certificate of Veterinary Surgeon.

Each college is under the direction of its own Faculty, which has power to act in all matters pertaining to the work of students in that college.

OHIO UNIVERSITY, AT ATHENS — FWING HALL.

## THE OHIO UNIVERSITY (ATHENS).

---

THE history of the Ohio University antedates that of the State nearly two decades. The ordinance providing for its existence and support was passed in Jul, 1787, in the city of Philadelphia. The leading spirit in the movement was Manasseh Cutler, a native of Connecticut, and a graduate of Yale of the class of 1765. In accordance with the spirit of his time he proposed to endow an institution for higher education with a grant of land. As there was a superabundance of land and as the country was pretty sure to fill up rapidly, such an endowment was supposed to be the most stable and almost sure to increase greatly in value. The history of many land grants for education shows, however, that while the expectation of increase in value has realized, the increase rarely accrued to the pecuniary advantage of the beneficiary. To this general statement the Ohio University forms no exception.

Among the ordinances enacted for the Northwest Territory, there was one providing that "no more than two complete townships should be given perpetually for the purpose of a University, to be laid off by the purchaser or purchasers as near the center as may be (so that the same shall be of good land), to be applied to the intended object by the Legislature of the State." In 1795 the lands to be devoted to the support of the University were located. The townships were numbers eight and nine in the fourteenth range, now Athens and Alexander in Athens county. The first families removed to them in 1797, and settled near the present site of the town of Athens, the seat of the University. Two years later the Territorial Legislature appointed three commissioners "to lay off in the most suitable place within the township, a town plat, which should contain a square for the college; also, lots suitable for house-lots and gardens for a president, professors, tutors, etc., bordering on, or encircled by spacious commons, and such a number of town lots adjoining the said commons and out-lots as they think will be for the advantage of the University."

In the same year Dr. Cutler sent his draft of an act of incorporation for the University. In this draft he said among other things, "Forty or fifty thousand dollars cannot be too high, as it must be applied to one of the most useful and important purposes to society and government." Passing over some intermediate legislation, we find that the General Assembly of the new State that had just been admitted into the Union, passed, in 1804, an act of which Section 1 gave to the institution its present name, the Ohio University, and defined its object to be, "the instruction of youth in all the various branches of liberal arts and sciences, the promotion of good education, virtue, religion and morality, and the conferring of all

the degrees and literary honors granted in similar institutions." Section 2 provided for the corporate existence of a Board of Trustees. Section 2 also provided "for the subdivision of college lands into tracts of not less than eighty acres nor more than two hundred and forty acres; the valuation of them by three disinterested and judicious freeholders as in their original and unimproved state, and the leasing of the same for the term of ninety years, renewable forever, on a yearly rent of six per centum of the amount of the valuation so made by the said freeholders; and the land so leased shall be subject to a revaluation at the expiration of thirty-five years, and to another revaluation at the expiration of sixty years, from the commencement of the term of each lease, which revaluation shall be conducted and made on the principles of the first, and the lessee shall pay a yearly rent of six per centum on the amount of the valuation so to be made; and forever thereafter at a yearly rent equal to and not exceeding six per centum of the amount of a valuation, to be made as aforesaid at the expiration of the term of ninety years aforesaid. \* \* \* *Provided, always,* That the corporation shall have power to demand a further yearly rent on the said lands and tenements, not exceeding the amount of tax imposed on property of like description by the State."

The first building was erected on the northeast side of the present campus and known as the "Academy." It was of wood and has long since been torn down. The first building for collegiate purposes proper was put up in 1817. This is therefore the oldest structure of the kind in the entire Northwest, if not west of the Alleghenies. It is four stories high above the basement, and though somewhat remodeled twenty years ago, is substantially the original building and is still in use. Twenty years later two additional buildings, also of brick, were put up. In 1881 what was for a time known as the "chapel building" was erected and subsequently removed to its present site in order to make room for Ewing Hall, the newest, as well as the largest of the college buildings. Though the university was chartered in 1804 no instruction was given until 1809. In June 1808 the Board laid out a course of instruction which embraced "the English, Latin, and Greek languages, mathematics, rhetoric, logic, geography, natural and moral philosophy." One year later when the school was formally opened but three students presented themselves. This is not surprising when we consider the sparseness and poverty of the newcomers on the soil of Ohio. It seemed a paradoxical scheme to establish a university before preparatory schools had been provided, yet this has been the history of education from the remotest times—the higher has always preceded the lower, though the latter did not always appear.

For some years the university had but one instructor, the Rev. Jacob Lindley, a graduate of Princeton. In 1812 Artemas Sawyer, a graduate of Harvard was added as a second teacher, and six years later a third was added.

*The Ohio University (Athens).*

The first graduate was Thomas Ewing, who was probably the first person to receive a college diploma in all Western America. This document was dated 1815. The distinguished subsequent career of Mr. Ewing is well known. It is identified not only with the history of Ohio but with that of the nation.

The revenues of the university were at first very small, but they would in time have increased to a respectable sum as the two townships above named contain nearly fifty thousand acres. Unfortunately the legislature interfered to prevent the revaluation of its lands, notwithstanding the decisions of the various courts, so that the income from this source is and will remain at less than five thousand dollars per annum. However, toward the close of the seventies the legislature began to make annual appropriations for the support of the university, and in 1896 enacted the so-called "Sleeper Bill" which has since then given it a yearly revenue of nearly thirty thousand dollars in addition to its income from other sources. The whole amount, however, still falls considerably short of what its founders supposed they had provided and assured.

Though the college has been giving instruction from 1809 under the charge successively of Rev. Jacob Lindley and Rev. James Irvine, its first president, as he is usually designated, was not elected until 1824, when Robert G. Wilson a native of North Carolina and a graduate of Dickinson College was chosen to fill the position. His successor was the well known Dr. McGuffey. For a few years dating from 1845, owing to financial embarrassments the institution was closed, but in 1848 it was reopened under the presidency of Dr. Ryors. Dating from 1852 Dr. Howard was president for twenty years and was succeeded by Dr. W. H. Scott. Since 1883 the present incumbent has been at the head of the institution with the exception of two years, 1896-8, when the position was occupied by Dr. Isaac Crook.

## MIAMI UNIVERSITY.

---

**G**REAT institutions grow. They are not born in a day. It is a part and a privilege of an American to feel a pride in America's historic foundations and institutions. In the document under which the great northwest territory was settled, we read: "Religion, morality and knowledge being necessary to good government and the happiness of mankind, schools and the means of education shall forever be encouraged." This sentence is the foundation of the educational policy of the states formed out of this territory. The John Cleves Symmes purchase in southwestern Ohio, like the other grants made under this ordinance, laid permanently the foundation for higher education. Out of this land grant grew Miami University. The trust was given to the State of Ohio and accepted in 1803, and by means of legislative action buildings were erected and the school opened in 1816 as a preparatory school, and in 1824, as a college. The first class was graduated in 1826. Under the stimulus of the land grant, the spirit of the ordinance of 1787, the co-operation of the state and the rapid settlement of Miami county, the college flourished and soon became the most renowned west of the Alleghenies. The early settlers believing in the value of college education sent their sons there. These young men later became the men of affairs and took an active interest in every form of public life. During the war of the rebellion, Miami's graduates, almost to a man, were found enlisted or engaged in some form of public service. Many of these men are still hard at work, so that it has been said that Miami has more prominent men among her alumni than any other western college. A strong American sentiment permeates the every vein of the Miami student or graduate. Miami has been pre-eminently in her history, a college of public spirit. The student catches the spirit of patriotic devotion to the public welfare as a duty, and the graduate feels that he owes something to his country. College spirit has always been identical with a high idea of citizenship.

Associated with this patriotic ideal, is the conviction that leaders should be men of scholarship and sound character. The management has never faltered in that belief that a college faculty should be men of unquestionable character and highest ability. The college education shows itself in a patriotic citizenship, genuine manliness, sound scholarship and liberal culture. Under this ideal more than a thousand men have been graduated, and many times that number have pursued their courses in part.

While Miami University is not owned and operated by the State of Ohio, in recent years favorable legislative action has given Miami more vigorous life than ever before. One of the new buildings is the gift of the late Senator Brice and bears his name. Another bears the name of Hon. John W. Herron of Cincinnati, whose long and able services to the University have only been equalled by his generosity.

*Miami University.*

The location is as healthful as can be found, and comprises fifty-seven acres of the most beautiful campus to be found in the west.

Miami has never been a large institution when measured by her numbers, nor has she ever aspired to be such, but she has been great when measured by her men.

Instructions in military tactics and drill three hours each week are required of all male students unless excused by the faculty. This feature is in charge of an officer of the United States army, assigned to that service by the president. A regulation uniform is provided for, and may, if desired, be worn at all times in place of another suit of clothes. There is no intention of making Miami University a military school. It simply offers all the advantages of such an institution with none of the disadvantages, a fact greatly appreciated.

## THE WILBERFORCE UNIVERSITY.

---

THE Wilberforce University, located in Greene County near Xenia, Ohio, cannot be considered one of the state educational institutions, except that it has been receiving state assistance in establishing and maintaining an industrial department since 1887. The University is for colored youth and affords an opportunity for extending industrial training to colored youth, such as is not found in other institutions in the state.

The following brief history of this institution is a matter of historical value:

On September 28, 1853, the Cincinnati Conference of the M. E. Church selected a committee which recommended "the establishment of a literary institution of high order for the education of colored people generally"; and on May, 1856, "Tawawa Springs," a beautiful summer resort in Greene Co., Ohio, was purchased, and Wilberforce University was organized. By concurrent action, the M. E. and the A. M. E. Conferences of Ohio entered into co-operation for the success of the University. It was incorporated August 30, 1856, and a board of twenty-four trustees selected, including Governor Salmon P. Chase, President R. S. Rust, Ashland Keith, of the colored Baptist denomination, and D. A. Payne; and the broad principle adopted that there shall never be any distinction among the trustees, faculty or students, on account of race, color or creed.

The University began its work in Oct. 1856, under Rev. M. P. Gaddis, as principal. He was succeeded by Professor James K. Parker, and he by Dr. Richard S. Rust, the first president. During the first epoch, which terminated with the Civil War, the number of students, largely the children of southern planters, varied from seventy to one hundred. Commendable progress was made in literary culture. The War closed the school, and the M. E. Church withdrew from the field.

On March 10, 1863, D. A. Payne purchased the property for \$10,000, and associated with himself James A. Shorter and Professor John G. Mitchell, in the re-organizing of the University. It is the oldest college for negroes in this country. Congress in 1870, appropriated \$25,000; Chief Justice Salmon P. Chase bequeathed \$10,000; the Charles Avery estate added \$10,000, and the American Unitarian Association gave for lectures, \$6,000 to the University.

On March 19, 1887, the Legislature of the State of Ohio came to our aid, helping us in establishing a Normal and Industrial Department, and is appropriating now, \$17,000 per annum to the University. On January 9, 1894, President Cleveland detailed Lieutenant John H. Alexander, a West Point graduate, to organize and instruct the Military Department of Wilberforce University, and the United States Government is

ill maintaining this department. At the breaking out of the Spanish-American War, Wilberforce furnished some of the best negro soldiers that went to the front, a number of whom are fighting for the flag in the Philippines to-day.

The University has received from all sources since organization, \$13,202.80. Six thousand and six negro youths have attended the University, most of them coming from the South. Two hundred and sixty-six have graduated from our literary courses, and are now preaching and teaching in the South; striving to help solve the race question. Two hundred and ten have graduated from the Industrial Department, and are now engaged in the useful trades. It is the pride of the University that it has always been the aim and object to contribute her full share to the intellectual, moral, physical, and industrial uplift of the negro, and thereby assist in removing the standing menace to our American institutions,—the race problem.

## WOMEN'S RELIEF CORPS HOME FOR ARMY NURSES.

MADISON, LAKE COUNTY.

---

**F**OLLOWING the agitation which led to the establishment of the State Soldiers' and Sailors' Home in Sandusky, the members of the Ladies' Aid Society called the attention of the General Assembly to the fact that a number of heroic women who had served the country faithfully as army nurses in the War of the Rebellion, were living in Ohio in such circumstances that a proper sense of their past services rendered it imperative that they should be equally cared for with the ex-soldier and his children. Accordingly, the General Assembly in 1891 passed an act appropriating twenty-five thousand dollars to be used in building a suitable home for army nurses, the money to be expended under the direction of a board of managers appointed for that purpose. Under the provisions of this act a site was selected at Madison, Lake county, a house was built and opened for nurses in 1892.

The trustees on location and construction were: Hon. A. H. McCoy, Mrs. Ada L. Clarke, Mrs. Margaret A. Beale, N. Stratton, and P. H. Cowles; H. F. Lindsey, architect; C. H. Pancoast, superintendent of construction, and E. L. Winchell, contractor.

The state has since been to no expense in operating the Home which is cared for by the contributions of the several soldier organizations.

## THE WORKING HOME FOR THE BLIND.

**I**N the year of 1886 a bill introduced by Representative Palmer of Cuyahoga, himself a blind man, was passed by the General Assembly authorizing the appointment of a board of trustees, whose duty it should be to locate and operate an institution in which the blind adults of Ohio might be given employment and sustenance, with the promise on the part of the friends of the measure that with some material assistance from the State in the organization of such a home, it would become self-supporting. The institution was located at Iberia and opened within a reasonable time after the trustees were appointed. It was destroyed by fire in 1895, leaving the inmates with insufficient accommodations, both in their Industrial and Domestic Departments. The General Assembly not being satisfied with the success of the experiment refused to rebuild the buildings so destroyed, and eventually ordered the abandonment of the institution.

The trustees of the home who gave unselfishly of their time and means toward making the home self-supporting during the terms of their incumbency were:

COMMISSIONERS FOR TEMPORARY SERVICE

PAN-AMERICAN EXPOSITION COMMISSION.

THE OHIO FLAG.

Adopted by the Ohio Commission at the Pan-American Exposition, Buffalo, 1901.  
Designed by John Eisenmann, Architect of Ohio Building.

THE above cut is given as a matter of interest, inasmuch as it is proposed that the General Assembly at its session in 1902 shall be asked to adopt the design permanently for official use as the flag of the State of Ohio.

Its symbolism is as follows: The triangles formed by the main lines of the flag represent the hills and valleys, as typified in the State seal, and the stripes the roads and waterways. The stars, indicating the thirteen original states of the Union, are grouped about the circle which represents the original Northwest Territory and that Ohio was the seventeenth State admitted into the Union is shown by adding of four more stars. The white circle with its red center, not only represents the initial letter of Ohio, but is suggestive of its being the "Buckeye" State.

The proportions and symmetry of the flag are such that it may be shown in any position without effecting its symbolism.
